SENATE BILL NO. 1014

Offered January 9, 2019

Prefiled August 3, 2018

A BILL to amend and reenact §§ 33.2-1700, 33.2-1701, and 33.2-1709 of the Code of Virginia; to amend the Code of Virginia by adding in Title 33.2 a chapter numbered 36, consisting of sections numbered 33.2-3600 and 33.2-3601; and to repeal Chapter 23 (§§ 33.2-2300 and 33.2-2301) of Title 33.2 of the Code of Virginia and the thirteenth enactment of Chapter 766 of the Acts of Assembly of 2013, relating to the Interstate 73 Corridor Development Fund and Program.

Patron—Stanley

Referred to Committee on Finance

Be it enacted by the General Assembly of Virginia:

1. That §§ 33.2-1700, 33.2-1701, and 33.2-1709 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Title 33.2 a chapter numbered 36, consisting of sections numbered 33.2-3600 and 33.2-3601, as follows:

§ 33.2-1700. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Board" means the Commonwealth Transportation Board, or if the Commonwealth Transportation Board is abolished, any board, commission, or officer succeeding to the principal functions thereof or upon whom the powers given by this chapter to the Board shall be given by law.

"Cost of the project," as applied to a project to be acquired by purchase or by condemnation, includes:

1. The purchase price or the amount of the award;
2. The cost of improvements, financing charges, and interest during any period of disuse before completion of improvements;
3. The cost of traffic estimates and of engineering data;
4. The cost of engineering and legal expenses;
5. The cost of plans, specifications and surveys, and estimates of cost and of revenues; and
6. Other expenses necessary or incident to determining the feasibility or practicability of the enterprises, administrative expenses, and such other expenses as may be necessary or incident to the financing authorized in this chapter and the acquisition of the project and the placing of the project in operation.

"Cost of the project," as applied to a project to be constructed, includes:

1. The cost of construction;
2. The cost of all lands, properties, rights, easements, and franchises acquired that are deemed necessary for such construction;
3. The cost of acquiring by purchase or condemnation any ferry that is deemed by the Board to be competitive with any bridge to be constructed;
4. The cost of all machinery and equipment;
5. The cost of financing charges and interest prior to construction, during construction, and for one year after completion of construction;
6. The cost of traffic estimates and of engineering data;
7. The cost of engineering and legal expenses;
8. The cost of plans, specifications and surveys, estimates of cost and of revenues; and
9. Other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expenses, and such other expenses as may be necessary or incident to the financing authorized in this chapter, the construction of the project, the placing of the project in operation, and the condemnation of property necessary for such construction and operation.

"Improvements" means those repairs to, replacements of, additions to, and betterments of a project acquired by purchase or by condemnation as are deemed necessary to place it in a safe and efficient condition for the use of the public, if such repairs, replacements, additions, and betterments are ordered prior to the sale of any bonds for the acquisition of such project.

"Owner" includes all individuals, incorporated companies, partnerships, societies, and associations having any title or interest in any property rights, easements, or franchises authorized to be acquired by this chapter.

"Project" means any one or more of the following:

1. The York River Bridges, extending from a point within Yorktown in York County or within York

59 County across the York River to Gloucester Point or some point in Gloucester County.

60 2. The Rappahannock River Bridge, extending from Greys Point, or its vicinity, in Middlesex
61 County, across the Rappahannock River to a point in the vicinity of White Stone, in Lancaster County,
62 or at some other feasible point in the general vicinity of the two respective points.

63 3. The James River Bridge, from a point at or near Jamestown, in James City County, across the
64 James River to a point in Surry County.

65 4. The James River, Chuckatuck, and Nansemond River Bridges, together with necessary connecting
66 roads, in the Cities of Newport News and Suffolk and the County of Isle of Wight.

67 5. The Hampton Roads Bridge-Tunnel or Bridge and Tunnel System, extending from a point or
68 points in the Cities of Newport News and Hampton on the northwest shore of Hampton Roads across
69 Hampton Roads to a point or points in the City of Norfolk or Suffolk on the southeast shore of
70 Hampton Roads.

