

## 1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 2.2-1156 of the Code of Virginia, relating to the Department of General*  
3 *Services; lease of surplus property.*

[H 543]

Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 2.2-1156 of the Code of Virginia is amended and reenacted as follows:**8 **§ 2.2-1156. Sale or lease of surplus property and excess building space.**

9 The Department shall identify real property assets that are surplus to the current and reasonably  
10 anticipated future needs of the Commonwealth and may dispose of surplus assets as provided in this  
11 section, except when a department, agency or institution notifies the Department of a need for property  
12 which has been declared surplus, and the Department finds that stated need to be valid and best satisfied  
13 by the use of the property.

14 A. After it determines the property to be surplus to the needs of the Commonwealth and that such  
15 property should be sold, the Department shall request the written opinion of the Secretary of Natural  
16 Resources as to whether the property is a significant component of the Commonwealth's natural or  
17 historic resources, and if so how those resources should be protected in the sale of the property. The  
18 Secretary of Natural Resources shall provide this review within 15 business days of receipt of full  
19 information from the Department. Within 120 days of receipt of the Secretary's review, the Department  
20 shall, with the prior written approval of the Governor, proceed to sell the property.

21 B. The sale shall be by public auction, or sealed bids, or by marketing through one or more real  
22 estate brokers licensed by the Commonwealth. Notice of the date, time and place of sale, if by public  
23 auction or sealed bids shall be given by advertisement in at least two newspapers published and having  
24 general circulation in the Commonwealth, at least one of which shall have general circulation in the  
25 county or city in which the property to be sold is located. At least thirty days shall elapse between  
26 publication of the notice and the auction or the date on which sealed bids will be opened.

27 C. In instances where the appraised value of property proposed to be sold is determined to be a  
28 nominal amount or an amount insufficient to warrant statewide advertisement, but in no event in excess  
29 of \$250,000, the notice of sale may be placed in only one newspaper having general circulation in the  
30 county or city in which the property to be sold is located.

31 D. The Department may reject any and all bids or offers when, in the opinion of the Department, the  
32 price is inadequate in relation to the value of the property, the proposed terms are unacceptable, or if a  
33 need has been found for the property.

34 E. In lieu of the sale of any such property, or in the event the Department determines there is space  
35 within a building owned by the Commonwealth or any space leased by the Commonwealth in excess of  
36 current and reasonably anticipated needs, the Department may, with the approval of the Governor, lease  
37 or sublease such property or space to any responsible person, firm or corporation on such terms as shall  
38 be approved by the Governor; provided, however *that* the authority herein to sublease space leased by  
39 the Commonwealth shall be subject to the terms of the original lease. *The Department may with the*  
40 *approval of the Governor permit charitable organizations exempt from taxation under § 501(c)(3) of the*  
41 *Internal Revenue Code that provide addiction recovery services to lease or sublease such property or*  
42 *space at cost and on such terms as shall be approved by the Governor, provided such use is deemed*  
43 *appropriate.*

44 The Department shall post reports from the Commonwealth's statewide electronic procurement  
45 system, known as eVA, on the Department's website. The report shall include, at a minimum, current  
46 leasing opportunities and sales of surplus real property posted on the eVA's Virginia Business  
47 Opportunities website. Such reports shall also be made available by electronic subscription. The  
48 provisions of this section requiring disposition of property through the medium of sealed bids, public  
49 auction, or marketing through licensed real estate brokers shall not apply to any lease thereof, although  
50 such procedures may be followed in the discretion of the Department.

51 F. The deed, lease, or sublease conveying the property or excess space shall be executed in the name  
52 of the Commonwealth and shall be in a form approved by the Attorney General. Notwithstanding any  
53 law to the contrary and notwithstanding how title to the property was acquired, the deed or lease may be  
54 executed on behalf of the Commonwealth by the Director of the Department or his designee, and such  
55 action shall not create a cloud on the title to the property. The terms of the sale, lease, or sublease shall  
56 be subject to the written approval of the Governor.

57 G. An exception to sale by sealed bids, public auction, or listing the property with a licensed real  
58 estate broker may be granted by the Governor if the property is landlocked and inaccessible from a  
59 public road or highway. In such cases, the Department shall notify all adjacent landowners of the  
60 Commonwealth's desire to dispose of the property. After the notice has been given, the Department may  
61 begin negotiations for the sale of the property with each interested adjacent landowner. The Department,  
62 with the approval of the Governor, may accept any offer which it deems to be fair and adequate  
63 consideration for the property. In all cases, the offer shall be the best offer made by any adjacent  
64 landowner. The terms of all negotiations shall be public information.

65 H. Subject to any law to the contrary, 50 percent of the proceeds from all sales or leases, or from  
66 the conveyance of any interest in property under the provisions of this article, above the costs of the  
67 transaction, which costs shall include fees or commissions, if any, negotiated with and paid to  
68 auctioneers or real estate brokers, shall be paid into the State Park Acquisition and Development Fund,  
69 so long as the sales or leases pertain to general fund agencies or the property involved was originally  
70 acquired through the general fund, except as provided in Chapter 180 of the Acts of Assembly of 1966.  
71 The remaining 50 percent of proceeds involving general fund sales or leases, less a pro rata share of any  
72 costs of the transactions, shall be deposited in the general fund of the state treasury. The Department of  
73 Planning and Budget shall develop guidelines which allow, with the approval of the Governor, any  
74 portion of the deposit in the general fund to be credited to the agency, department or institution having  
75 control of the property at the time it was determined surplus to the Commonwealth's needs. Any  
76 amounts so credited to an agency, department or institution may be used, upon appropriation, to  
77 supplement maintenance reserve funds or capital project appropriations, or for the acquisition,  
78 construction or improvement of real property or facilities. Net proceeds from sales or leases of special  
79 fund agency properties or property acquired through a gift for a specific purpose shall be retained by the  
80 agency or used in accordance with the original terms of the gift. Notwithstanding the foregoing, income  
81 from leases or subleases above the cost of the transaction shall first be applied to rent under the original  
82 lease and to the cost of maintenance and operation of the property. The remaining funds shall be  
83 distributed as provided herein.

84 I. When the Department deems it to be in the best interests of the Commonwealth, it may, with the  
85 approval of the Governor, authorize the department, institution or agency in possession or control of the  
86 property to dispose of surplus property in accordance with the procedures set forth in this section.
