10 A. For purposes of this section:

11 "Historical African American cemetery" means a cemetery that was established prior to January 1,

17 B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual
18 warrant upon the State Treasurer from any sum that may be provided in the general appropriation act in
19 favor of the treasurer of a qualified charitable organization caring for any cemetery set forth in this
20 subsection. Such appropriations shall be allocated on the basis of the number of graves, monuments, and
21 markers in a cemetery of African Americans who lived at any time between January 1, 1800, and
22 January 1, 1900, the dates to be determined by reference to grave markers or, at the discretion of the
23 Director, other historical records. Such number of graves, monuments, and markers, as set forth opposite
24 the cemetery name or as documented by the qualified charitable organization, shall be multiplied by the
25 rate of \$5 or the average actual cost of routine maintenance of a grave, monument, or marker,
26 whichever is greater, to determine the amount of the allocation. The Department shall determine the
27 average actual cost of routine maintenance of a grave, monument, or marker in a biennial survey of at
28 least four properly maintained cemeteries, each located in a different geographical region of the
29 Commonwealth.
