Patrons—Webert and Kory

Referred to Committee on Agriculture, Chesapeake and Natural Resources

Be it enacted by the General Assembly of Virginia:

1. That § 3.2-6540 of the Code of Virginia is amended and reenacted as follows:

§ 3.2-6540. Control of dangerous dogs; penalties.

A. As used in this section, "dangerous dog" means:

1. A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a companion animal that is a dog or cat or killed a companion animal that is a dog or cat. A canine or canine crossbreed is not a dangerous dog if, upon investigation, a law-enforcement officer or animal control officer finds that (i) no serious physical injury, as determined by a licensed veterinarian, has occurred to the dog or cat as a result of the attack or bite; (ii) both animals are owned by the same person; or (iii) such attack occurred on the property of the attacking or biting dog's owner or custodian; or

2. A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a person. A canine or canine crossbreed is not a dangerous dog if, upon investigation, a law-enforcement officer or animal control officer finds that the injury inflicted by the canine or canine crossbreed upon a person consists solely of a single nip or bite resulting only in a scratch, abrasion, or other minor injury.

B. No dog shall be found to be a dangerous dog as a result of biting, attacking, or inflicting injury on a dog or cat while engaged with an owner or custodian as part of lawful hunting or participating in an organized, lawful dog handling event. No dog shall be found to be a dangerous dog if the court determines, based on the totality of the evidence before it, or for other good cause, that the dog is not dangerous or a threat to the community.

C. Any law-enforcement officer or animal control officer who has reason to believe that a canine or canine crossbreed within his jurisdiction is a dangerous dog may apply to a magistrate serving the jurisdiction for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. If a law-enforcement officer successfully makes an application for the issuance of a summons, he shall contact the local animal control officer and inform him of the location of the dog and the relevant facts pertaining to his belief that the dog is dangerous. The animal control officer shall confine the animal until such time as evidence shall be heard and a verdict rendered. If the animal control officer determines that the owner or custodian can confine the animal in a manner that protects the public safety, he may permit the owner or custodian to confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian, or harbinger of the animal to produce the animal.

If, after hearing the evidence, the court finds that the animal is a dangerous dog, the court shall order the animal's owner to comply with the provisions of this section. The court, upon finding the animal to be a dangerous dog, may order the owner, custodian, or harbinger thereof to pay restitution for actual damages to any person injured by the animal or whose companion animal was injured or killed by the animal. The court, in its discretion, may also order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous dog from the time the animal is taken into custody until such time as the animal is disposed of or returned to the owner. The procedure for appeal and trial shall be the same as provided by law for misdemeanors. Trial by jury shall be as provided in Article 4 (§ 19.2-260 et seq.) of Chapter 15 of Title 19.2. The Commonwealth shall be required to prove its case beyond a reasonable doubt.

D. No canine or canine crossbreed shall be found to be a dangerous dog solely because it is a particular breed, nor is the ownership of a particular breed of canine or canine crossbreed prohibited.

E. No animal shall be found to be a dangerous dog if the threat, injury, or damage was sustained by a person who was (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian; (ii) committing, at the time, a willful trespass upon the premises occupied by the animal's owner or custodian; or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog that was engaged in the performance of its duties as such at the time of the acts complained of

59 shall be found to be a dangerous dog. No animal that, at the time of the acts complained of, was
60 responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or
61 custodian's property, shall be found to be a dangerous dog.

62 F. If the owner of an animal found to be a dangerous dog is a minor, the custodial parent or legal
63 guardian shall be responsible for complying with all requirements of this section.

64 G. The owner of any animal found to be a dangerous dog shall, within 30 days of such finding,
65 obtain a dangerous dog registration certificate from the local animal control officer or treasurer for a fee
66 of \$150, in addition to other fees that may be authorized by law. The local animal control officer or
67 treasurer shall also provide the owner with a uniformly designed tag that identifies the animal as a
68 dangerous dog. The owner shall affix the tag to the animal's collar and ensure that the animal wears the
69 collar and tag at all times. By January 31 of each year, until such time as the dangerous dog is
70 deceased, all certificates obtained pursuant to this subsection shall be updated and renewed for a fee of
71 \$85 and in the same manner as the initial certificate was obtained. The animal control officer shall post
72 registration information on the Virginia Dangerous Dog Registry.

73 H. All dangerous dog registration certificates or renewals thereof required to be obtained under this
74 section shall only be issued to persons 18 years of age or older who present satisfactory evidence (i) of
75 the animal's current rabies vaccination, if applicable; (ii) that the animal has been neutered or spayed;
76 and (iii) that the animal is and will be confined in a proper enclosure or is and will be confined inside
77 the owner's residence or is and will be muzzled and confined in the owner's fenced-in yard until the
78 proper enclosure is constructed. In addition, owners who apply for certificates or renewals thereof under
79 this section shall not be issued a certificate or renewal thereof unless they present satisfactory evidence
80 that (a) their residence is and will continue to be posted with clearly visible signs warning both minors
81 and adults of the presence of a dangerous dog on the property and (b) the animal has been permanently
82 identified by means of electronic implantation. All certificates or renewals thereof required to be
83 obtained under this section shall only be issued to persons who present satisfactory evidence that the
84 owner has liability insurance coverage, to the value of at least \$100,000, that covers animal bites. The
85 owner may obtain and maintain a bond in surety, in lieu of liability insurance, to the value of at least
86 \$100,000.

