

## **Department of Planning and Budget**

### **2018 Fiscal Impact Statement**

**1. Bill Number:** HB 854ER

<b>House of Origin</b>	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
<b>Second House</b>	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input checked="" type="checkbox"/> Enrolled

**2. Patron:** Peace

**3. Committee:** Passed both Houses.

**4. Title:** Practice of polysomnographic technology; licensure; students or trainees.

**5. Summary:** Provides that a student enrolled in an educational program in polysomnographic technology or a person engaged in a traineeship does not require a license to practice polysomnographic technology, provided that such student or trainee is under the direct supervision of a licensed polysomnographic technologist or a licensed doctor of medicine or osteopathic medicine. The bill requires any such student or trainee to be identified to patients as a student or trainee in polysomnographic technology. The bill also provides that any such student or trainee is required to have a license to practice after 18 months from the start of the educational program or traineeship or six months from the conclusion of such program or traineeship, whichever is earlier.

**6. Budget Amendment Necessary:** No.

**7. No Fiscal Impact.**

**8. Fiscal Implications:** This bill would not have a fiscal impact on the Commonwealth.

**9. Specific Agency or Political Subdivisions Affected:** None.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
