B. Such ordinance may be more restrictive or more extensive in scope than statutes or state regulations that may affect child-care services or child-care facilities, provided that such ordinance shall

not impose additional requirements or restrictions on the construction or materials to be used in the erection, alteration, repair, or use of a residential dwelling.

§ 15.2-914. Regulation of child-care services and facilities in certain counties and cities.

Any (i) county that has adopted the urban county executive form of government, (ii) city adjacent to a county that has adopted the urban county executive form of government, or (iii) city which is completely surrounded by such county may by ordinance provide for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities. The ordinance may contain such standards as the local governing body deems appropriate and shall include a requirement that notification be sent by registered or certified letter to the last known address of each adjacent property owner. If the zoning administrator receives no written objection from a person so notified within 30 days of the date of sending the letter and determines that the family day home otherwise complies with the provisions of the ordinance, the zoning administrator may issue the permit sought. The ordinance shall provide a process whereby an applicant for a family day home that is denied a permit through the administrative process may request that its application be considered after a hearing following public notice as provided in § 15.2-2204. Upon such hearing, the local governing body may, in its discretion, approve the permit, subject to such conditions as agreed upon by the applicant and the locality, or deny the permit. 1. Been fingerprinted; and
2. Completed and signed a statement, furnished by the entity, that includes (i) his name, address, and date of birth as it appears on a valid identification document; (ii) a disclosure of whether or not the provider has ever been convicted of or is the subject of pending charges for a criminal offense within or outside the Commonwealth, and if the provider has been convicted of a crime, a description of the crime and the particulars of the conviction; (iii) a notice to the provider that the entity may request a background check; (iv) a notice to the provider that he is entitled to obtain a copy of any background check report, to challenge the accuracy and completeness of any information contained in any such report, and to obtain a prompt determination as to the validity of such challenge before a final

§ 22.1-19. Accreditation of elementary, middle, and high schools; nursery schools; recognition of certain organizations; child day center regulation.

The Board shall provide for the accreditation of public elementary, middle, and high schools in accordance with standards prescribed by it. The Board may provide for the accreditation of private elementary, middle, and high schools in accordance with standards prescribed by it, taking reasonably into account the special circumstances and factors affecting such private schools. The Board in its discretion may recommend provisions for standards for private nursery schools. Any such accreditation shall be at the request of the private school only.

For the purposes of facilitating the transfer of academic credits for students who have attended private schools and are enrolling in public schools, and to meet the requirements of § 63.2-1717

22.1-289.030, the Board of Education shall authorize, in a manner it deems appropriate, the Virginia Council for Private Education to accredit private nursery, preschool, elementary, and secondary schools.

§ 22.1-199.1. Programs designed to promote educational opportunities.

A. The General Assembly finds that Virginia educational research supports the conclusion that poor children are more at risk of educational failure than children from more affluent homes and that reduced pupil/teacher ratios and class sizes result in improved academic performance among young children; to this end, the General Assembly establishes a long-term goal of reducing pupil/teacher ratios and class sizes for grades K through three in those schools in the Commonwealth with high or moderate concentrations of at-risk students.

With such funds as are provided in the appropriation act for this purpose, there is hereby established the statewide voluntary pupil/teacher ratio and class size reduction program for the purpose of reaching the long-term goal of statewide voluntary pupil/teacher ratio and class size reductions for grades K through three in schools with high or moderate concentrations of at-risk students, consistent with the provisions provided in the appropriation act.

In order to facilitate these primary grade ratio and class size reductions, the Department of Education shall calculate the state funding of these voluntary ratio and class size reductions based on the incremental cost of providing the lower class sizes according to the greater of the division average per-pupil cost of all divisions or the actual division per-pupil cost. Localities shall provide matching funds for these voluntary ratio and class size reductions based on the composite index of local ability to pay. School divisions shall notify the Department of Education of their intention to implement the reduced ratios and class sizes in one or more of their qualifying schools by August 1 of each year. By March 31 of each year, school divisions shall forward data substantiating that each participating school has a complying pupil/teacher ratio.

