**§ 24.2-114. Duties and powers of general registrar.**

In addition to the other duties required by this title, the general registrar, and the assistant registrars acting under his supervision, shall:

3. Perform his duties within the county or city he was appointed to serve, except that a registrar may (i) go into a county or city in the Commonwealth contiguous to his county or city to register voters of his county or city when conducting registration jointly with the registrar of the contiguous county or city or (ii) notwithstanding any other provision of law, participate in multijurisdictional staffing for voter registration offices, approved by the State Board, that are located at facilities of the Department of Motor Vehicles.

4. Provide the appropriate forms for applications to register and to obtain the information necessary to complete the applications pursuant to the provisions of the Constitution of Virginia and general law.

5. Indicate on the registration records for each accepted mail voter registration application form returned by mail pursuant to Article 3.1 (§ 24.2-416.1 et seq.) of Chapter 4 that the registrant has registered by mail. The general registrar shall fulfill this duty in accordance with the instructions of the State Board so that those persons who registered by mail are identified on the registration records, lists of registered voters furnished pursuant to § 24.2-405, lists of persons who voted furnished pursuant to § 24.2-406, and pollbooks used for the conduct of elections.

6. Accept a registration application or request for transfer or change of address submitted by or for a resident of any other county or city in the Commonwealth. Registrars shall process registration applications and requests for transfer or change of address from residents of other counties and cities in accordance with written instructions from the State Board and shall forward the completed application or request to the registrar of the applicant's residence. Notwithstanding the provisions of § 24.2-416, the registrar of the applicant's residence shall recognize as timely any application or request for transfer or change of address submitted to any person authorized to receive voter registration applications pursuant to Chapter 4 (§ 24.2-400 et seq.), prior to or on the final day of registration. The registrar of the applicant's residence shall determine the qualification of the applicant, including whether the applicant has ever been convicted of a felony, and if so, under what circumstances the applicant's right to vote has been restored, and promptly notify the applicant at the address shown on the application or request of the acceptance or denial of his registration or transfer. However, notification shall not be required when the registrar does not have an address for the applicant.

7. Preserve order at and in the vicinity of the place of registration. For this purpose, the registrar shall be vested with the powers of a conservator of the peace while engaged in the duties imposed by law. He may exclude from the place of registration persons whose presence disturbs the registration process. He may appoint special officers, not exceeding three in number, for a place of registration and may summon persons in the vicinity to assist whenever, in his judgment, it is necessary to preserve order. The general registrar and any assistant registrar shall be authorized to administer oaths for purposes of this title.

58 reason for denial in accordance with § 24.2-422.

59 10. Verify the accuracy of the pollbooks provided for each election by the State Board, make the

66 voter registration system of the proper district and precinct designations for each registered voter whose  
67 districts or precinct have changed and notify each affected voter of changes affecting his districts or  
68 polling place by mail.

69 14. Whenever any part of his county or city becomes part of another jurisdiction by annexation,  
70 merger, or other means, transfer to the appropriate general registrar the registration records of the  
71 affected registered voters. The general registrar for their new county or city shall notify them by mail of  
72 the transfer and their new election districts and polling places.

73 15. When he registers any person who was previously registered in another state, notify the  
74 appropriate authority in that state of the person's registration in Virginia by providing electronically,  
75 through the Department of Elections, the information contained in that person's registration application.

77 the United States at the same time, inquire about, or provide information from the voter's registration  
78 and voting records to any appropriate voter registration or other authority of another state or territory  
79 who inquires about, that person's registration and voting history. *Any inquiry pursuant to this subdivision*

86 elections for the locality in which he serves.

87 19. Attend an annual training program provided by the State Board. A general registrar may  
88 designate one member of his staff to attend such training program if he is unable to attend because of a
