Patron—Barker

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1094 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1094. Occupants of front and rear seats of motor vehicles required to use safety lap belts and shoulder harnesses; penalty.

A. Any driver, and any other person at least 18 years of age and occupying the front seat or rear passenger seats, of a motor vehicle equipped or required by the provisions of this title to be equipped with a safety belt system, consisting of lap belts, shoulder harnesses, combinations thereof or similar devices, shall wear the appropriate safety belt system at all times while the motor vehicle is in motion on any public highway. A passenger under the age of 18 years, however, shall be protected as required by the provisions of Article 13 (§ 46.2-1095 et seq.) of this chapter.

For purposes of this section, "rear passenger seats" means those seats in a motor vehicle that are behind the front passenger seats and are designed to seat passengers. This term shall not include (i) the trunk of any passenger vehicle; (ii) the area behind the rear-most upright seat of a passenger van, station wagon, hatchback, sport utility vehicle, or any similar vehicle; (iii) the living quarters of a motor home; or (iv) the passenger area of any bus, taxi, TNC partner vehicle, or limousine while such vehicle is engaged in the transportation of persons for compensation.

B. This section shall not apply to:

1. Any person for whom a licensed physician determines that the use of such safety belt system would be impractical by reason of such person's physical condition or other medical reason, provided the person so exempted carries on his person or in the vehicle a signed written statement of the physician identifying the exempted person and stating the grounds for the exemption; or

2. Any law-enforcement officer transporting persons in custody or traveling in circumstances which render the wearing of such safety belt system impractical; or

3. Any person while driving a motor vehicle and performing the duties of a rural mail carrier for the United States Postal Service; or

4. Any person driving a motor vehicle and performing the duties of a rural newspaper route carrier, newspaper bundle hauler or newspaper rack carrier; or

6. Personnel of commercial or municipal vehicles while actually engaged in the collection or delivery of goods or services, including but not limited to solid waste, where such collection or delivery requires the personnel to exit and enter the cab of the vehicle with such frequency and regularity so as to render the use of safety belt systems impractical and the safety benefits derived therefrom insignificant. Such personnel shall resume the use of safety belt systems when actual collection or delivery has ceased or when the vehicle is in transit to or from a point of final disposition or disposal, including but not limited to solid waste facilities, terminals, or other location where the vehicle may be principally garaged; or

7. Any person driving a motor vehicle and performing the duties of a utility meter reader; or

8. Law-enforcement agency personnel driving motor vehicles to enforce laws governing motor vehicle parking.

C. Any person who violates this section shall be subject to a civil penalty of twenty-five dollars \$25 to be paid into the state treasury and credited to the Literary Fund. No assignment of demerit points shall be made under Article 19 (§ 46.2-489 et seq.) of Chapter 3 (§ 46.2-489 et seq.) of this title and no court costs shall be assessed for violations of this section.

D. A violation of this section shall not constitute negligence, be considered in mitigation of damages of whatever nature, be admissible in evidence or be the subject of comment by counsel in any action for the recovery of damages arising out of the operation, ownership, or maintenance of a motor vehicle, nor shall anything in this section change any existing law, rule, or procedure pertaining to any such civil action.