In developing each proposed biennium budget for public education, the Board of Education shall include funding for these ratios and class sizes. These ratios and class sizes shall be included in the annual budget for public education.

B. The General Assembly finds that educational technology is one of the most important components, along with highly skilled teachers, in ensuring the delivery of quality public school education throughout the Commonwealth. Therefore, the Board of Education shall strive to incorporate technological studies within the teaching of all disciplines. Further, the General Assembly notes that educational technology can only be successful if teachers and administrators are provided adequate training and assistance. To this end, the following program is established.

With such funds as are appropriated for this purpose, the Board of Education shall award to the several school divisions grants for expanded access to educational technology. Funding for educational technology training for instructional personnel shall be provided as set forth in the appropriation act.

Funds for improving the quality and capacity of educational technology shall also be provided as set forth in the appropriation act, including, but not limited to, (i) funds for providing a technology resource assistant to serve every elementary school in this Commonwealth beginning on July 1, 1998, and (ii) funds to maintain the currency of career and technical education programs. Any local school board accepting funds to hire technology resource assistants or maintain currency of career and technical education programs shall commit to providing the required matching funds, based on the composite index of local ability to pay.

Each qualifying school board shall establish an individualized technology plan, which shall be approved by the Superintendent of Public Instruction, for integrating technology into the classroom and into schoolwide instructional programs, including career and technical education programs. The grants shall be prioritized as follows:

1. In the 1994 biennium, the first priority for these funds shall be to automate the library media centers and provide network capabilities in Virginia's elementary, middle and high schools, or combination thereof, in order to ensure access to the statewide library and other information networks. If any elementary, middle or high school has already met this priority, the 1994 biennium grant shall be used to provide other educational technologies identified in the relevant division's approved technology plan, such as multimedia and telecomputing packages, integrated learning systems, laptop computer loan programs, career and technical education laboratories or other electronic techniques designed to enhance public education and to facilitate teacher training in and implementation of effective instructional technology. The Board shall also distribute, as provided in the appropriation act, funds to support the purchase of electronic reference materials for use in the statewide automated reference system.

2. In the 1996 biennium and thereafter, the first priority for funding shall be consistent with those components of the Board of Education's revised six-year technology plan which focus on (i) retrofitting and upgrading existing school buildings to efficiently use educational technology; (ii) providing (a) one network-ready multimedia microcomputer for each classroom, (b) a five-to-one ratio of pupils to network-ready microcomputers, (c) graphing calculators and relevant scientific probes/sensors as required

797 by the Standards of Learning, and (d) training and professional development on available technologies
798 and software to all levels and positions, including professional development for personnel delivering
799 career and technical education at all levels and positions; and (iii) assisting school divisions in
800 developing integrated voice-, video-, and data-connectivity to local, national and international resources.

801 This funding may be used to implement a local school division's long-range technology plan, at the
802 discretion of the relevant school board, if the local plan meets or exceeds the goals and standards of the
803 Board's revised six-year technology plan and has been approved by the Superintendent of Public
804 Instruction.

805 3. The Departments of Education, Information Technology, and General Services shall coordinate
806 master contracts for the purchase by local school boards of the aforementioned educational technologies
807 and reference materials.

808 4. Beginning on July 1, 1998, a technology replacement program shall be, with such funds as may be
809 appropriated for this purpose, implemented to replace obsolete educational hardware and software. As
810 provided in subsection D of § 22.1-129, school boards may donate obsolete educational technology
811 hardware and software which are being replaced. Any such donations shall be offered to other school
812 divisions and to preschool programs in the Commonwealth, or to public school students as provided in
813 guidelines to be promulgated by the Board of Education. Such guidelines shall include criteria for
814 determining student eligibility and need; a reporting system for the compilation of information
815 concerning the number and socioeconomic characteristics of recipient students; and notification of
816 parents of the availability of such donations of obsolete educational hardware and software.

