**2. Patron:** Black

**3. Committee:** Passed both houses

**4. Title:** Female genital mutilation; criminal penalty and civil action.

**5. Summary:** This bill makes it a Class 1 misdemeanor for any person to knowingly circumcise, excise, or infibulate the labia major, labia minora, or clitoris of a minor or for any parent or guardian charged with the care of a minor to consent to such circumcision, excision, or infibulation. The bill also provides a civil cause of action for any person injured by such circumcision, excision, or infibulation. The enrolled bill removes the language that would have made genital mutilation required by custom, ritual, or religious practice not defensible and a violation under this section. The bill also contains technical amendments.

**6. Budget Amendment Necessary:** No.

**7. Fiscal Impact Estimates:** Final. See Item 8.

**8. Fiscal Implications:** Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Ultimately, the presiding judge will decide if there is to be any time served in jail; however, any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2016), the estimated total state support for local jails averaged \$32.82 per inmate, per day in FY 2015.

The bill specifies that this sentence is to be a separate and distinct violation.

**9. Specific Agency or Political Subdivisions Affected:** The Compensation Board, local and regional jails and law enforcement

**10. Technical Amendment Necessary:** No

**11. Other Comments:** SB1241 was incorporated into the bill.
