8. Fiscal Implications: The proposed legislation creates the Red Tape Reduction Commission (Commission) as an advisory commission in the executive branch of state government to

establish and monitor the baseline regulatory requirements of the Commonwealth and to identify and provide advice and comments to the Governor and General Assembly on measures to reduce the baseline regulatory requirements of the Commonwealth. Based on the Commission's duties and minimum number of meetings; state support is needed to fund the Commission's operating expenses. The fiscal impact in fiscal year 2018 is based on 10 months of expenditures and annualized beginning in fiscal year 2019.

Staff

The fiscal impact supports the cost of one staff director, two staff attorneys, and two policy analysts. The staff expenses are estimated to be \$520,000 in fiscal year 2018, which is based on 10 months of operation, and \$624,000 beginning in fiscal year 2019. The estimated annual cost for the staff director is \$156,000, \$138,000 each for the staff attorney, and \$96,000 each for the policy analyst. The Commission's nonpersonal expenses include rent (\$26,667 in fiscal year 2018 and \$32,000 beginning in fiscal year 2019), and insurance (\$1,250 in fiscal year 2018 and \$1,500 beginning in fiscal year 2019).

Information technology

The proposed legislation requires the Commission to establish and maintain a searchable database of all regulatory requirements; establishing a baseline of all regulatory requirements; and create a process for review, replacement, and reduction of regulatory requirements. The estimated cost for the searchable database is \$150,000 in fiscal year 2018 for one-time development expenses and \$30,000 beginning in fiscal year 2019 for annual maintenance. The Commission's information technology expenses also include Virginia Information Technology Agencies charges of \$18,000 in fiscal year 2018 and \$21,600 beginning in fiscal year 2019.

9. Specific Agency or Political Subdivisions Affected: All state agencies that have regulatory authority.

10. Technical Amendment Necessary: No.

11. Other Comments: The substitute of Senate Bill 1449 is a companion to House Bill 1564 (Webert).