817 5. In fiscal year 2000, the Board of Education shall, with such funds as are appropriated for this
818 purpose, contract for the development or purchase of interactive educational software and other
819 instructional materials designed as tutorials to improve achievement on the Standards of Learning
820 assessments. Such interactive educational software and other instructional materials may be used in
821 media centers, computer laboratories, libraries, after-school or before-school programs or remedial
822 programs by teachers and other instructional personnel or provided to parents and students to be used in
823 the home. This interactive educational software and other instructional materials shall only be used as
824 supplemental tools for instruction, remediation, and acceleration of the learning required by the K
825 through 12 Standards of Learning objectives.

826 Consistent with school board policies designed to improve school-community communications and
827 guidelines for providing instructional assistance in the home, each school division shall strive to
828 establish a voice mail communication system after regular school hours for parents, families, and
829 teachers by the year 2000.

830 C. The General Assembly finds that effective prevention programs designed to assist children at risk
831 of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for
832 ensuring that Virginia's children will reach adulthood with the skills necessary to succeed in the
833 twenty-first century; to this end, the following program is hereby established. With such funds as are
834 appropriated for this purpose, the General Assembly hereby establishes a grant program to be disbursed
835 by the Department of Education to schools and community-based organizations to provide quality
836 preschool programs for at-risk four-year-olds who are unserved by Head Start programs and for at-risk
837 five-year-olds who are not eligible to attend kindergarten.

838 The grants shall be used to provide at least half-day services for the length of the school year for
839 at-risk four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds
840 who are not eligible to attend kindergarten. The services shall include quality preschool education, health
841 services, social services, parental involvement including activities to promote family literacy, and
842 transportation.

843 The Department of Education, in cooperation with such other state agencies that may coordinate
844 child day care and early childhood programs, shall establish guidelines for quality preschool education
845 and criteria for the service components, consistent with the findings of the November 1993 study by the
846 Board of Education, the Department of Education, and the Council on Child Day Care and Early
847 Childhood Programs.

848 The guidelines for quality preschool education and criteria for preschool education services may be
849 differentiated according to the agency providing the services in order to comply with various relevant
850 federal or state requirements. However, the guidelines for quality preschool education and the criteria for
851 preschool education services shall require when such services are being provided by the public schools
852 of the Commonwealth, and may require for other service providers, that (i) one teacher shall be
853 employed for any class of nine students or less; (ii) if the average daily membership in any class
854 exceeds nine students but does not exceed 18, a full-time teacher's aide shall be assigned to the class,
855 and (iii) the maximum class size shall be 18 students.

856 School divisions may apply for and be granted waivers from these guidelines by the Department of
857 Education.

858 During the 1995-1996 fiscal year, the Board of Education shall, with such funds as are appropriated

for this purpose, distribute grants, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for 30 percent of the unserved at-risk four-year-olds in the Commonwealth pursuant to the funding provided in the appropriation act.

During the 1996-1997 fiscal year and thereafter, grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth; such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

D. The General Assembly finds that local autonomy in making decisions on local educational needs and priorities results in effective grass-roots efforts to improve education in the Commonwealth's public schools only when coupled with sufficient state funding; to this end, the following block grant program is hereby established. With such funds as are provided in the appropriation act, the Department of Education shall distribute block grants to localities to enable compliance with the Commonwealth's requirements for school divisions in effect on January 1, 1995. Therefore, for the purpose of such compliance, the block grant herein established shall consist of a sum equal to the amount appropriated in the appropriation act for the covered programs, including the at-risk add-on program; dropout prevention, specifically Project YES; Project Discovery; English as a second language programs, including programs for overage, nonschooled students; Advancement Via Individual Determination (AVID); the Homework Assistance Program; programs initiated under the Virginia Guaranteed Assistance Program, except that such funds shall not be used to pay any expenses of participating students at institutions of higher education; Reading Recovery; and school/community health centers. Each school board may use any funds received through the block grant to implement the covered programs and other programs designed to save the Commonwealth's children from educational failure.

