6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 15.2-2110 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 15.2-2110. Mandatory connection to water and sewage systems in certain counties.**

9 A. Amelia, Botetourt, Campbell, Cumberland, Franklin, Halifax, and Nelson Counties may require
10 connection to their water and sewage systems by owners of property that may be served by such
11 systems; however, those persons having a domestic supply or source of potable water and a system for
12 the disposal of sewage adequate to prevent the contraction or spread of infectious, contagious, and
13 dangerous diseases shall not be required to discontinue use of the same, but may be required to pay a
14 connection fee, a front footage fee, and a monthly nonuser service charge that shall not be more than
15 that proportion of a minimum monthly user charge as debt service compares to the total operating and
16 debt service costs.

17 B. Bland County, Goochland County, *Powhatan County*, Rockingham County, *Smyth County*, and
18 Wythe County may require connection to their water and sewer systems by owners of property that can
19 be served by the systems if the property, at the time of installation of such public system, or at a future
20 time, does not have a then-existing, correctable, or replaceable domestic supply or source of potable
21 water and a then-existing, correctable, or replaceable system for the disposal of sewage adequate to
22 prevent the contraction or spread of infectious, contagious, and dangerous diseases. Such ~~counties~~ county
23 may not charge a fee for connection to its water and sewer systems until such time as connection is
24 required. However, Bland County, *Smyth County*, and Wythe County, in assuming the obligations of a
25 public service authority, may assume such obligations under the same terms and conditions as applicable
26 to the public service authority.

27 The provisions of this subsection as they apply to Goochland County shall become effective on July
28 1, 2002.

29 C. Buckingham County may require connection to its water and sewer systems by owners of
30 property that can be served by the systems if the property, at the time of installation of such public
31 system, or at a future time, does not have a then-existing or correctable domestic supply or source of
32 potable water and a then-existing or correctable system for the disposal of sewage adequate to prevent
33 the contraction or spread of infectious, contagious, and dangerous diseases. Such county may not charge
34 a fee for connection to its water and sewer systems until such time as connection is required.
