93 B. There is created within the Department the comprehensive permitting program (the Program). The
94 Program is established to serve as a single access point to aid entrepreneurs in filling out the various
95 permit applications associated with establishing a small business in Virginia. The Program in no way
96 supersedes or supplants any regulatory authority granted to any state agency with permits covered by
97 this section. As part of the Program, the Department shall coordinate with the regulatory agency, and the
98 regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate
99 for inclusion in the Program as well as the rules governing the submission of and payment for those
100 permits. The website of the Department shall provide access to information regarding the Program. The
101 Department shall have the power and duty to:

102 1. Create a comprehensive application that will allow an entrepreneur, or an agent thereof, seeking to
103 establish a small business, to create accounts that will allow them to acquire the appropriate permits
104 required in the Commonwealth. The comprehensive application shall:

105 a. Allow the business owner to choose a business type and to provide common information, such as
106 name, address, and telephone number, on the front page, eliminating the need to repeatedly provide
107 common information on each permit application;

108 b. Allow the business owner to preview and answer questions related to the operation of the
109 business;

110 c. Provide business owners with a customized to-do agency checklist, which checklist shall provide
111 the permit applications pertinent to each business type and provide the rules, regulations, and general
112 laws applicable to each business type as well as local licensing information;

113 d. Allow the business owner to submit permit applications by electronic means as authorized by
114 § 59.1-496 and to affix thereto his electronic signature as defined in § 59.1-480;

115 e. Allow the business owner to check on the status of applications online and to receive information
116 from the permitting agencies electronically; and

117 f. Allow a business owner to submit electronic payment of application or permitting fees for
118 applications that have been accepted by the permitting agency.

119 2. Develop and administer a computerized system program capable of storing, retrieving, and
120 exchanging permit information while protecting the confidentiality of information submitted to the

Department to the extent allowable by law. Information submitted to the Department shall be subject to the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) as the same would apply were the information submitted directly to the Department or to any permitting agency.

3. Issue and renew comprehensive permits in an efficient manner.

4. Identify the types of permits appropriate for inclusion in the Program. The Department shall coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate for inclusion in the Program.

5. Incorporate permits into the Program.

6. Do all acts necessary or convenient to carry out the purposes of this chapter.

C. The Business Permitting Center shall compile information regarding the regulatory programs associated with each of the permits obtainable under the Program. This information shall include, at a minimum, a listing of the statutes and administrative rules requiring the permits and pertaining to the regulatory programs that are directly related to the permit. The Center shall provide information governed by this section to any person requesting it. Materials used by the Center to describe the services provided by the Center shall indicate that this information is available upon request.

D. Each state agency shall cooperate and provide reasonable assistance to the Department in the implementation of this section.

E. The State Corporation Commission and the Department of Small Business and Supplier Diversity shall by January 1, 2020, establish one or more processes by which data or information relevant to the Program can be collected and exchanged electronically.

F. Any person requiring permits that have been incorporated into the Program may submit a comprehensive application to the Department requesting the issuance of the permits. The comprehensive application form shall contain in consolidated form information necessary for the issuance of the permits.

G. The applicant, if not a veteran, shall include with the application the handling fee established by the Department. An applicant who is a veteran shall be exempt from payment of the handling fee prescribed by this subsection. The amount of the handling fee assessed against the applicant shall be set by the Department at a level necessary to cover the costs of administering the comprehensive permitting program.

H. The authority for approving the issuance and renewal of any requested permit that requires investigation, inspection, testing, or other judgmental review by the regulatory agency otherwise legally authorized to issue the permit shall remain with that agency. The Center may issue those permits for which proper fee payment and a completed application form have been received and for which no approval action is required by the regulatory agency.

I. Upon receipt of the application, and proper fee payment for any permit for which issuance is subject to regulatory agency action under subsection H, the Department shall immediately notify the State Corporation Commission or the regulatory agency with authority to approve the permit issuance or renewal requested by the applicant. The State Corporation Commission or the regulatory agency shall advise the Department within a reasonable time after receiving the notice of one of the following:

1. That the State Corporation Commission or the regulatory agency approves the issuance of the requested permit and will advise the applicant of any specific conditions required for issuing the permit;

2. That the State Corporation Commission or the regulatory agency denies the issuance of the permit and gives the applicant reasons for the denial;

3. That the application is pending; or

4. That the application is incomplete and further information from or action by the applicant is necessary.

J. The Department shall issue a comprehensive permit endorsed for all the approved permits to the applicant and advise the applicant of the status of other requested permits. The applicant shall be responsible for contesting any decision regarding conditions imposed or permits denied through the normal process established by statute or by the State Corporation Commission or the regulatory agency with the authority for approving the issuance of the permit.