71 6. Interstate 264, extending from a point in the vicinity of the intersection of Interstate 64 and U.S.
72 Route 58 at Norfolk to some feasible point between London Bridge and U.S. Route 60.

73 7. The Henrico-James River Bridge, extending from a point on the eastern shore of the James River
74 in Henrico County to a point on the western shore, between Falling Creek and Bells Road interchanges
75 of Interstate 95; however, the project shall be deemed to include all property, rights, easements, and
76 franchises relating to this project and deemed necessary or convenient for its operation, including its
77 approaches.

78 8. The limited access highway between the Newport News/Williamsburg International Airport area
79 and the Newport News downtown area, which generally runs parallel to tracks of the Chesapeake and
80 Ohio Railroad.

81 9. Transportation improvements in the Dulles Corridor, with an eastern terminus of the East Falls
82 Church Metrorail station at Interstate 66 and a western terminus of Virginia Route 772 in Loudoun
83 County, including without limitation the Dulles Toll Road; the Dulles Access Road; outer roadways
84 adjacent or parallel thereto; mass transit, including rail; bus rapid transit; and capacity-enhancing
85 treatments such as high-occupancy vehicle lanes, high-occupancy toll lanes, interchange improvements,
86 commuter parking lots, and other transportation management strategies.

87 10. Subject to the limitations and approvals of § 33.2-1712, any other highway for a primary
88 highway transportation improvement district or transportation service district that the Board has agreed
89 to finance under a contract with any such district or any other alternative mechanism for generation of
90 local revenues for specific funding of a project satisfactory to the Board, the financing for which is to
91 be secured by Transportation Trust Fund revenues under any appropriation made by the General
92 Assembly for that purpose and payable first from revenues received under such contract or other local
93 funding source; second, to the extent required, from funds appropriated and allocated, pursuant to the
94 highway allocation formula as provided by law, to the highway construction district in which the project
95 is located or to the county or counties in which the project is located; and third, to the extent required
96 from other legally available revenues of the Transportation Trust Fund and from any other available
97 source of funds.

98 11. The ~~U.S. Route 58 Interstate 73~~ Corridor Development Program projects as defined in §§
99 ~~33.2-2300 33.2-3600~~ and ~~33.2-2304 33.2-3601~~.

100 12. The Northern Virginia Transportation District Program as defined in §§ 33.2-2400 and 33.2-2401.

101 13. Any program for highways or mass transit or transportation facilities endorsed by the affected
102 localities, which agree that certain distributions of state recordation taxes will be dedicated and used for
103 the payment of any bonds or other obligations, including interest thereon, the proceeds of which were
104 used to pay the cost of the program. Any such program shall be referred to as a "Transportation
105 Improvement Program."

106 14. Any project designated by the General Assembly financed in whole or part through the issuance
107 of Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes.

108 15. Any project authorized by the General Assembly financed in whole or in part by funds from the
109 Priority Transportation Fund established pursuant to § 33.2-1527 or from the proceeds of bonds whose
110 debt service is paid in whole or in part by funds from such Fund.

111 16. Any project identified by the Board to be financed in whole or in part through the issuance of
112 Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes.

113 "Revenues" includes tolls and any other moneys received or pledged by the Board pursuant to this
114 chapter, including legally available Transportation Trust Fund revenues and any federal highway
115 reimbursements and any other federal highway assistance received by the Commonwealth.

116 "Toll project" means a project financed in whole or in part through the issuance of revenue bonds
117 that are secured by toll revenues generated by the project.

118 "Undertaking" means all of the projects authorized to be acquired or constructed under this chapter.

