HOUSE RESOLUTION NO. 83

Offered February 19, 2018

Commending Tracey Krupski, M.D.

Patron—Austin

WHEREAS, Tracey Krupski, M.D., an outstanding medical professional who ably upholds the Hippocratic Oath, has touched many lives through her work in the Urology Department of the University of Virginia Medical Center; and

WHEREAS, Dr. Krupski holds a degree from Virginia Commonwealth University and completed her residency at the University of Virginia, as well as a three-year fellowship at the University of California, Los Angeles, where she obtained a Master of Public Health with a focus on health services research; and

WHEREAS, Dr. Krupski is trained in the oncologic principles surrounding radical cystectomy and performs the procedure using a robotic-assisted technique; her clinical practice extends to the treatment of bladder cancer, kidney cancer, prostate cancer, testicular cancer, and many other conditions; and

WHEREAS, in 2005, Dr. Krupski became an American Foundation for Urologic Disease Health Policy Scholar, adding to her expertise in health-related quality of life research; and

WHEREAS, in 2017, Dr. Krupski's quick and decisive actions played an integral role in saving the life of the Honorable Terry L. Austin by eliminating his bladder cancer; her selfless and attentive service went above and beyond the normal requirements of surgical procedures; now, therefore, be it

RESOLVED by the House of Delegates, That Tracey Krupski, M.D., hereby be commended for her exceptional work at the University of Virginia Medical Center; and, be it

RESOLVED FURTHER, That the Clerk of the House of Delegates prepare a copy of this resolution for presentation to Tracey Krupski, M.D., as an expression of the House of Delegates' gratitude and admiration for her commitment to and care for her patients.
