2017 Fiscal Impact Statement

1. Bill Number: HB1774

House of Origin	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
Second House	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input checked="" type="checkbox"/> Enrolled

2. Patron: Hodges

3. Committee: Passed Both Houses

4. Title: Stormwater management; work group to examine ways to improve.

5. Summary: Directs the Commonwealth Center for Recurrent Flooding Resiliency (the Center) to convene a work group to consider alternative methods of stormwater management in rural Tidewater localities. The bill provides that the group is to be facilitated by the Virginia Coastal Policy Center at William and Mary Law School and is to include representatives of institutions of higher education, state agencies, local governments, private industry, and other groups. The bill provides that the work group is to review and consider the creation of rural development growth areas, the development of a volume credit program, the payment of fees to support regional best management practices, and the allowance of the use of stormwater in highway ditches to generate volume credits. The bill requires the Center to report the results of the work group's examination to the Governor and the Chairmen of the House Committee on Agriculture, Chesapeake and Natural Resources and the Senate Committee on Agriculture, Conservation and Natural Resources by January 1, 2018, which is the date the work group provisions of the bill are set to expire. The bill also delays from July 1, 2017, to July 1, 2018, the effective date of new stormwater laws enacted during the 2016 Session of the General Assembly.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final.

8. Fiscal Implications: It is anticipated that any fiscal impact this bill may have to the Commonwealth Center for Recurrent Flooding Resiliency, a joint venture of Old Dominion University, the College of William & Mary and the Virginia Institute of Marine Science, can be absorbed within existing resources.

9. Specific Agency or Political Subdivisions Affected: The College of William and Mary, Virginia Institute of Marine Science, Old Dominion University, Departments of Transportation and Environmental Quality, localities

10. Technical Amendment Necessary: No.

11. Other Comments: None.
