Be it enacted by the General Assembly of Virginia:

1. That § 51.5-160 of the Code of Virginia is amended and reenacted as follows:

§ 51.5-160. Auxiliary grants program; administration of program.

A. As used in this section:

"Qualified assessor" means an individual who is authorized to perform an assessment, reassessment, or change in level of care for an applicant to or resident of supportive housing or an assisted living facility. For public pay individuals, a "qualified assessor" is an employee of a public human services agency trained in the completion of the uniform assessment instrument. For individuals receiving services from a community services board or behavioral health authority, a "qualified assessor" is an employee or designee of the community services board or behavioral health authority.

"Supportive housing" means a residential setting with access to supportive services for an auxiliary grant recipient in which tenancy as described in subsection B of § 37.2-421.1 is provided or facilitated by a provider licensed to provide mental health community support services, intensive community treatment, programs of assertive community treatment, supportive in-home services, or supervised living residential services that has entered into an agreement with the Department of Behavioral Health and Developmental Services pursuant to § 37.2-421.1.

B. The Commissioner is authorized to prepare and implement, effective with repeal of Titles I, X, and XIV of the Social Security Act, a plan for a state and local funded auxiliary grants program to provide assistance to certain individuals who (i) are ineligible for benefits under Title XVI of the Social Security Act, as amended, or for whom benefits provided under Title XVI of the Social Security Act, as amended, are not sufficient to maintain the minimum standards of need established by regulations promulgated by the Commissioner and (ii) reside in supportive housing, an assisted living facility licensed by the Department of Social Services pursuant to Chapter 17 (§ 63.2-1700 et seq.) of Title 63.2, or an adult foster care home approved by a local board of social services pursuant to § 63.2-1601. The plan shall be in effect in all political subdivisions in the Commonwealth and shall be administered in conformity with regulations of the Commissioner.

Nothing herein is to be construed to affect any such section as it relates to Temporary Assistance for Needy Families, general relief, or services to persons eligible for assistance under P.L. 92-603.

C. Auxiliary grant recipients shall be entitled to a personal needs allowance when computing the amount of the auxiliary grant. The amount of such personal needs allowance shall be set forth in the appropriation act.

D. The Commissioner shall adopt regulations for the administration of the auxiliary grants program that shall include the establishment of auxiliary grant rates for adult foster care homes and licensed assisted living facilities. Such regulations shall also include (i) the process for reporting and certification; (ii) the services to be provided to the auxiliary grant recipient and paid for by the auxiliary grant and not charged to the recipient's personal needs allowance; and (iii) the process for supportive housing providers, assisted living facilities, and adult foster care homes to report and certify maintenance of the personal needs allowance and compliance with regulations for administration of the auxiliary grants program.

E. In order to receive an auxiliary grant while residing in *supportive housing* or an assisted living facility, an individual shall have been evaluated by a case manager or other qualified assessor using the uniform assessment instrument to determine his need for residential living care upon admission and annually thereafter, or whenever there is a change in the individual's condition that appears to warrant a change in the resident's approved level of care. An individual may select, *subject to availability, supportive housing* or an assisted living facility pending evaluation and assessment or as allowed by regulations of the Commissioner. ~~At the time of the first or any subsequent annual reassessment, the individual may select supportive housing or an assisted living facility, subject to the evaluation and reassessment of the individual and availability of the selected housing option. In such cases, the individual may continue to receive an auxiliary grant while residing in supportive housing as allowed by regulations of the Commissioner.