87 I. While on the property of its owner, an animal found to be a dangerous dog shall be confined
88 indoors or in a securely enclosed and locked structure of sufficient height and design to prevent its
89 escape or direct contact with or entry by minors, adults, or other animals. While so confined within the
90 structure, the animal shall be provided for according to § 3.2-6503. When off its owner's property, an
91 animal found to be a dangerous dog shall be kept on a leash and muzzled in such a manner as not to
92 cause injury to the animal or interfere with the animal's vision or respiration, but so as to prevent it
93 from biting a person or another animal.

94 J. The owner shall cause the local animal control officer to be promptly notified of (i) the names,
95 addresses, and telephone numbers of all owners; (ii) all of the means necessary to locate the owner and
96 the dog at any time; (iii) any complaints or incidents of attack by the dog upon any person or cat or
97 dog; (iv) any claims made or lawsuits brought as a result of any attack; (v) chip identification
98 information; (vi) proof of insurance or surety bond; and (vii) the death of the dog.

99 K. After an animal has been found to be a dangerous dog, the animal's owner shall immediately,
100 upon learning of same, cause the local animal control authority to be notified if the animal (i) is loose
101 or unconfined; (ii) bites a person or attacks another animal; or (iii) is sold, is given away, or dies. Any
102 owner of a dangerous dog who relocates to a new address shall, within 10 days of relocating, provide
103 written notice to the appropriate local animal control authority for the old address from which the
104 animal has moved and the new address to which the animal has been moved.

105 L. Any owner or custodian of a canine or canine crossbreed or other animal is guilty of a:

106 1. Class 2 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog
107 pursuant to this section, when such declaration arose out of a separate and distinct incident, attacks and
108 injures or kills a cat or dog that is a companion animal belonging to another person;

109 2. Class 1 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog
110 pursuant to this section, when such declaration arose out of a separate and distinct incident, bites a
111 human being or attacks a human being causing bodily injury; or

112 3. Class 6 felony if any owner or custodian whose willful act or omission in the care, control, or
113 containment of a canine, canine crossbreed, or other animal is so gross, wanton, and culpable as to show
114 a reckless disregard for human life, and is the proximate cause of such dog or other animal attacking
115 and causing serious bodily injury to any person.

116 The provisions of this subsection shall not apply to any animal that, at the time of the acts
117 complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a
118 person, or its owner's or custodian's property, or when the animal is a police dog that is engaged in the
119 performance of its duties at the time of the attack.

120 M. The owner of any animal that has been found to be a dangerous dog who willfully fails to

121 comply with the requirements of this section is guilty of a Class 1 misdemeanor.

122 Whenever an owner or custodian of an animal found to be a dangerous dog is charged with a
 123 violation of this section, the animal control officer shall confine the dangerous dog until such time as
 124 evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the
 125 owner, custodian, or harbinger of the animal to produce the animal.

126 Upon conviction, the court may (i) ~~order the dangerous dog to be disposed of by a local governing~~
 127 ~~body pursuant to § 3.2-6562 or~~ (ii) grant the owner up to 30 days to comply with the requirements of
 128 this section, during which time the dangerous dog shall remain in the custody of the animal control
 129 officer until compliance has been verified; (ii) *order that the dangerous dog be removed to another state*
 130 *that does not border on the Commonwealth and be prohibited from returning to the Commonwealth; or*
 131 *(iii) order that the dangerous dog be transferred to another owner whom the court deems appropriate.*
 132 *If the court, in a written finding, determines that none of these options is appropriate, the court may*
 133 *order that the dangerous dog be disposed of by a local governing body pursuant to § 3.2-6562.*

134 If the court grants the owner time to comply with the requirements of this section and the owner
 135 fails to achieve compliance within the time specified by the court, the court shall order the dangerous
 136 dog to be disposed of by a local governing body pursuant to § 3.2-6562. The court, in its discretion,
 137 may order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous
 138 dog from the time the animal is taken into custody until such time that the animal is disposed of or
 139 returned to the owner. *Any dangerous dog that is ordered to be removed from the Commonwealth*
 140 *pursuant to this subsection but is later found in the Commonwealth shall be ordered by the court to be*
 141 *euthanized immediately.*

142 N. All fees collected pursuant to this section, less the costs incurred by the animal control authority
 143 in producing and distributing the certificates and tags required by this section and fees due to the State
 144 Veterinarian for maintenance of the Virginia Dangerous Dog Registry, shall be paid into a special
 145 dedicated fund in the treasury of the locality for the purpose of paying the expenses of any training
 146 course required under § 3.2-6556.

147 O. The governing body of any locality may enact an ordinance parallel to this statute regulating
 148 dangerous dogs. No locality may impose a felony penalty for violation of such ordinances.
