Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-404 and 24.2-404.4 of the Code of Virginia are amended and reenacted as follows: § 24.2-404. Duties of Department of Elections.

A. The Department of Elections shall provide for the continuing operation and maintenance of a central recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Department shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth.
2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar, voter confirmation documents for newly registered voters and for notice to registered voters on the system of changes and corrections in their registration records and polling places and voter photo identification cards containing the voter's photograph and signature for free for those voters who do not have one of the forms of identification specified in subsection B of § 24.2-643. The Department shall promulgate rules and regulations authorizing each general registrar to obtain a photograph and signature of a voter who does not have one of the forms of identification specified in subsection B of § 24.2-643 for the purpose of providing such voter a voter photo identification card containing the voter's photograph and signature. The Department shall provide each general registrar with the equipment necessary to obtain a voter's signature and photograph and no general registrar shall be required to purchase such equipment at his own expense. Photographs and signatures obtained by a general registrar shall be submitted to the Department. The Department may contract with an outside vendor for the production and distribution of voter photo identification cards.

4. Require the general registrars to delete from the record of registered voters the name of any voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, (v) is known not to be a United States citizen by reason of reports from the Department of Motor Vehicles pursuant to § 24.2-410.1 or from the Department of Elections based on information received from the Systematic Alien Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or (vi) is otherwise no longer qualified to vote as may be provided by law. Such action shall be taken no later than 30 days after notification from the Department. The Department shall promptly provide the information referred to in this subdivision, upon receiving it, to general registrars.

5. Retain on the system for four years a separate record for registered voters whose names have been deleted, with the reason for deletion.

6. Retain on the system permanently a separate record for information received regarding deaths, felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

7. Provide to each general registrar, at least 16 days prior to a general or primary election and three days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct in which the election is being held in the county, city, or town. These precinct lists shall be used as the official lists of qualified voters and shall constitute the pollbooks. The Department shall provide instructions for the division of the pollbooks and precinct lists into sections to accommodate the efficient processing of voter lines at the polls. Prior to any general, primary, or special election, the Department shall provide any general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices are used in precincts in the locality, the Department shall provide a regional or statewide list of registered voters to the general registrar of the locality. The Department shall determine whether regional or statewide data is provided. Neither the pollbook nor the regional or statewide list of registered voters shall include the day and month of birth of the voter, but shall include the voter's year of birth.

8. Acquire by purchase, lease, or contract equipment necessary to execute the duties of the Department.

9. Use any source of information that may assist in carrying out the purposes of this section. All agencies of the Commonwealth shall cooperate with the Department in procuring and exchanging identification information for the purpose of maintaining the voter registration system. The Department

may share any information that it receives from another agency of the Commonwealth with any Chief Election Officer of another state for the maintenance of the voter registration system.

10. Cooperate with other states and jurisdictions to develop systems to compare voters, voter history, and voter registration lists to ensure the accuracy of the voter registration rolls, to identify voters whose addresses have changed, to prevent duplication of registration in more than one state or jurisdiction, and to determine eligibility of individuals to vote in Virginia.

11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts and polling places, statements of election results by precinct, and any other items required of the Department by law. Receipts from such sales shall be credited to the Board for reimbursement of printing expenses.

B. The Department shall be authorized to provide for the production, distribution, and receipt of information and lists through the Virginia voter registration system by any appropriate means including, but not limited to, paper and electronic means. The Virginia Freedom of Information Act (§ 2.2-3700 et seq.) shall not apply to records about individuals maintained in this system.

C. The State Board shall institute procedures to ensure that each requirement of this section is fulfilled. As part of its procedures, the State Board shall provide that the general registrar shall mail notice of any cancellation pursuant to clause (v) of subdivision A 4 to the person whose registration is cancelled.
