For purposes of this section, "disturb or interfere with" includes removal of, damaging or defacing monuments or memorials, or, in the case of the War Between the States, the placement of Union markings or monuments on previously designated Confederate memorials or the placement of Confederate markings or monuments on previously designated Union memorials.

B. The governing body may appropriate a sufficient sum of money out of its funds to complete or aid in the erection of monuments or memorials to the veterans of such wars. The governing body may also make a special levy to raise the money necessary for the erection or completion of any such monuments or memorials, or to supplement the funds already raised or that may be raised by private persons, Veterans of Foreign Wars, the American Legion or other organizations. It may also appropriate, out of any funds of such locality, a sufficient sum of money to permanently care for, protect and preserve such monuments or memorials and may expend the same thereafter as other funds are expended.

C. *Upon the affirmative vote of a governing body of a locality in which a monument or memorial is located, the locality may relocate the monument or memorial to a museum of the locality's choice. However, if the monument or memorial is not owned by the locality, the owner of the monument or memorial shall be given an opportunity to reclaim or relocate the monument or memorial within six months of notice from the locality. After six months, if the owner of such a monument or memorial declines the opportunity to reclaim or relocate the monument or memorial in question, the locality shall be authorized to proceed with the relocation.*

**2. That Chapter 119 of the Acts of Assembly of 1890 is repealed.**
