**4. Title:** Grow Your Own Teacher Pilot Programs and Fund.

**5. Summary:** Establishes the Grow Your Own Teacher Pilot Programs Fund (Fund) and permits the Department of Education to award grants from such fund to local school boards to establish Grow Your Own Teacher Pilot Programs whereby the local school board provides scholarships not to exceed \$7,500 per academic year for attendance at a baccalaureate institution of higher education in the Commonwealth to any individual who (i) graduated from a public high school in the local school division; (ii) was eligible for free or reduced price lunch throughout the individual's attendance at a public high school in the local school division; and (iii) commits to teach, within three years of graduating from the baccalaureate institution of higher education in the Commonwealth and for a period of at least four years, in the school division at a public high school at which at least 50 percent of students qualify for free or reduced price lunch. The bill provides that in the event that any program scholarship recipient fails or refuses to comply with such teaching obligation, the sum of all scholarship funds received by such individual shall be converted to a loan that is subject to repayment with interest. The provisions of this bill will expire on July 1, 2023.

**6. Budget Amendment Necessary:** Yes, Item 133 and Item 135.

**7. Fiscal Impact Estimates:** Preliminary. See Item 8.

**8. Fiscal Implications:** The additional state cost for the Grown Your Own Teacher Pilot Program cannot be determined, as any cost is dependent on the amount of funding appropriated by the General Assembly into the Fund.

The Department of Education (DOE) would use existing staff to perform the requirements outlined in § 22.1-318.5.A of this legislation. If the pilot program is funded, DOE will require a full-time-equivalent program manager position to properly administer this program. DOE estimates an annual cost of \$127,200 for salary, benefits, and other expenses to support this position.

**9. Specific Agency or Political Subdivisions Affected:** Department of Education, local school divisions
