

18105143D

HOUSE BILL NO. 1525

Offered January 19, 2018

A BILL to amend and reenact § 46.2-1078.1 of the Code of Virginia, relating to use of handheld personal communication devices; highway work zone.

Patron—Yancey

Referred to Committee for Courts of Justice

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1078.1 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1078.1. Use of handheld personal communications devices in certain motor vehicles; exceptions; penalty.

A. It is unlawful for any person to operate a moving motor vehicle on the highways in the Commonwealth while using any handheld personal communications device to:

1. Manually enter multiple letters or text in the device as a means of communicating with another person; or

2. Read any email or text message transmitted to the device or stored within the device, provided that this prohibition shall not apply to any name or number stored within the device nor to any caller identification information.

B. It is unlawful for any person to text or use a handheld personal communications device while operating a motor vehicle in a highway work zone when workers are present. For the purposes of this section, "highway work zone" means a construction or maintenance area that is located on or beside a highway and marked by appropriate warning signs with attached flashing lights or other traffic control devices indicating that work is in progress.

C. The provisions of this section shall not apply to:

1. The operator of any emergency vehicle while he is engaged in the performance of his official duties;

2. An operator who is lawfully parked or stopped;

3. The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system; or

4. Any person using a handheld personal communications device to report an emergency; or

5. An operator who activates, deactivates, or initiates a factory-installed feature or function on the vehicle or a device that is physically or electronically integrated into the vehicle, provided that use of such device is conducted through such factory-installed or in-vehicle interface.

D. A violation of this section is a traffic infraction punishable, for a first offense, by a fine of \$125 and, for a second or subsequent offense, by a fine of \$250.

For the purposes of this section, "emergency vehicle" means:

1. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer;

2. Any regional detention center vehicle operated by or under the direction of a correctional officer responding to an emergency call or operating in an emergency situation;

3. Any vehicle used to fight fire, including publicly owned state forest warden vehicles, when traveling in response to a fire alarm or emergency call;

4. Any emergency medical services vehicle designed or used for the principal purpose of emergency medical services where human life is endangered;

5. Any Department of Emergency Management vehicle or Office of Emergency Medical Services vehicle, when responding to an emergency call or operating in an emergency situation;

6. Any Department of Corrections vehicle designated by the Director of the Department of Corrections, when (i) responding to an emergency call at a correctional facility, (ii) participating in a drug-related investigation, (iii) pursuing escapees from a correctional facility, or (iv) responding to a request for assistance from a law-enforcement officer; and

7. Any vehicle authorized to be equipped with alternating, blinking, or flashing red or red and white secondary warning lights pursuant to § 46.2-1029.2.

E. Distracted driving shall be included as a part of the driver's license knowledge examination.