119 **§ 33.2-1701. General powers of Commonwealth Transportation Board.**

120 The Board may, subject to the provisions of this chapter:

121 1. Acquire by purchase or by condemnation, construct, improve, operate, and maintain any one or
122 more of the projects mentioned and included in the undertaking as defined in § 33.2-1700;

123 2. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
124 Virginia Toll Revenue Bonds," payable from earnings and from any other available sources of funds, to
125 pay the cost of such projects;

126 3. Subject to the limitations and approvals of § 33.2-1712, issue revenue bonds of the
127 Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Contract
128 Revenue Bonds," secured by Transportation Trust Fund revenues under a payment agreement between
129 the Board and the Treasury Board, subject to their appropriation by the General Assembly and payable
130 first from revenues received pursuant to contracts with a primary highway transportation improvement
131 district or transportation service district or other local revenue sources for which specific funding of any
132 such bonds may be authorized by law; second, to the extent required, from funds appropriated and
133 allocated, pursuant to the highway allocation formula as provided by law, to the highway construction
134 district in which the project to be financed is located or to the county or counties in which the project to
135 be financed is located; and third, to the extent required, from other legally available revenues of the
136 Transportation Trust Fund and from any other available source of funds;

137 4. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
138 Virginia Transportation Revenue Bonds," secured (i) by revenues received from the U.S. Route 58
139 Interstate 73 Corridor Development Fund, subject to their appropriation by the General Assembly; (ii) to
140 the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the
141 extent required, from any other legally available funds that have been appropriated by the General
142 Assembly;

143 5. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
144 Virginia Transportation Revenue Bonds," secured, subject to their appropriation by the General
145 Assembly, (i) first from revenues received from the Northern Virginia Transportation District Fund; (ii)
146 to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula
147 as provided by law, to the highway construction district in which the project to be financed is located or
148 to the city or county in which the project to be financed is located; (iii) to the extent required, from
149 legally available revenues of the Transportation Trust Fund; and (iv) from such other funds that may be
150 appropriated by the General Assembly;

151 6. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
152 Virginia Transportation Program Revenue Bonds," secured, subject to their appropriation by the General
153 Assembly, (i) first from any revenues received from any Set-aside Fund established by the General
154 Assembly pursuant to § 58.1-816.1; (ii) to the extent required, from revenues received pursuant to any
155 contract with a locality or any alternative mechanism for generation of local revenues for specific
156 funding of a project satisfactory to the Board; (iii) to the extent required, from funds appropriated and
157 allocated, pursuant to the highway allocation formula as provided by law, to the highway construction
158 district in which the project to be financed is located or to the city or county in which the project to be
159 financed is located; (iv) to the extent required, from legally available revenues of the Transportation
160 Trust Fund; and (v) from such other funds that may be appropriated by the General Assembly. No
161 bonds for any project shall be issued under the authority of this subdivision unless such project is
162 specifically included in a bill or resolution passed by the General Assembly;

163 7. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
164 Virginia Transportation Program Revenue Bonds," secured, subject to their appropriation by the General
165 Assembly, (i) first from any revenues received from the Commonwealth Transit Capital Fund established
166 by the General Assembly pursuant to subdivision A 4 c of § 58.1-638; (ii) to the extent required, from
167 legally available revenues of the Transportation Trust Fund; and (iii) from such other funds that may be
168 appropriated by the General Assembly. No bonds for any project shall be issued under the authority of
169 this subdivision unless such project is specifically included in a bill or resolution passed by the General
170 Assembly;

171 8. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
172 Virginia Federal Highway Reimbursement Anticipation Notes," secured, subject to their appropriation by
173 the General Assembly, (i) first from any federal highway reimbursements and any other federal highway
174 assistance received by the Commonwealth; (ii) then, at the discretion of the Board, to the extent
175 required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such
176 other funds, if any, that are designated by the General Assembly for such purpose;

177 9. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
178 Virginia Credit Assistance Revenue Bonds," secured, subject to their appropriation by the General
179 Assembly, solely from revenues with respect to or generated by the project being financed thereby and
180 any tolls or other revenues pledged by the Board as security therefor and in accordance with the
181 applicable federal credit assistance authorized with respect to such project by the U.S. Department of

