If the owner notifies the locality in writing within the 30-day period that additional time to complete the corrective action is needed, the locality shall allow such owner an extension for an additional 30-day period to take such corrective action.

60 c. If no corrective action is undertaken during such 30-day period, *or during the extension if such*  
61 *extension is granted by the locality*, the locality shall send by ~~regular~~ certified mail, return receipt

63 subdivision *b*, stating (i) the date on which the locality may commence corrective action to abate the  
64 ~~drug criminal~~ blight on the property or (ii) *the date on which the locality may commence legal action in*  
65 *a court of competent jurisdiction to obtain a court order to require that the owner take such corrective*  
66 *action or, if the owner does not take corrective action, a court order to revoke the certificate of*  
67 *occupancy for such property*, which date shall be no earlier than 15 days after the date of mailing of the  
68 notice. Such additional notice shall also reasonably describe the corrective action contemplated to be  
69 taken by the locality. Upon receipt of such notice, the owner shall have a right, upon reasonable notice  
70 to the locality, to seek ~~equitable~~ judicial relief, and the locality shall initiate no corrective action while a  
71 proper petition for relief is pending before a court of competent jurisdiction.

72 2. *If (i) the owner of the real property subject to this section operates such property as a hotel or*  
73 *motel, or other transient lodging for less than 90 days, as referenced in § 55-248.3:1; (ii) such property*

80 3. If the locality undertakes corrective action with respect to the property after complying with the  
81 provisions of subdivision ~~B~~ 1, the costs and expenses thereof shall be chargeable to and paid by the  
82 owner of such property and may be collected by the locality as taxes are collected.

83 3. 4. Every charge authorized by this section with which the owner of any such property has been  
84 assessed and ~~which~~ *that* remains unpaid shall constitute a lien against such property with the same  
85 priority as liens for unpaid local real estate taxes and enforceable in the same manner as provided in  
86 Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1.

87 5. *A criminal blight proceeding pursuant to this section shall be a civil proceeding in a court of*  
88 *competent jurisdiction in the Commonwealth.*

89 C. If the owner of ~~such~~ real property takes timely corrective action pursuant to ~~such~~ the provisions  
90 of a local ordinance, the locality shall deem the ~~drug criminal~~ blight abated, shall close the proceeding  
91 without any charge or cost to the owner, and shall promptly provide written notice to the owner that the  
92 proceeding has been terminated satisfactorily. The closing of a proceeding shall not bar the locality from  
93 initiating a subsequent proceeding if the ~~drug criminal~~ blight recurs.

94 D. Nothing in this section shall be construed to abridge, *diminish, limit, or waive* any rights or  
95 remedies of an owner of property at law ~~or in equity~~ *or any permits or nonconforming rights the owner*  
96 *may have under Chapter 22 (§ 15.2-2200 et seq.) or under a local ordinance. If an owner in good faith*  
97 *takes corrective action, and despite having taken such action, the specific criminal blight identified in*  
98 *the affidavit of the locality persists, such owner shall be deemed in compliance with this section.*  
99 *Further, if a tenant in a rental dwelling unit, or a tenant on a manufactured home lot, is the cause of*  
100 *criminal blight on such property and the owner in good faith initiates legal action and pursues the same*  
101 *by requesting a final order by a court of competent jurisdiction, as otherwise authorized by this Code,*  
102 *against such tenant to remedy such noncompliance or to terminate the tenancy, such owner shall be*  
103 *deemed in compliance with this section.*

104 **§ 36-105. Enforcement of Code; appeals from decisions of local department; inspection of**  
105 **buildings; inspection warrants; inspection of elevators; issuance of permits.**

106 A. Enforcement generally. Enforcement of the provisions of the Building Code for construction and  
107 rehabilitation shall be the responsibility of the local building department. There shall be established  
108 within each local building department a local board of Building Code appeals whose composition, duties  
109 and responsibilities shall be prescribed in the Building Code. Any person aggrieved by the local building  
110 department's application of the Building Code or refusal to grant a modification to the provisions of the  
111 Building Code may appeal to the local board of Building Code appeals. No appeal to the State Building  
112 Code Technical Review Board shall lie prior to a final determination by the local board of Building  
113 Code appeals. Whenever a county or a municipality does not have such a building department or board  
114 of Building Code appeals, the local governing body shall enter into an agreement with the local  
115 governing body of another county or municipality or with some other agency, or a state agency  
116 approved by the Department for such enforcement and appeals resulting therefrom. For the purposes of  
117 this section, towns with a population of less than 3,500 may elect to administer and enforce the Building  
118 Code; however, where the town does not elect to administer and enforce the Building Code, the county  
119 in which the town is situated shall administer and enforce the Building Code for the town. In the event  
120 such town is situated in two or more counties, those counties shall administer and enforce the Building  
121 Code for that portion of the town situated within their respective boundaries.

B. New construction. Any building or structure may be inspected at any time before completion, and shall not be deemed in compliance until approved by the inspecting authority. Where the construction cost is less than \$2,500, however, the inspection may, in the discretion of the inspecting authority, be waived. A building official may issue an annual permit for any construction regulated by the Building Code. The building official shall coordinate all reports of inspections for compliance with the Building Code, with inspections of fire and health officials delegated such authority, prior to issuance of an occupancy permit. Fees may be levied by the local governing body in order to defray the cost of such enforcement and appeals.

