988 believe that any provision of this chapter, or any regulation or condition of the Board, has not been
989 complied with or has been violated. The Board may revoke or suspend such license or permit if it finds
990 that facts not known by it at the time it considered the application indicate that such license or permit

§ 58.1-4121. Suspension or revocation of service permit; civil penalty.

The Board may suspend or revoke a service permit issued under this chapter or assess a civil penalty against the holder of such permit in a sum not to exceed \$10,000, after a hearing for which proper notice has been given to the permit holder, in any case where it has reason to believe that any provision of this chapter or any regulation, order, or condition of the Board has not been complied with or has been violated. The Board may revoke or suspend such service permit, after such hearing, if it finds that facts not known by it at the time it was considering the application indicate that such permit should not have been issued. If any service permit is suspended or revoked, the Board shall state its reasons for doing so, which shall be entered of record. Such action shall be final unless an appeal is taken in accordance with § 58.1-4105.
