2. Patron: Marshall, R.G.

3. Committee: Reported from committee

4. Title: Immigration detainees

5. Summary:

The proposed legislation would prohibit the director of the Department of Corrections, sheriff, or any regional jail superintendent in which an alien is incarcerated, who receives a lawful detainer from the U.S. Immigration and Customs Enforcement (ICE), from releasing the alien subject to the detainer except to transfer custody to another facility or an appropriate federal authority. However, no alien may be held in custody beyond the date upon which he ordinarily would have been released, except in situations in which federal law requires that such alien be held in custody until transferred to an appropriate federal authority.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate. See Item 8.

8. Fiscal Implications:

The proposed legislation would not have any impact on the Department of Corrections.

The legislation may have a fiscal impact related to inmates held in jails. However, there is not enough information available to reliably estimate how many additional inmates in jail, if any, could result from this proposal.

9. Specific Agency or Political Subdivisions Affected:

Department of Corrections
Compensation Board
Local and regional jails
Counties and cities

10. Technical Amendment Necessary: None.

11. Other Comments: None.
