Referred to Committee for Courts of Justice

**Be it enacted by the General Assembly of Virginia:****1. That § 16.1-241 of the Code of Virginia is amended and reenacted as follows:****§ 16.1-241. Jurisdiction; consent for abortion.**

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, as provided in § 16.1-244;

6. Who is charged with a traffic infraction as defined in § 46.2-100; or

7. Who is alleged to have refused to take a blood test in violation of § 18.2-268.2.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the juvenile court to adjudicate matters involving the custody, visitation, support, control or disposition of a child shall not be limited to the consideration of petitions filed by a mother,

120 challenging directly or collaterally the jurisdiction of the court in which the case is tried.

A circuit court shall have concurrent original jurisdiction in all causes of action under this subdivision.

V. W. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to seek consent of an authorized person.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Any such appeal shall

182 be heard and decided no later than five days after the appeal is filed. The time periods required by this  
183 subsection shall be subject to subsection B of § 1-210. An order authorizing an abortion without consent  
184 or without notice shall not be subject to appeal.

185 No filing fees shall be required of the minor at trial or upon appeal.

186 If either the original court or the circuit court fails to act within the time periods required by this  
187 subsection, the court before which the proceeding is pending shall immediately authorize a physician to  
188 perform the abortion without consent of or notice to an authorized person.

189 Nothing contained in this subsection shall be construed to authorize a physician to perform an  
190 abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult  
191 woman.

192 A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent  
193 has been obtained or the minor delivers to the physician a court order entered pursuant to this section  
194 and the physician or his agent provides such notice as such order may require. However, neither consent  
195 nor judicial authorization nor notice shall be required if the minor declares that she is abused or  
196 neglected and the attending physician has reason to suspect that the minor may be an abused or  
197 neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with  
198 § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the  
199 facts justifying the exception in the minor's medical record.

200 For purposes of this subsection:

201 "Authorization" means the minor has delivered to the physician a notarized, written statement signed  
202 by an authorized person that the authorized person knows of the minor's intent to have an abortion and  
203 consents to such abortion being performed on the minor.

204 "Authorized person" means (i) a parent or duly appointed legal guardian or custodian of the minor or  
205 (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with  
206 whom the minor regularly and customarily resides and who has care and control of the minor. Any  
207 person who knows he is not an authorized person and who knowingly and willfully signs an  
208 authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

209 "Consent" means that (i) the physician has given notice of intent to perform the abortion and has  
210 received authorization from an authorized person, or (ii) at least one authorized person is present with  
211 the minor seeking the abortion and provides written authorization to the physician, which shall be  
212 witnessed by the physician or an agent thereof. In either case, the written authorization shall be  
213 incorporated into the minor's medical record and maintained as a part thereof.

214 "Medical emergency" means any condition which, on the basis of the physician's good faith clinical  
215 judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate  
216 abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial  
217 and irreversible impairment of a major bodily function.

218 "Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual  
219 notice of his intention to perform such abortion to an authorized person, either in person or by  
220 telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his  
221 agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person  
222 by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at  
223 least 72 hours prior to the performance of the abortion.

224 "Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical  
225 procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

226 "Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid  
227 marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any  
228 of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her  
229 parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an  
230 order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

231 X. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) relating to standby guardians for minor  
232 children.

233 The ages specified in this law refer to the age of the child at the time of the acts complained of in  
234 the petition.

235 Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of  
236 any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of  
237 § 17.1-272, or subsection B, D, M, or R.

238 Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of  
239 subsection W shall be guilty of a Class 3 misdemeanor.