K. Regulatory agencies shall be provided information from the comprehensive application for their permitting and regulatory functions.

L. The Department shall be responsible for directing the applicant to make all payments for applicable fees established by the regulatory agency directly to the proper agency.

M. There is hereby created in the state treasury a special nonreverting fund to be known as the Comprehensive Permitting Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. The Fund shall consist of all moneys collected from the handling fee established by the Department pursuant to subsection G and such other funds as may be appropriated by the General Assembly. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall

not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely to administer the Program. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department.

N. Unless otherwise directed by the regulatory agency, the Department shall not issue or renew a comprehensive permit to any person under any of the following circumstances:

1. The person does not have a valid tax registration, if required;

2. The person is a corporation, limited liability company, business trust, limited partnership, or registered limited liability partnership that (i) is delinquent in the payment of fees or penalties collected by the State Corporation Commission pursuant to the business entity statutes it administers, (ii) does not exist, or (iii) is not authorized to transact business in the Commonwealth pursuant to one of the business entity statutes administered by the State Corporation Commission; or

3. The person has not submitted the sum of all fees and deposits required for the requested individual permit endorsements, any outstanding comprehensive permit delinquency fee, or other fees and penalties to be collected through the comprehensive permitting program.

O. The Department may adopt regulations in accordance with § 2.2-1606 as may be necessary to carry out the purposes of this section.

§ 2.2-4310. Discrimination prohibited; participation of small, women-owned, minority-owned, and service disabled veteran-owned businesses and employment services organizations.

A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, each public body shall include businesses selected from a list made available by the Department of Small Business and Supplier Diversity, which list shall include all companies and organizations certified by the Department.

B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of small businesses, businesses owned by women, minorities, and service disabled veterans, and employment services organizations in procurement transactions. The programs established shall be in writing and shall comply with the provisions of any enhancement or remedial measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of a local governing body pursuant to § 15.2-965.1, and shall include specific plans to achieve any goals established therein. State agencies shall submit annual progress reports on (i) small, women-owned, and minority-owned business procurement, (ii) service disabled veteran-owned business procurement, and (iii) employment services organization procurement to the Department of Small Business and Supplier Diversity in a form specified by the Department of Small Business and Supplier Diversity. Contracts and subcontracts awarded to employment services organizations and service disabled veteran-owned businesses shall be credited toward the small business, women-owned, and minority-owned business contracting and subcontracting goals of state agencies and contractors. The Department of Small Business and Supplier Diversity shall make information on service disabled veteran-owned procurement available to the Department of Veterans Services upon request.

C. Whenever there exists (i) a rational basis for small business or employment services organization enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women-owned and minority-owned businesses, the Governor is authorized and encouraged to require state agencies to implement appropriate enhancement or remedial measures consistent with prevailing law. Any enhancement or remedial measure authorized by the Governor pursuant to this subsection for state public bodies may allow for small businesses certified by the Department of Small Business and Supplier Diversity or a subcategory of small businesses established as a part of the enhancement program to have a price preference over noncertified businesses competing for the same contract award on designated procurements, provided that the bid of the certified small business or the business in such subcategory of small businesses established as a part of an enhancement program does not exceed the low bid by more than five percent.

D. In awarding a contract for services to a small, women-owned, or minority-owned business that is certified in accordance with § 2.2-1606, or to a business identified by a public body as a service disabled veteran-owned business where the award is being made pursuant to an enhancement or remedial program as provided in subsection C, the public body shall include in every such contract of more than \$10,000 the following:

"If the contractor intends to subcontract work as part of its performance under this contract, the contractor shall include in the proposal a plan to subcontract to small, women-owned, minority-owned, and service disabled veteran-owned businesses."

E. In the solicitation or awarding of contracts, no state agency, department or institution shall discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on

the specific contract is not in its best interest.
