§ 24.2-612. List of offices and candidates filed with Department of Elections and checked for accuracy; when ballots printed; number required.

Immediately after the expiration of the time provided by law for a candidate for any office to qualify to have his name printed on the official ballot and prior to printing the ballots for an election, each general registrar shall forward to the Department of Elections a list of the county, city, or town offices to be filled at the election and the names of all candidates who have filed for each office. In addition, each general registrar shall forward the name of any candidate who failed to qualify with the reason for his disqualification. On that same day, the general registrar shall also provide a copy of the notice to each disqualified candidate. The notice shall be sent by email or regular mail to the address on the candidate's certificate of candidate qualification, and such notice shall be deemed sufficient. The Department of Elections shall promptly advise the general registrar of the accuracy of the list. The failure of any general registrar to send the list to the Department of Elections for verification shall not invalidate any election.

Each general registrar shall have printed the number of ballots he determines will be sufficient to conduct the election. Such determination shall be based on the number of active registered voters and historical election data, including voter turnout, and shall be subject to the approval by the electoral board.

Notwithstanding any other provisions of this title, the Department of Elections may print or otherwise provide one statewide paper ballot style for each paper ballot style in use for presidential and vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402 or only for federal elections under § 24.2-453. The Department of Elections may apportion or authorize the printer or vendor to apportion the costs for these ballots among the localities based on the number of ballots ordered. Any printer employed by the Department of Elections shall execute the statement required by § 24.2-616. The Department of Elections shall designate a representative to be present at the printing of such ballots and deliver them to the appropriate general registrars pursuant to § 24.2-617. Upon receipt of such paper ballots, the electoral board or the general registrar shall affix the seal of the electoral board. Thereafter, such ballots shall be handled and accounted for, and the votes counted as the Department of Elections shall specifically direct.

The general registrar shall make printed ballots available for absentee voting not later than 45 days prior to any election or within three business days of the receipt of a properly completed absentee ballot application, whichever is later. In the case of a special election, excluding for federal offices, if time is insufficient to meet the applicable deadline established herein, then the general registrar shall make printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making printed ballots available includes mailing of such ballots or electronic transmission of such ballots pursuant to § 24.2-706 to a qualified absentee voter who is eligible for an absentee ballot under subdivision A 2 of § 24.2-700. Not later than five days after absentee ballots are made available, each general registrar shall report to the Department of Elections, in writing on a form approved by the Department of Elections, whether he has complied with the applicable deadline.

Only the names of candidates for offices to be voted on in a particular election district shall be printed on the ballots for that election district.

The general registrar shall send to the Department of Elections a statement of the number of ballots ordered to be printed, proofs of each printed ballot for verification, and copies of each final ballot. If the Department of Elections finds that, in its opinion, the number of ballots ordered to be printed by any general registrar is not sufficient, it may direct the general registrar to order the printing of a reasonable number of additional ballots.

§ 24.2-700. Persons entitled to vote by absentee ballot.

Any such location shall have adequate facilities for the protection of all elections materials produced in the process of absentee voting in person, the voted and unvoted absentee ballots, and any voting systems in use at the location.

Such ballot shall be submitted and processed in the manner provided by the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) and this article.

B. Notwithstanding any other provision of this title, a federal write-in absentee ballot submitted pursuant to subsection A shall be considered valid for purposes of simultaneously satisfying both an absentee ballot application and a completed absentee ballot, provided that the ballot is received no later than the deadline for the return of absentee ballots as provided in § 24.2-709 for the election in which the voter offers to vote, and the application contains the following information: (i) the voter's signature; however, if the voter is unable to sign, the person assisting the voter will note this fact in the voter signature box; (ii) the voter's printed name; (iii) the county or city in which he is registered and offers to vote; (iv) the residence address at which he is registered to vote; (v) his current military or overseas address; and (vi) the signature of a witness who shall sign the same application.

305 application pursuant to § 24.2-701 or 24.2-703.

