60 consistent with the provisions of § 24.2-416.7 and the Uniform Electronic Transactions Act (§ 59.1-479  
61 et seq.). The fact that a voter provides an address on a candidate or referendum petition that differs from  
62 the address for the voter on the voter registration system shall not be sufficient notice to change the  
63 voter's registration address. Any statements made by any voter applying for transfer are subject to felony  
64 penalties for making a false statement pursuant to § 24.2-1016.

65 B. If the voter has moved within the same county or city, on receipt of the notification, the general  
66 registrar for that county or city shall (i) enter the new address on the registration record; (ii) if satisfied  
67 that the registered voter has moved into another precinct within the same county or city, transfer the  
68 registration of the voter to that precinct; and (iii) send the voter confirmation documents. This transfer  
69 may be entered in the registration records at any time the registration records are not closed pursuant to  
70 § 24.2-416.

71 C. Any request for transfer or change of address within the Commonwealth delivered to any registrar  
72 shall be forwarded to the general registrar for the city or county in the Commonwealth where the voter  
73 now resides. When forwarding said notice, or upon request from the registrar for the county or city  
74 where the voter now resides, the registrar for the county or city where the voter formerly resided shall  
75 forward the original application for registration to the registrar for the voter's new locality.

76 D. Upon receipt of the voter's original registration application, and notice as specified in subsection  
77 A of ~~this section~~ indicating the voter's current residence, the registrar for the county or city in which the  
78 voter currently resides shall: (i) enter the new address on the registration record; (ii) if satisfied that the  
79 registered voter has moved into a precinct within that county or city, transfer the registration of the  
80 voter to that precinct; (iii) send the voter confirmation documents; and (iv) through the Virginia voter  
81 registration system, notify the registrar of the locality where the voter formerly resided that the  
82 registration has been transferred. This transfer may be entered in the registration records at any time the  
83 registration records are not closed pursuant to § 24.2-416.

84 E. If the original registration application is no longer available to the registrar in the city or county  
85 where the voter formerly resided, either of the following shall be sent to and accepted by the registrar in  
86 the city or county where the voter now resides in lieu of such application: (i) an unsigned voter card (or  
87 conversion card) used as the voter record upon the creation of the statewide voter registration system or  
88 (ii) a replacement record provided by the Department to replace damaged files in the registrar's office. If  
89 no other record is available, then the registrar of the voter's former locality shall provide written  
90 notification to the registrar of the locality in which the voter now resides that none of the required  
91 documents are available. In this instance only, the registrar of the locality in which the voter now  
92 resides shall copy the voter's record from the Virginia voter registration system and use that record in  
93 lieu of the original voter registration application. Any complete voter registration application on a form  
94 previously authorized for use in Virginia shall be valid for the purposes of continuing or transferring a  
95 voter's registration within the Commonwealth.

96 F. [ ~~Not A~~ ] *request for transfer or change of address within the Commonwealth shall be processed*  
97 *for a registered voter who has applied for and has been sent or provided an absentee ballot [ , but such*  
98 *transfer or change of address shall not be put into effect ] until after the election for which he was sent*  
99 *or provided an absentee ballot. The Department shall provide instructions to the general registrars for*  
100 *determining whether a registered voter has been sent or provided an absentee ballot and notifying a*  
101 *registered voter whose request for transfer or change of address has been placed on hold.*

102 **§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.**

103 On receipt of an application for an absentee ballot, the general registrar shall enroll the name and  
104 address of each registered applicant on an absentee voter applicant list that shall be maintained in the  
105 office of the general registrar with a file of the applications of the listed applicants. The list shall be  
106 available for inspection and copying and the applications shall be available for inspection only by any  
107 registered voter during regular office hours. Upon request and for a reasonable fee, the Department of  
108 Elections shall provide an electronic copy of the absentee voter applicant list to any political party or  
109 candidate. Such list shall be used only for campaign and political purposes. Any list made available for  
110 inspection and copying under this section shall contain the post office box address in lieu of the  
111 residence street address for any individual who has furnished at the time of registration or subsequently,  
112 in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

113 No list or application containing an individual's social security number, or any part thereof, or the  
114 individual's day and month of birth, shall be made available for inspection or copying by anyone. The  
115 Department of Elections shall prescribe procedures for general registrars to make the information in the  
116 lists and applications available in a manner that does not reveal social security numbers or parts thereof,  
117 or an individual's day and month of birth.

118 The completion and timely delivery of an application for an absentee ballot shall be construed to be  
119 an offer by the applicant to vote in the election.

