66 documented in writing by the responsible public entity; and

67 b. Information provided by a private entity to a responsible public entity, affected jurisdiction, or

305 schools of public institutions of higher education where such evaluation will necessarily involve  
306 discussion of the performance of specific individuals. Any teacher shall be permitted to be present  
307 during a closed meeting in which there is a discussion or consideration of a disciplinary matter that  
308 involves the teacher and some student and the student involved in the matter is present, provided the  
309 teacher makes a written request to be present to the presiding officer of the appropriate board. Nothing  
310 in this subdivision, however, shall be construed to authorize a closed meeting by a local governing body  
311 or an elected school board to discuss compensation matters that affect the membership of such body or  
312 board collectively.

333 litigation" means litigation that has been specifically threatened or on which the public body or its legal  
334 counsel has a reasonable basis to believe will be commenced by or against a known party. Nothing in

336 representing the public body is in attendance or is consulted on a matter.

337 8. Consultation with legal counsel employed or retained by a public body regarding specific legal  
338 matters requiring the provision of legal advice by such counsel. Nothing in this subdivision shall be

340 in attendance or is consulted on a matter.

341 9. Discussion or consideration by governing boards of public institutions of higher education of  
342 matters relating to gifts, bequests and fund-raising activities, and of grants and contracts for services or  
343 work to be performed by such institution. However, the terms and conditions of any such gifts, bequests,  
344 grants, and contracts made by a foreign government, a foreign legal entity, or a foreign person and  
345 accepted by a public institution of higher education in the Commonwealth shall be subject to public  
346 disclosure upon written request to the appropriate board of visitors. For the purpose of this subdivision,  
347 (i) "foreign government" means any government other than the United States government or the  
348 government of a state or a political subdivision thereof, (ii) "foreign legal entity" means any legal entity  
349 (a) created under the laws of the United States or of any state thereof if a majority of the ownership of

351 membership of any such entity is composed of foreign persons or foreign legal entities or (b) created

366 body in open meeting finds that an open meeting will have an adverse effect upon the negotiating

position of the governing body or the establishment of the terms, conditions and provisions of the siting agreement, or both. All discussions with the applicant or its representatives may be conducted in a closed meeting.

15. Discussion by the Governor and any economic advisory board reviewing forecasts of economic activity and estimating general and nongeneral fund revenues.