306 **§ 24.2-703.1. Special annual applications for absentee ballots for certain ill or disabled voters.**

307 Any person who is eligible for an absentee ballot under subdivision A 4 of § 24.2-700 because of a
308 disability or illness and who is likely to remain so eligible for the remainder of the calendar year shall
309 be eligible to file a special annual application to receive ballots for all elections in which he is eligible
310 to vote in a calendar year. His first such application shall be accompanied by a statement, on a form
311 prescribed by the State Board and signed by the voter and his physician, provider as defined in
312 § 37.2-403, or accredited religious practitioner, that the voter is eligible for an absentee ballot under
313 subdivision A 4 of § 24.2-700 and likely to remain so eligible for the remainder of the calendar year.

314 In accordance with procedures established by the State Board, the general registrar shall retain the
315 application and form, enroll the applicant on a special absentee voter applicant list, and process the
316 applicant's request for an absentee ballot for each succeeding election in the calendar year. The applicant
317 shall specify by party designation the primary ballots he is requesting.

318 The general registrar shall send each such enrolled applicant a blank application by December 15 for
319 each ensuing calendar year, and upon completion thereof, the applicant shall be eligible to receive
320 ballots for all elections in which he is eligible to vote in that calendar year.

321 If an official reply to the application or an absentee ballot sent to the applicant is returned as
322 undeliverable, or the general registrar knows that the applicant is no longer a qualified voter, no ballot
323 for any subsequent election shall be sent to the voter until a new application is filed and accepted.

324 **§ 24.2-703.2. Replacement absentee ballots for certain disabled or ill voters; penalty.**

325 A voter seeking to cast an absentee ballot may obtain a replacement absentee ballot subject to the
326 following conditions: (i) the voter applied for an absentee ballot under subdivision A 4 of § 24.2-700
327 because of a disability or illness; (ii) the application was approved and an absentee ballot mailed to the
328 voter; and (iii) the voter did not receive or has lost the absentee ballot on or before the Saturday before
329 the election. In such case, the voter may request a replacement absentee ballot by the close of business
330 for the local elections office on the Saturday before election day and designate, in writing, a
331 representative to obtain a replacement absentee ballot on his behalf from the general registrar and to
332 return the properly completed ballot as directed by the general registrar no later than the close of polls
333 on the day of election for which the absentee ballot is valid. The representative shall be age eighteen or
334 older and shall not be an elected official, a candidate for elected office, or the deputy, spouse, parent, or
335 child of an elected official or candidate. The voter and representative shall complete the form prescribed
336 by the State Board to implement the provisions of this section. The form shall include a statement
337 signed by the voter that he did not receive the ballot or has lost the ballot. Statements on the form shall
338 be subject to felony penalties for making false statements pursuant to § 24.2-1016.

339 **§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.**

340 A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and
341 address of each registered applicant on an absentee voter applicant list that shall be maintained in the
342 office of the general registrar with a file of the applications of the listed applicants received. The list
343 shall be available for inspection and copying and the applications shall be available for inspection only
344 by any registered voter during regular office hours. Upon request and for a reasonable fee, the
345 Department of Elections shall provide an electronic copy of the absentee voter applicant list to any
346 political party or candidate. Such list shall be used only for campaign and political purposes. Any list
347 made available for inspection and copying under this section shall contain the post office box address in
348 lieu of the residence street address for any individual who has furnished at the time of registration or
349 subsequently, in addition to his street address, a post office box address pursuant to subsection B of
350 § 24.2-418.

351 No list or application containing an individual's social security number, or any part thereof, or the
352 individual's day and month of birth, shall be made available for inspection or copying by anyone. The
353 Department of Elections shall prescribe procedures for general registrars to make the information in the
354 lists and applications available in a manner that does not reveal social security numbers or parts thereof,
355 or an individual's day and month of birth.

356 B. The completion and timely delivery of an application for an absentee ballot shall be construed to
357 be an offer by the applicant to vote in the election.

358 The general registrar shall note on each application received whether the applicant is or is not a
359 registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject
360 the application of any individual because of an error or omission on any record or paper relating to the
361 application, if such error or omission is not material in determining whether such individual is qualified
362 to vote absentee.

363 If the application has been properly completed and signed and the applicant is a registered voter of
364 the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots
365 for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other
366 evidence of either first-class or expedited mailing or delivery from the United States Postal Service or

other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

528 information required by § 24.2-418 on the applicant's place of last previous registration to vote.

530 subdivision A 2 of § 24.2-700 from casting in the same election both a state ballot and a write-in
531 absentee ballot that is processed in the manner provided by the Uniformed and Overseas Citizens