182 Transportation;

183 10. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of
184 Virginia Transportation Capital Projects Revenue Bonds," secured, subject to their appropriation by the
185 General Assembly, (i) from the revenues deposited into the Priority Transportation Fund established
186 pursuant to § 33.2-1527; (ii) to the extent required, from revenues legally available from the
187 Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds;

188 11. Issue grant anticipation notes of the Commonwealth from time to time to be known and
189 designated as "Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes,"
190 secured, subject to their appropriation by the General Assembly, (i) first from the project-specific
191 reimbursements pursuant to § 33.2-1520; (ii) then, at the discretion of the Board, to the extent required,
192 from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if
193 any, that are designated by the General Assembly for such purpose;

194 12. Fix and collect tolls and other charges for the use of such projects or to refinance the cost of
195 such projects;

196 13. Construct grade separations at intersections of any projects with public highways, railways, or
197 streets and adjust the lines and grades thereof so as to accommodate the same to the design of such
198 grade separations, the cost of such grade separations and any damage incurred in adjusting the lines and
199 grades of such highways, railways, or streets to be ascertained and paid by the Board as a part of the
200 cost of the project;

201 14. Vacate or change the location of any portion of any public highway and reconstruct the same at
202 such new location as the Board deems most favorable for the project and of substantially the same type
203 and in as good condition as the original highway, the cost of such reconstruction and any damage
204 incurred in vacating or changing the location thereof to be ascertained and paid by the Board as a part
205 of the cost of the project. Any public highway vacated or relocated by the Board shall be vacated or
206 relocated in the manner provided by law for the vacation or relocation of public highways, and any
207 damages awarded on account thereof may be paid by the Board as a part of the cost of the project;

208 15. Make reasonable regulations for the installation, construction, maintenance, repair, renewal, and
209 relocation of pipes, mains, sewers, conduits, cables, wires, towers, poles, and other equipment and
210 appliances, referred to in this subdivision as "public utility facilities," of the Commonwealth and of any
211 locality, political subdivision, public utility, or public service corporation owning or operating the same
212 in, on, along, over, or under the project. Whenever the Board determines that it is necessary that any
213 such public utility facilities should be relocated or removed, the Commonwealth or such locality,
214 political subdivision, public utility, or public service corporation shall relocate or remove the same in
215 accordance with the order of the Board. The cost and expense of such relocation or removal, including
216 the cost of installing such public utility facilities in a new location or locations, the cost of any lands or
217 any rights or interests in lands, and any other rights acquired to accomplish such relocation or removal,
218 shall be ascertained by the Board.

219 On any toll project, the Board shall pay the cost and expense of relocation or removal as a part of
220 the cost of the project for those public utility facilities owned or operated by the Commonwealth or such
221 locality, political subdivision, public utility, or public service corporation. On all other projects under
222 this chapter, the Board shall pay the cost and expense of relocation or removal as a part of the cost of
223 the project for those public utility facilities owned or operated by the Commonwealth or such locality or
224 political subdivision. The Commonwealth or such locality, political subdivision, public utility, or public
225 service corporation may maintain and operate such public utility facilities with the necessary
226 appurtenances in the new location for as long a period and upon the same terms and conditions as it had
227 the right to maintain and operate such public utility facilities in their former location;

228 16. Acquire by the exercise of the power of eminent domain any lands, property, rights,
229 rights-of-way, franchises, easements, and other property, including public lands, parks, playgrounds,
230 reservations, highways, or parkways, or parts thereof or rights therein, of any locality or political
231 subdivision, deemed necessary or convenient for the construction or the efficient operation of the project
232 or necessary in the restoration, replacement, or relocation of public or private property damaged or
233 destroyed.

