Patrons—Sturtevant and Dance; Delegate: Robinson

Referred to Committee on Rehabilitation and Social Services

Be it enacted by the General Assembly of Virginia:

1. That § 63.2-1709.2 of the Code of Virginia is amended and reenacted as follows:

§ 63.2-1709.2. Enforcement and sanctions; special orders; civil penalties.

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Commissioner may issue a special order (i) for violation of any of the provisions of this subtitle, § 54.1-3408, or any regulation adopted under any provision of this subtitle which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in an assisted living facility, adult day care center, or child welfare agency. Notice of the Commissioner's intent to take any of the actions enumerated in subdivisions B 1 through B 7 shall be provided by the Department and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. The Commissioner shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Commissioner may take the following actions regarding assisted living facilities, adult day care centers, and child welfare agencies through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of residents, participants, or children are at risk;

2. Reduce licensed capacity or prohibit new admissions when the Commissioner concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Commissioner concludes that the lack of such training has led directly to violations of regulations;

4. Assess civil penalties for each day the assisted living facility is or was out of compliance with the terms of its license and the health, safety, and welfare of residents are at risk, which shall be paid into the state treasury and credited to the Assisted Living Facility Education, Training, and Technical Assistance Fund created pursuant to § 63.2-1803.1. The aggregate amount of such civil penalties shall not exceed \$10,000 for assisted living facilities in any ~~24-month~~ 12-month period. Criteria for imposition of civil penalties and amounts, expressed in ranges, shall be developed by the Board, and shall be based upon the severity, pervasiveness, duration, and degree of risk to the health, safety, or welfare of residents. Such civil penalties shall be applied by the Commissioner in a consistent manner. Such criteria shall also provide that (i) the Commissioner may accept a plan of correction, including a schedule of compliance, from an assisted living facility prior to setting a civil penalty, and (ii) the Commissioner may reduce or abate the penalty amount if the facility complies with the plan of correction within its terms.

A single act, omission, or incident shall not give rise to imposition of multiple civil penalties even though such act, omission, or incident may violate more than one statute or regulation. A civil penalty that is not appealed becomes due on the first day after the appeal period expires. The license of an assisted living facility that has failed to pay a civil penalty due under this section shall not be renewed until the civil penalty has been paid in full, with interest, provided that the Commissioner may renew a license when an unpaid civil penalty is the subject of a pending appeal;

5. Assess civil penalties of not more than \$500 per inspection upon finding that the adult day care center or child welfare agency is substantially out of compliance with the terms of its license and the health and safety of residents, participants, or children are at risk;

6. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and
