4. Title: Sale of dog or cat not obtained from releasing agency or animal rescue; prohibition.

5. Summary: This bill authorizes localities to adopt ordinances prohibiting the sale in a pet shop of any dog or cat that was not obtained from a Virginia releasing agency or a nonprofit animal rescue organization. The bill provides that a violation of the ordinance shall be a Class 1 misdemeanor.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary.

8. Fiscal Implications: It is anticipated that this bill will not result in a fiscal impact to the Department of Agriculture and Consumer Services. Violation of the provisions in the bill result in a charge of a Class 1 misdemeanor. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Ultimately, the presiding judge will decide if there is to be any time served in jail; however, any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2017), the estimated total state support for local jails averaged \$34.58 per inmate, per day in FY 2016.

9. Specific Agency or Political Subdivisions Affected: Department of Agriculture and Consumer Services; local prisons and jails; courts.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is the companion to SB217.
