19101624D
HOUSE BILL NO. 1775
Offered January 9, 2019
Prefiled December 26, 2018
A BILL to amend and reenact § 63.2-1605 of the Code of Virginia, relating to protective services for
adults by local departments of social services; multidisciplinary teams.
Patron—Mullin
Referred to Committee on Health, Welfare and Institutions
Poit aposted by the Conoral Assembly of Virginia
Be it enacted by the General Assembly of Virginia: 1. That § 63.2-1605 of the Code of Virginia is amended and reenacted as follows:
§ 63.2-1605. Protective services for adults by local departments.
A. Each local board, to the extent that federal or state matching funds are made available to each
locality, shall provide, pursuant to regulations and subject to supervision of the Commissioner for Aging
and Rehabilitative Services, adult protective services for adults who are found to be abused, neglected,
or exploited and who meet one of the following criteria: (i) the adult is 60 years of age or older or (ii)
the adult is 18 years of age or older and is incapacitated. The requirement to provide such services shall
not limit the right of any individual to refuse to accept any of the services so offered, except as
provided in § 63.2-1608.
B. Upon receipt of the report pursuant to § 63.2-1606, the local department shall determine the
validity of such report and shall initiate an investigation within 24 hours of the time the report is
received in the local department. Local departments shall consider valid any report meeting all of the
following criteria: (i) the subject of the report is an adult as defined in this article, (ii) the report
concerns a specific adult and there is enough information to locate the adult, and (iii) the report
describes the circumstances of the alleged abuse, neglect, or exploitation.
C. The local department or the adult protective services hotline shall immediately refer the matter and all relevant documentation to the local law-enforcement agency where the adult resides or where the
alleged abuse, neglect, or exploitation took place or, if these places are unknown, where the alleged
abuse, neglect, or exploitation took place of, if these places are unknown, where the aneged abuse, neglect, or exploitation was discovered for investigation, upon receipt of an initial report pursuant
to § 63.2-1606 involving any of the following or upon determining, during the course of an investigation
pursuant to this article, the occurrence of any of the following:
1. Sexual abuse as defined in § 18.2-67.10;
2. Death that is believed to be the result of abuse or neglect;
3. Serious bodily injury or disease as defined in § 18.2-369 that is believed to be the result of abuse
or neglect;
4. Suspected financial exploitation of an adult; or
5. Any other criminal activity involving abuse or neglect that places the adult in imminent danger of
death or serious bodily harm.
Local law-enforcement agencies shall provide local departments and the adult protective services hotline with a preferred point of contact for referrals.
D. The local department shall refer any appropriate matter and all relevant documentation, to the
appropriate licensing, regulatory, or legal authority for administrative action or criminal investigation.
E. If a local department is denied access to an adult for whom there is reason to suspect the need for
adult protective services, then the local department may petition the circuit court for an order allowing
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person,
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry.
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse,
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive or medical power of attorney, or by a person authorized, pursuant to § 54.1-2986. In the event no agent
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive or medical power of attorney, or by a person authorized, pursuant to § 54.1-2986. In the event no agent or authorized representative is immediately available, then consent shall be deemed to be given.
access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry. F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive or medical power of attorney, or by a person authorized, pursuant to § 54.1-2986. In the event no agent

59 incarcerated in state correctional facilities.

I. The report and evidence received by the local department and any written findings, evaluations,
records, and recommended actions shall be confidential and shall be exempt from disclosure
requirements of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), except that such
information may be disclosed to persons having a legitimate interest in the matter in accordance with
§ 63.2-102 and 63.2-104 and pursuant to official interagency agreements or memoranda of
understanding between state agencies.

J. All written findings and actions of the local department or its director regarding adult protective
services investigations are final and shall not be (i) appealable to the Commissioner for Aging and
Rehabilitative Services or (ii) considered a final agency action for purposes of judicial review pursuant
to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

K. Local departments shall foster, when practicable, the creation, maintenance, and coordination of 70 hospital and community-based multidisciplinary teams that shall include where possible, but not be 71 limited to, members of the medical, mental health, social work, nursing, education, legal, and 72 law-enforcement professions. Such teams shall assist the local departments in identifying abused and 73 74 exploited adults; coordinating medical, social, and legal services for abused and exploited adults and their families; developing innovative programs for detection and prevention of the abuse and 75 exploitation of adults; promoting community concern and action in the area of adult abuse and 76 77 exploitation; and disseminating information to the general public with respect to the problem of adult 78 abuse and exploitation and the facilities and prevention and treatment methods available to combat 79 adult abuse and exploitation. Multidisciplinary teams may develop agreements regarding the exchange of information among the parties for the purposes of the investigation and disposition of complaints of 80 adult abuse and exploitation, delivery of services, and protection for abused or exploited adults. Any information exchanged in accordance with such agreement shall not be considered to be a violation of 81 82 83 any provisions of this title. The local department shall also coordinate its efforts in the provision of these services for abused and neglected adults with the judge and staff of the court. 84