120 The general registrar shall note on each application received whether the applicant is or is not a

121 registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject  
122 the application of any individual because of an error or omission on any record or paper relating to the  
123 application, if such error or omission is not material in determining whether such individual is qualified  
124 to vote absentee.

125 If the application has been properly completed and signed and the applicant is a registered voter of  
126 the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots  
127 for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other  
128 evidence of either first-class or expedited mailing or delivery from the United States Postal Service or  
129 other commercial delivery provider, or deliver to him in person in the office of the registrar, the  
130 following items and nothing else:

131 1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except  
132 in presence of a witness."

133 2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which  
134 envelope is printed the following:

135 "Statement of Voter."

136 "I do hereby state, subject to felony penalties for making false statements pursuant to § 24.2-1016,  
137 that my FULL NAME is \_\_\_\_\_ (last, first, middle); that I am now or have been at some time  
138 since last November's general election a legal resident of \_\_\_\_\_ (STATE YOUR LEGAL  
139 RESIDENCE IN VIRGINIA including the house number, street name or rural route address, city, zip  
140 code); that I received the enclosed ballot(s) upon application to the registrar of such county or city; that  
141 I opened the envelope marked 'ballot within' and marked the ballot(s) in the presence of the witness,  
142 without assistance or knowledge on the part of anyone as to the manner in which I marked it (or I am  
143 returning the form required to report how I was assisted); that I then sealed the ballot(s) in this  
144 envelope; and that I have not voted and will not vote in this election at any other time or place.

145 Signature of Voter \_\_\_\_\_

146 Date \_\_\_\_\_

147 Signature of witness \_\_\_\_\_"

148 For elections held after January 1, 2004, instead of the envelope containing the above oath, an  
149 envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the  
150 Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to  
151 voters who are qualified to vote absentee under that Act.

152 3. A properly addressed envelope for the return of the ballot to the general registrar by mail or by  
153 the applicant in person.

154 4. Printed instructions for completing the ballot and statement on the envelope and returning the  
155 ballot.

156 For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of  
157 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter  
158 votes in a federal election in the state, the printed instructions shall direct the voter to submit with his  
159 ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank  
160 statement, government check, paycheck or other government document that shows the name and address  
161 of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of  
162 identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as  
163 a provisional ballot under the provisions of § 24.2-653. The Department of Elections shall provide  
164 instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to  
165 subsection B of § 24.2-653 and this section.

166 5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee  
167 Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to  
168 the voting rights and responsibilities for such citizens, or information provided by the registrar specific  
169 to the status of the voter registration and absentee ballot application of such voter, may be included.

170 The envelopes and instructions shall be in the form prescribed by the Department of Elections.

171 If the applicant makes his application to vote in person under § 24.2-701 at a time when the printed  
172 ballots for the election are available, the general registrar, on the determination of the qualifications of  
173 the applicant to vote, shall provide to the applicant the items set forth in subdivisions 1 through 4, and  
174 no item shall be removed by the applicant from the office of the general registrar. On the request of the  
175 applicant, made no later than 5:00 p.m. on the seventh day prior to the election in which the applicant  
176 offers to vote, the general registrar may send the items set forth in subdivisions 1 through 4 to the  
177 applicant by mail, obtaining a certificate or other evidence of mailing.

178 If the applicant states as the reason for his absence on election day any of the reasons set forth in  
179 subdivision 2 of § 24.2-700, the general registrar, at the time when the printed ballots for the election  
180 are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in  
181 the office of the general registrar the items as set forth in subdivisions 1 through 4 and, if necessary, an

182 application for registration. A certificate or other evidence of mailing shall not be required. If the  
183 applicant requests that such items be sent by electronic transmission, the general registrar, at the time  
184 when the printed ballots for the election are available but not later than the deadline set forth in  
185 § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for  
186 returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official  
187 email address or fax number of the office of the general registrar published on the Department of  
188 Elections website. The State Board of Elections may prescribe by regulation the format of the email  
189 address used for transmitting ballots to eligible voters. A general registrar may also use electronic  
190 transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be  
191 returned to the general registrar as otherwise required by this chapter.

192 *Whenever a general registrar sends or provides an absentee ballot to a registered applicant, the*  
193 *general registrar shall enroll the name and address of the applicant into the Virginia voter registration*  
194 *system as having been sent or provided an absentee ballot in accordance with the instructions of the*  
195 *Department for purposes of subsection H of § 24.2-416.7 or subsection F of § 24.2-424.*

196 When the statement prescribed in subdivision 2 has been properly completed and signed by the  
197 registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

198 The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this  
199 section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole  
200 or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur,

202 Any person who fails to discharge his duty as provided in this section through willful neglect of duty  
203 and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of  
204 § 24.2-1001.
