10	Be it enacted by the General Assembly of Virginia:
11 12	1. § 1. Notwithstanding Article 1.1 (§ 32.1-102.1 et seq.) of Chapter 4 of Title 32 of the Code of Virginia and any applicable regulations, the State Health Commissioner (Commissioner) shall accept
13	and review applications and may issue a certificate of public need for new specialty neonatal care
14	services located in Planning District 5, provided that the following criteria are met:
15	1. The applicant filed an application for new neonatal special care services prior to January 1,
16	2017;
17	2. The applicant agrees as a condition of the certificate not to introduce neonatal sub-specialty care
18	services at the location for which the certificate is issued without subsequently obtaining express
19	authorization from the Commissioner through a separate application for such service; and
20 21	3. The applicant agrees to comply with the standard charity care provisions imposed by the Commissioner applicable to the health planning region in which the proposed project is located.
22	§ 2. In determining whether to issue a certificate of public need to an applicant that meets the
$\overline{23}$	criteria of § 1, the Commissioner shall not deny the application for a certificate on the basis of
24	economic or service volumes impact on an existing provider of neonatal special care services pursuant
25	to § 32.1-102.3 of the Code of Virginia and applicable regulations unless the proposed project would
26	reduce utilization or volume of services delivered by the existing provider of neonatal special care
27	services in the planning district to below minimum levels necessary for clinical proficiency.
