A *BILL to amend and reenact § 24.2-701 of the Code of Virginia, relating to absentee voting; photo identification required with application.*

**Be it enacted by the General Assembly of Virginia:**

**1. That § 24.2-701 of the Code of Virginia is amended and reenacted as follows:**

**§ 24.2-701. Application for absentee ballot.**

A. The State Board shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any person who is qualified to vote absentee under subdivision 2 of § 24.2-700.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all general elections, except May general elections, and on the Saturday immediately preceding any primary election, May general election, or special election.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be made not less than three days prior to the election in which the applicant offers to vote and completed only in the office of the general registrar. The applicant shall sign the application in the presence of a registrar. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643. Any applicant who does not show one of the forms of identification specified in subsection B of § 24.2-643 shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

2. Any other application may be made by mail, electronic or telephonic transmission to a facsimile device if one is available to the office of the general registrar or the office of the State Board if a device is not available locally, or other means. The application shall be on a form furnished by the registrar or, if made under subdivision 2 of § 24.2-700, may be on a federal postcard application prescribed pursuant to 52 U.S.C. § 20301(b)(2).