234 The cost of such projects shall be paid solely from the proceeds of Commonwealth of Virginia Toll
235 or Transportation Contract Revenue Bonds or a combination thereof or from such proceeds and from
236 any grant or contribution that may be made thereto pursuant to the provisions of this chapter;

237 17. Notwithstanding any provision of this chapter to the contrary, the Board shall be authorized to
238 exercise the powers conferred in this chapter, in addition to its general powers to acquire rights-of-way
239 and to construct, operate, and maintain state highways, with respect to any project that the General
240 Assembly has authorized or may hereafter authorize to be financed in whole or in part through the
241 issuance of bonds of the Commonwealth pursuant to the provisions of Article X, Section 9 (c) of the
242 Constitution of Virginia; and

243 18. Enter into any agreements or take such other actions as the Board determines in connection with

applying for or obtaining any federal credit assistance, including without limitation loan guarantees and lines of credit, pursuant to authorization from the U.S. Department of Transportation with respect to any project included in the Commonwealth's long-range transportation plan and the approved State Transportation Improvement Program.

§ 33.2-1709. Credit of Commonwealth not pledged.

A. Commonwealth of Virginia Toll Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor from tolls and revenues pursuant to this chapter, from bond proceeds or earnings thereon, and from any other available sources of funds. All such bonds shall state on their face that the Commonwealth is not obligated to pay the same or the interest thereon except from the special fund provided therefor from tolls and revenues under this chapter, from bond proceeds or earnings thereon, and from any other available sources of funds, and that the full faith and credit of the Commonwealth are not pledged to the payment of the principal or interest of such bonds. The issuance of such revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the Commonwealth to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment, other than appropriate available funds derived as revenues from tolls and charges under this chapter or derived from bond proceeds or earnings thereon and from any other available sources of funds.

B. Commonwealth of Virginia Transportation Contract Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor pursuant to this chapter (i) from revenues received pursuant to contracts with a primary highway transportation district or transportation service district or any other alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board; (ii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the county or counties in which such project is located; (iii) from bond proceeds or earnings thereon; (iv) to the extent required, from other legally available revenues of the Transportation Trust Fund; and (v) from any other available source of funds. All such bonds shall state on their face that the Commonwealth is not obligated to pay the same or the interest thereon except from revenues in clauses (i) and (iii) and that the full faith and credit of the Commonwealth are not pledged to the payment of the principal and interest of such bonds. The issuance of such revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the Commonwealth to levy or to pledge any form of taxation whatever or to make any appropriation for their payment, other than to appropriate available funds derived as revenues under this chapter from the sources set forth in clauses (i) and (iii). Nothing in this chapter shall be construed to obligate the General Assembly to make any appropriation of the funds set forth in clause (ii) or (iv) for payment of such bonds.

C. Commonwealth of Virginia Transportation Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor pursuant to this chapter (i) from revenues received from the ~~U.S. Route 58~~ *Interstate 73* Corridor Development Fund established pursuant to ~~§ 33.2-2300~~ *§ 33.2-3600*, subject to their appropriation by the General Assembly; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds that may be appropriated by the General Assembly.

D. Commonwealth of Virginia Transportation Revenue Bonds issued under this chapter for Category 1 projects as provided in subdivision 12 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth. Such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) first from revenues received from the Northern Virginia Transportation District Fund established pursuant to § 33.2-2400; (ii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iii) to the extent required, from legally available revenues of the Transportation Trust Fund; and (iv) from such other funds that may be appropriated by the General Assembly.

E. Commonwealth of Virginia Transportation Program Revenue Bonds issued under this chapter for projects defined in subdivision 13 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth. Such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) first from any revenues received from any Set-aside Fund established by the General Assembly pursuant to § 58.1-816.1; (ii) to the extent required, from revenues received pursuant to any contract with a locality or

any alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board; (iii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iv) to the extent required, from legally available revenues from the Transportation Trust Fund; and (v) from such other funds that may be appropriated by the General Assembly.

F. Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes issued under this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such obligations shall be payable solely, subject to appropriation by the General Assembly, (i) first from any federal highway reimbursements and any other federal highway assistance received by the Commonwealth; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then, from such other funds, if any, that are designated by the General Assembly for such purpose.

G. Commonwealth of Virginia Transportation Credit Assistance Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such obligations shall be payable solely, subject to appropriation by the General Assembly, from revenues with respect to or generated by the project being financed thereby and any tolls or other revenues pledged by the Board as security therefor and in accordance with the applicable federal credit assistance authorized with respect to such project by the U.S. Department of Transportation.

