Bill Number	: SB99	5				
House of Origi	n 🖂	Introduced		Substitute		Engrossed
Second House		In Committee		Substitute		Enrolled
Patron:	Stanley					
Committee:	Education	on and Health				
Title:	Student	discipline; lon	g-terr	n suspension.		
Summary: Reduces the maximum length of a long-term suspension from 364 calendar days to 45 school days. The bill prohibits a long-term suspension from extending beyond the current grading period unless aggravating circumstances exist and prohibits a long-term suspension from extending beyond the current school year.						
5. Budget Amendment Necessary: No						
7. Fiscal Impact Estimates: Indeterminate. See Item 8.						
8. Fiscal Implications: Under current regulations, a student suspended for more than 15 days who does not receive alternate education from the public school division, such as home-based education, is removed from Average Daily Membership (ADM). A reduction in the maximum length of long-term suspension would reduce the period of time that such students are excluded from ADM, resulting in an indeterminate increase in ADM. Any additional cost to the state cannot be determined at this time.						
 Specific Agency or Political Subdivisions Affected: Department of Education, local school divisions