E. D. In order to reduce pupil/teacher ratios and class sizes in elementary schools, from such funds as may be appropriated for this purpose, each school board may employ additional classroom teachers, remedial teachers, and reading specialists for each of its elementary schools over the requirements of the Standards of Quality. State and local funding for such additional classroom teachers, remedial teachers, and reading specialists shall be apportioned as provided in the appropriation act.

F. E. Pursuant to a turnaround specialist program administered by the Department of Education, local school boards may enter into agreements with individuals to be employed as turnaround specialists to address those conditions at the school that may impede educational progress and effectiveness and academic success. Local school boards may offer such turnaround specialists or other administrative personnel incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

G. F. The General Assembly finds that certain schools have particular difficulty hiring teachers for certain subject areas and that the need for such teachers in these schools is particularly strong. Accordingly in an effort to attract and retain high quality teachers, local school boards may offer instructional personnel serving in such schools as a member of a middle school teacher corps administered by the Department of Education incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

For purposes of this subsection, "middle school teacher corps" means licensed instructional personnel who are assigned to a local school division to teach in a subject matter in grades six, seven, or eight where there is a critical need, as determined by the Department of Education. The contract between such persons and the relevant local school board shall specify that the contract is for service in the middle school teacher corps.

§ 22.1-299.4. Teach For America license.

A. Notwithstanding any provision of law to the contrary, the Board shall issue a two-year provisional

license, hereafter referred to as the Teach For America license, to any participant in Teach For America, a nationwide nonprofit organization focused on closing the academic achievement gaps between students in high-income and low-income areas, who submits an application and meets the following criteria:

1. Holds, at minimum, a baccalaureate degree from a regionally accredited institution of higher education;

2. Has met the requirements prescribed by the Board for all endorsements sought or has met the qualifying scores on the content area assessment prescribed by the Board for the endorsements sought;

3. Possesses good moral character according to criteria developed by the Board;

4. Has been offered and has accepted placement in Teach For America;

5. Has successfully completed pre-service training and is participating in the professional development requirements of Teach For America, including teaching frameworks, curricula, lesson planning, instructional delivery, classroom management, assessment and evaluation of student progress, classroom diversity, and literacy development;

6. Has an offer of employment from a local school board to teach in a public elementary or secondary school in the Commonwealth or a preschool program that receives state funds pursuant to subsection C of § 22.1-199.1 22.1-289.07; and

7. Receives a recommendation from the employing school division for a Teach For America license in the endorsement area in which the individual seeks to be licensed.

B. In addition to the criteria set forth in subsection A, any individual who seeks an endorsement in early childhood, early/primary, or elementary education shall either (i) agree to complete such coursework in the teaching of reading as may be prescribed by the Board pursuant to regulation during the first year of employment or (ii) achieve a passing score on a reading instructional assessment prescribed by the Board pursuant to regulation.

C. Teachers issued a Teach For America provisional license shall not be eligible for continuing contract status while employed under the authority of a Teach For America license and shall be subject to the probationary terms of employment specified in § 22.1-303.

D. The Board may extend any Teach For America license for one additional year upon request of the employing school division, provided that no Teach For America license shall exceed a total of three years in length.

E. Notwithstanding any provision of law to the contrary, upon completion of at least two years of full-time teaching experience in a public elementary or secondary school in the Commonwealth or a preschool program that receives state funds pursuant to subsection C of § 22.1-199.1 22.1-289.07, an individual holding a Teach For America license shall be eligible to receive a renewable license if he has (i) achieved satisfactory scores on all professional teacher assessments required by the Board and (ii) received satisfactory evaluations at the conclusion of each year of employment.

F. Notwithstanding any provision of law to the contrary, the Board shall issue a Teach For America license to any individual who (i) has completed two years of successful teaching in the Teach For America program in another state, (ii) is not eligible to receive a renewable license, and (iii) meets the criteria set forth in subsection A.