H. Commonwealth of Virginia Transportation Capital Projects Revenue Bonds issued under the provisions of this chapter for projects as provided in subdivision 15 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) from the revenues deposited into the Priority Transportation Fund established pursuant to § 33.2-1527; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds.

I. Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes issued under the provisions of Article 4 (§ 33.2-1511 et seq.) of Chapter 15 and this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such notes shall be payable solely, subject to their appropriation by the General Assembly, (i) first from the project-specific reimbursements pursuant to § 33.2-1520; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if any, that are designated by the General Assembly for such purpose.

CHAPTER 36.

INTERSTATE 73 CORRIDOR DEVELOPMENT FUND AND PROGRAM.

§ 33.2-3600. Interstate 73 Corridor Development Fund.

There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the Interstate 73 Corridor Development Fund, referred to in this chapter as "the Fund," consisting of the first \$40 million of annual collections of the state recordation taxes imposed by Chapter 8 (§ 58.1-800 et seq.) of Title 58.1, provided, however, that this dedication shall not affect the local recordation taxes under subsection B of § 58.1-802 and § 58.1-814. The Fund shall also include such other funds as may be appropriated by the General Assembly and designated for the Fund and all interest, dividends, and appreciation that may accrue thereto. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Allocations from the Fund may be paid to any authority, locality, or commission for the purposes specified in § 33.2-3601.

§ 33.2-3601. Interstate 73 Corridor Development Program.

A. The General Assembly declares it to be in the public interest that the economic development needs and economic growth potential of south-central and Southwest Virginia be addressed by the Fund. Moneys contained in the Fund shall be used for the costs of providing an adequate, modern, safe, and efficient highway system, through the Commonwealth from North Carolina to West Virginia (the Program), including environmental and engineering studies, rights-of-way acquisition, construction, improvements, and financing costs.

B. Allocations from the Fund shall be made annually by the Board for the creation and enhancement of a safe, efficient highway system in the southwesternmost portion of the Commonwealth, thereby enhancing the economic development potential, employment opportunities, and mobility along such highway.

C. Allocations from the Fund shall not diminish or replace allocations made or planned to be made from other sources or diminish allocations to which any highway, project, facility, district, system, or locality would be entitled under other provisions of this title, but shall be supplemental to other allocations to the end that highway resource improvements in the Interstate 73 Corridor may be

367 *accelerated and augmented. Notwithstanding any contrary provisions of this title, allocations from the*
368 *Fund may be applied to highway projects in the Interstate System, primary or secondary state highway*
369 *system, or urban highway system. Allocations under this subsection shall not be limited to projects*
370 *involving only Interstate 73 but may be made to projects involving other highways, provided that the*
371 *broader goal of creation of an adequate modern highway system in Southwest Virginia is served*
372 *thereby.*

373 *D. The Board may expend such funds from all sources as may be lawfully available to initiate the*
374 *Program and to support bonds and other obligations referenced in subsection F. Any moneys expended*
375 *from the Transportation Trust Fund for the Program, other than moneys contained in the Fund, may be*
376 *reimbursed from the Fund, to the extent permitted by Article X, Section 9 of the Constitution of Virginia.*

377 *E. The Board is encouraged to utilize in the Program the existing four-lane divided highways,*
378 *available rights-of-way acquired for additional four-laning, bypasses, connectors, and alternate routes.*

379 *F. To the extent permitted by Article X, Section 9 of the Constitution of Virginia, moneys contained*
380 *in the Fund may be used to secure payment of bonds or other obligations, and the interest thereon,*
381 *issued in furtherance of the purposes of this chapter. In addition, the Board is authorized to receive,*
382 *dedicate, or use legally available Transportation Trust Fund revenues and any other available sources*
383 *of funds to secure the payment of bonds or other obligations, including interest thereon, in furtherance*
384 *of the Program. No bond or other obligations payable from revenues of the Fund shall be issued unless*
