

19102703D

HOUSE BILL NO. 1930

Offered January 9, 2019

Prefiled January 5, 2019

A BILL to amend and reenact § 22.1-271.5 of the Code of Virginia, relating to concussions in student-athletes; guidelines, policies, and procedures.

Patrons—Bell, Richard P. and Keam

Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-271.5 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-271.5. Guidelines and policies and procedures on concussions in student-athletes.

A. The Board of Education shall develop, annually update, and distribute to each local school division guidelines on policies to inform and educate coaches, student-athletes, and their student-athletes' parents or guardians of the nature and risk of concussions, criteria for removal from and return to play, risks of not reporting the injury and continuing to play, and the effects of concussions on student-athletes' academic performance.

B. Each local school division shall develop and annually update policies and procedures regarding the identification and handling of suspected concussions in student-athletes. Such policies shall:

1. Require that in order to participate in any extracurricular physical activity, each student-athlete and the student-athlete's parent or guardian shall review, on an annual basis, information on concussions provided by the local school division. After having reviewed materials describing the short- and long-term health effects of concussions, each student-athlete and the student-athlete's parent or guardian shall sign a statement acknowledging receipt of such information, in a manner approved by the Board of Education;

2. Require a student-athlete suspected by that student-athlete's coach, athletic trainer, or team physician of sustaining a concussion or brain injury in a practice or game to be removed from the activity at that time. A student-athlete who has been removed from play, evaluated, and suspected to have a concussion or brain injury shall not return to play that same day nor until (i) evaluated by an appropriate licensed health care provider as determined by the Board of Education and (ii) in receipt of written clearance to return to play from such licensed health care provider.

The licensed health care provider evaluating student-athletes suspected of having a concussion or brain injury may be a volunteer; and

3. Include a "Return to Learn Protocol" with the following requirements:

a. School personnel shall be alert to cognitive and academic issues that may be experienced by a student who has suffered a concussion or other head injury, including (i) difficulty with concentration, organization, and long-term and short-term memory; (ii) sensitivity to bright lights and sounds; and (iii) short-term problems with speech and language, reasoning, planning, and problem solving; and

b. School personnel shall accommodate the gradual return to full participation in academic activities of a student who has suffered a concussion or other head injury as appropriate, based on the recommendation of the student's licensed health care provider as to the appropriate amount of time that such student needs to be away from the classroom.

C. Each non-interscholastic youth sports program utilizing public school property shall either (i) establish policies and procedures regarding the identification and handling of suspected concussions in student-athletes, consistent with either the local school division's policies and procedures developed in compliance with this section or the Board's Guidelines for Policies on Concussions in Student-Athletes, or (ii) follow the local school division's policies and procedures as set forth in subsection B. In addition, local school divisions may provide the guidelines to organizations sponsoring athletic activity for student-athletes on school property. Local school divisions shall not be required to enforce compliance with such policies.

D. As used in this section, "non-interscholastic youth sports program" means a program organized for recreational athletic competition or recreational athletic instruction for youth.

2. That the Board of Education shall collaborate with the Virginia High School League, the Virginia Department of Health, the Virginia Athletic Trainers' Association, the Virginia Physical Therapy Association, representatives of the Children's Hospital of the King's Daughters and the Children's National Health System, the Brain Injury Association of Virginia, the American Academy of Pediatrics, the Virginia College of Emergency Physicians, the Virginia Academy of Family Physicians, the Virginia Association of School Nurses, a representative from a

INTRODUCED

HB1930

59 non-interscholastic youth sports program, and any other interested stakeholders that it deems
60 appropriate to annually update its guidelines on policies to inform and educate coaches,
61 student-athletes, and student-athletes' parents or guardians of the nature and risk of concussions,
62 criteria for removal from and return to play, risks of not reporting the injury and continuing to
63 play, and the effects of concussions on student-athletes' academic performance pursuant to
64 subsection A of § 22.1-271.5 of the Code of Virginia, as amended by this act.