C. Existing buildings and structures.

1. Inspections and enforcement of the Building Code. The local governing body may also inspect and enforce the provisions of the Building Code for existing buildings and structures, whether occupied or not. Such inspection and enforcement shall be carried out by an agency or department designated by the local governing body.

2. Complaints by tenants. However, upon a finding by the local building department, following a complaint by a tenant of a residential dwelling unit that is the subject of such complaint, that there may be a violation of the unsafe structures provisions of the Building Code, the local building department shall enforce such provisions.

3. Inspection warrants.

a. If the local building department receives a complaint that a violation of the Building Code exists that is an immediate and imminent threat to the health or safety of the owner, tenant, or occupants of any building or structure, or the owner, occupant, or tenant of any nearby building or structure, and the owner, occupant, or tenant of the building or structure that is the subject of the complaint has refused to allow the local building official or his agent to have access to the subject building or structure, the local building official or his agent may make an affidavit under oath before a magistrate or a court of competent jurisdiction and request that the magistrate or court grant the local building official or his agent an inspection warrant to enable the building official or his agent to enter the subject building or structure for the purpose of determining whether violations of the Building Code exist. After issuing a warrant under this ~~section~~ *subdivision*, the magistrate or judge shall file the affidavit in the manner prescribed by § 19.2-54. After executing the warrant, the local building official or his agents shall return the warrant to the clerk of the circuit court of the city or county wherein the inspection was made. The local building official or his agent shall make a reasonable effort to obtain consent from the owner, occupant, or tenant of the subject building or structure prior to seeking the issuance of an inspection warrant under this ~~section~~ *subdivision*.

b. *If the owner of a hotel or motel, or other transient lodging for less than 90 days, as referenced in § 55-248.3:1, has failed to take any corrective action to abate criminal blight within the 30-day period in subdivision B 1 b of § 15.2-907, a local law-enforcement official may make an affidavit under oath before a magistrate or court of competent jurisdiction and request that the magistrate or court grant the local law-enforcement official an inspection warrant to enable the local law-enforcement official to obtain a copy of the guest registry. After issuing a warrant under this subdivision, the magistrate or judge shall file the affidavit in the manner prescribed by § 19.2-54. After executing the warrant, the local law-enforcement official shall return the warrant to the clerk of the circuit court of the county or city wherein the inspection was made. The local law-enforcement official shall make a reasonable effort to obtain consent from the owner, occupant, or tenant of the building or structure prior to seeking the issuance of an inspection warrant under this subdivision.*

4. Transfer of ownership. If the local building department has initiated an enforcement action against the owner of a building or structure and such owner subsequently transfers the ownership of the building or structure to an entity in which the owner holds an ownership interest greater than 50 percent, the pending enforcement action shall continue to be enforced against the owner.

5. Elevator, escalator, or related conveyance inspections. The local governing body shall, however, inspect and enforce the Building Code for elevators, escalators, or related conveyances, except for elevators in single- and two-family homes and townhouses. Such inspection shall be carried out by an agency or department designated by the local governing body.

6. A locality may require by ordinance that any landmark, building or structure that contributes to a district delineated pursuant to § 15.2-2306 shall not be razed, demolished or moved until the razing, demolition or moving thereof is approved by the review board, or, on appeal, by the governing body after consultation with the review board unless the local maintenance code official consistent with the Uniform Statewide Building Code, Part III Maintenance, determines that it constitutes such a hazard that it shall be razed, demolished or moved.

For the purpose of this subdivision, a contributing landmark, building or structure is one that adds to or is consistent with the historic or architectural qualities, historic associations, or values for which the district was established pursuant to § 15.2-2306, because it (i) was present during the period of

183 significance, (ii) relates to the documented significance of the district, and (iii) possesses historic  
184 integrity or is capable of yielding important information about the period.

185 7. Fees may be levied by the local governing body in order to defray the cost of such enforcement  
186 and appeals. For purposes of this section, "defray the cost" may include the fair and reasonable costs  
187 incurred for such enforcement during normal business hours, but shall not include overtime costs unless  
188 conducted outside of the normal working hours established by the locality. A schedule of such costs  
189 shall be adopted by the local governing body in a local ordinance. A locality shall not charge an  
190 overtime rate for inspections conducted during the normal business hours established by the locality.  
191 Nothing herein shall be construed to prohibit a private entity from conducting such inspections, provided  
192 the private entity has been approved to perform such inspections in accordance with the written policy  
193 of the maintenance code official for the locality.

194 D. Fees may be levied by the local governing body to be paid by the applicant for the issuance of a  
195 building permit as otherwise provided under this chapter, however, notwithstanding any provision of  
196 law, general or special, if the applicant for a building permit is a tenant or the owner of an easement on  
197 the owner's property, such applicant shall not be denied a permit under the Building Code solely upon  
198 the basis that the property owner has financial obligations to the locality that constitute a lien on such  
199 property in favor of the locality. If such applicant is the property owner, in addition to payment of the  
200 fees for issuance of a building permit, the locality may require full payment of any and all financial  
201 obligations of the property owner to the locality to satisfy such lien prior to issuance of such permit. For  
202 purposes of this subsection, "property owner" means the owner of such property as reflected in the land  
203 records of the circuit court clerk where the property is located, the owner's agent, or any entity in which  
204 the owner holds an ownership interest greater than 50 percent.
