[S 936]

6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 15.2-1605 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 15.2-1605. Vacations; sick leave and compensatory time for certain officers and employees.**

9 A. "Employee," as used in this section, means an employee or deputy of the attorney for the  
10 Commonwealth, the treasurer, the commissioner of the revenue, the clerk of the circuit court, and the  
11 sheriff and shall also include the officers and employees of all courts whose salaries are paid by the  
12 Commonwealth.

13 B. Every county and city for which such employees work shall annually provide for each employee  
14 at least two weeks vacation with pay, at least seven days sick leave with pay, and such legal holidays as  
15 are provided for in § 2.2-3300. If any employee or deputy is required to work on any legal holiday, he  
16 shall receive, in lieu of the holiday, an equal amount of compensatory time with pay in the same  
17 calendar year in which such holiday occurs. The county or city may provide that vacation or sick leave  
18 may be accumulated or shall terminate within a given period of time; however, such vacation may not  
19 be accumulated in excess of six weeks. The cost of providing such benefits shall be borne in the same  
20 manner and on the same basis as the costs of the office are shared or as the excess fees therefrom may  
21 be shared. *When a county or city has entered into an agreement with a constitutional officer to include*  
22 *his employees under the locality's personnel leave policies, then such employee may accrue and*  
23 *accumulate leave pursuant to such policies instead of under this section, as long as such local benefits*  
24 *are not less than the amounts as set out in this section.*

25 C. For the purpose of computing the Commonwealth's financial obligations for accumulated vacation  
26 time of an employee under this section, the Commonwealth shall pay the lesser, and in any event only  
27 its proportional share, of the amount due to an employee for such time when computed (i) under the  
28 applicable counties' or cities' personnel policies, regulations and rules, or (ii) by treating the employee as  
29 a Commonwealth employee, under its applicable personnel policies, regulations and rules.
