2. Patron: Deeds

3. Committee: Senate Finance

4. Title: Assault and battery of private law enforcement officers

5. Summary:

Under current law, simple assault and assault and battery are Class 1 misdemeanors. However, if the offense is committed against any one of specifically designated public safety workers, it is a Class 6 felony, with a mandatory minimum sentence of six months. The proposed legislation expands the list of public safety workers covered by the Class 6 felony provision to include private police officers employed by private police departments, police agents, and conservators of the peace.

6. Budget Amendment Necessary: Yes. Item 394

7. Fiscal Impact Estimates: Preliminary. See Item 8 below.

2022	\$0	
2023	\$0	

8. Fiscal Implications:

For someone convicted of a Class 6 felony, a judge has the option of sentencing him to up to one year in jail, or 1 to 5 years in prison. Therefore, this proposal could result in an increase in the number of persons sentenced to jail or prison.

There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Ultimately, the presiding judge will decide if there is to be any time served in jail; however, any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanor or otherwise local responsible prisoner held in a jail and \$12.00 a day for each state responsible inmate. It also funds a considerable portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2016), the estimated total state support for local jails averaged \$32.82 per inmate, per day in FY 2015.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to §30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 780 of the 2016 Acts of Assembly requires that a minimum impact of \$50,000 be assigned to the bill.