CHAPTER 14.1.

EARLY CHILDHOOD CARE AND EDUCATION.

Article 1.

General Provisions.

§ 22.1-289.02. *Early childhood care and education system; established.*

A. *The Board shall establish a statewide unified public-private system for early childhood care and education in the Commonwealth to ensure that every child has the opportunity to enter kindergarten healthy and ready to learn. Such system shall be designed to improve the outcomes at all levels of the Commonwealth's educational and workforce pipeline by establishing an effective, equitable, and accountable system of early childhood care and education that will promote kindergarten readiness, inform and support working families, and ably serve as the foundation for sustained lifelong learning and achievement for all children in the Commonwealth. Such system shall be administered by the Board, the Superintendent, and the Department and shall be formed, implemented, and sustained through a structure that engages and leverages both state-level authority and regional-level public-private partnership assets.*

B. *The Board shall design the system to:*

1. *Support parents and families in their role as the primary and most enduring decision-makers in their children's lives by (i) ensuring parental choice is supported through diverse high-quality, affordable service delivery options that span public and private programs; (ii) equipping families with clear and actionable information about the quality and affordability of available programs and services, which are both a necessary work support and a key learning opportunity; and (iii) for the benefit of families and children who are at-risk, targeting public resources through policy-setting and decision-making related to access, quality, outcomes, and accountability for early childhood services;*

2. Clearly define and support unified state-level responsibilities for ensuring that the Commonwealth's system is efficiently and cohesively organized; well-supported by infrastructure, resources, and effective policy; and accountable to the stated purposes and priorities by setting and maintaining aligned standards and goals related to (i) quality of programming and practitioners; (ii) eligibility, availability of, and access to programs and resources for families and children; (iii) integration of financing to the maximum extent feasible under federal law at both state and regional levels; and (iv) assessment, measurement, and accountability to inform budget, program, and policy decisions;

3. Ensure that publicly funded early childhood programs appropriately address the age, developmental stages, and needs of young of children, and prioritize kindergarten readiness and that public funds are directed at and reward programs that show progression toward and achieve high levels of kindergarten readiness, as applicable for the ages and stages of children served;

4. Provide uniform child-level, classroom or setting-level, and practitioner-level standards for providers of publicly funded early childhood programs while also providing the autonomy to implement an educational program that promotes and achieves kindergarten readiness without undue regulation and ensure that standards for young children from birth to kindergarten align to the extent they remain developmentally appropriate with those established for children enrolled in kindergarten through third grade;

5. Unify the fragmented system of policy and standards, funding and financing, data and accountability, and oversight of the publicly funded early childhood programs that acts as a barrier to providing every child with high quality services and programs and to providing parents with the information needed to make informed choices when selecting the programs that best fit the needs of their children;

6. Promote regional level capacity and flexibility to design and implement systems and to be accountable for outcomes for their communities' children and families;

7. Facilitate flexibility and foster innovation in order for localities and regions to address their unique school readiness and workforce support needs and leverage their unique relevant assets;

8. Provide for an effective and efficient organizational structure that provides for and protects locally or regionally driven leadership, innovation, incentives-based accountability, and decision making;

9. Articulate and support the roles and responsibilities of both public and private sectors in building and sustaining opportunities for healthy development and school readiness for all children in the Commonwealth;

10. Support and protect the capacity of private provider programs as essential partners in communities' diverse early education systems;

11. Leverage resources and innovation throughout the Commonwealth by building on existing and developing new public-private partnerships;

12. Utilize private sector expertise and resources to promote innovation, efficiencies, adaptation, and strategic financing approaches to leverage incentive-based opportunities; and

13. Recognize early childhood education as strategic to the overall economic and cultural development of the Commonwealth by considering it as part of any state education, workforce, or economic development effort.

