4. Title: Prohibited discrimination in employment.

5. Summary: Prohibits discrimination in private or public employment based on sexual orientation or status as a veteran. The bill provides that under the Virginia Human Rights Act, such discrimination is actionable if the violating employer has more than five but less than 15 employees. The bill defines "sexual orientation" as a person's actual or perceived heterosexuality, bisexuality, homosexuality, or gender identity or expression. The bill expressly provides that "sexual orientation" does not include any person's attraction toward persons with whom sexual conduct would be illegal due to the age of the parties. The bill also conforms various provisions prohibiting discrimination in public employment based on race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, disability, or veteran status. The bill contains technical amendments.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate – see Item 8.

8. Fiscal Implications: The Attorney General and Department of Law and the Department of Human Resource Management indicate that they will not be fiscally impacted by the proposed legislation. The changes created by this bill may result in an increase of grievance cases related to discrimination; however, the impact of the bill is indeterminate because the number of potential cases is unknown.

9. Specific Agency or Political Subdivisions Affected: All state agencies and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: The current policies of the Commonwealth are consistent with the provisions of this bill except regarding the protection for sexual orientation, which is not presently covered by Title VII of the Civil Rights Act of 1964 as amended or the Virginia Human Rights Act.
