The Department of Elections shall compare the data received pursuant to § 24.2-404.4, Code of Virginia, with the state voter registration list to identify voters who are found to be registered to vote in another state and shall provide to the general registrars a list of those voters registered in that registrar's locality who are identified as having a registration record in another state.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final – see Item 8.

8. Fiscal Implications: As stand-alone legislation, the Department of Elections considers implementation of this bill as “routine,” and does not require additional funding. The Department of Elections will review all electoral legislation likely to be enacted prior to the passage by each house. If the aggregate number of “routine” bills likely to pass either house is unusually large, it is possible that the Department of Elections will require additional resources. If so, the Department of Elections will identify the costs at that time.

Additional costs the agency may incur include updating instructions and guidance documents to include translation, and, if needed, changes to the Virginia Election and Registration Information System (VERIS), changes to web materials, printing and distribution of forms, additional support for staff to research Code sections and update forms impacted by the legislation, and training to assure officers of election and voters are aware of any changes.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, general registrars, and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
