4. Title: Report on asset forfeitures

5. Summary:

The Department of Criminal Justice Services (DCJS) manages the state program for sharing asset forfeitures related to criminal cases involving illegal drugs. The agency is required by state law to report annually on all assets forfeited to the Commonwealth, including both those assets distributed through the program it manages and those distributed to the Literary Fund. The proposed legislation would require state and local agencies that receives any forfeited asset or equitable share of a forfeited asset, including any distribution from a federal asset forfeiture proceeding, to inform DCJS of (i) the offense on which the forfeiture is based (ii) any criminal charge brought against the owner of the asset, and (iii) if a criminal charge was brought against the owner, the status of that charge. The legislation would require that DCJS include such information in the annual report.