C. The Board shall (i) establish a definition of kindergarten readiness that aligns with state content standards for elementary and secondary schools as well as the optimal learning and growing conditions for young children from birth to kindergarten; (ii) establish service provision and performance targets for children from birth to age five that align with standards for kindergarten readiness and early elementary grades to be used in publicly funded early childhood education programs; (iii) create a uniform quality rating and improvement system with required participation by publicly funded early childhood education programs and voluntary participation by privately funded providers; (iv) establish consistent quality standards for all types of publicly funded early childhood programs that are indicative of child outcomes; (v) align the standards for the licensing of publicly funded child care facilities with quality standards established pursuant to clause (iv); (vi) identify and support effective implementation of aligned instructional tools in publicly funded early childhood programs; (vii) create systems to incentivize and reward the performance of publicly funded programs, ensuring leaders and teachers are compensated for outcomes-based achievements; (viii) align with, support, and leverage an early childhood professional development system that provides affordable access to competency-building, stackable credentials and coaching and other necessary supports for the development of early educators; and (ix) establish and maintain cross-agency early childhood data analytics systems to inform long-term policy, program, and budget decisions.

C. The Board shall establish an early childhood advisory committee to advise the Board on the design and implementation of such system. The advisory committee shall include representatives from licensed child-welfare agencies and from programs exempt from licensure.

§ 22.1-289.03. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Child day center" means a child day program offered to (i) two or more children under the age of 13 in a facility that is not the residence of the provider or of any of the children in care or (ii) 13 or more children at any location.

"Child day program" means a regularly operating service arrangement for children where, during the absence of a parent or guardian, a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period.

"Child-welfare agency" means a child day center, family day home, or family day system.

"Family day home" means a child day program offered in the residence of the provider or the home of any of the children in care for one through 12 children under the age of 13, exclusive of the provider's own children and any children who reside in the home, when at least one child receives care for compensation. The provider of a licensed or registered family day home shall disclose to the parents or guardians of children in their care the percentage of time per week that persons other than the provider will care for the children. Family day homes serving five through 12 children, exclusive of the provider's own children and any children who reside in the home, shall be licensed. However, no family day home shall care for more than four children under the age of two, including the provider's own children and any children who reside in the home, unless the family day home is licensed or voluntarily registered. However, a family day home where the children in care are all related to the provider by blood or marriage shall not be required to be licensed.

"Family day system" means any person who approves family day homes as members of its system; who refers children to available family day homes in that system; and who, through contractual arrangement, may provide central administrative functions including, but not limited to, training of operators of member homes; technical assistance and consultation to operators of member homes; inspection, supervision, monitoring, and evaluation of member homes; and referral of children to available health and social services.

"Registered family day home" means any family day home that has met the standards for voluntary registration for such homes pursuant to regulations adopted by the Board and that has obtained a certificate of registration from the Superintendent.

§ 22.1-289.04. Confidential records and information; penalty.

A. The records, information and statistical registries of the Department and of all child-welfare agencies concerning services to or on behalf of individuals shall be confidential information, provided that the Superintendent, the Board, and their agents shall have access to such records, information, and statistical registries, and that such records, information, and statistical registries may be disclosed to any person having a legitimate interest in accordance with state and federal law and regulation.

It shall be unlawful for any officer, agent, or employee of any child-welfare agency; for the Superintendent, the State Board, or their agents or employees; for any person who has held any such position; and for any other person to whom any such record or information is disclosed to disclose, directly or indirectly, any such confidential record or information, except as herein provided or pursuant to § 63.2-105. Every violation of this section shall constitute a Class 1 misdemeanor.

B. If a request for a record or information concerning applicants for and recipients of services provided in this chapter is made to the Department by a person who does not have a legitimate interest, the Superintendent shall not provide the record or information unless permitted by state or federal law or regulation.

§ 22.1-289.05. Information related to shaken baby syndrome.

The Department shall make information about shaken baby syndrome, its effects, and resources for help and support for caretakers in a printable format, and information about how to acquire information about shaken baby syndrome and its effects in an audiovisual format, available to the public on its website. Such information shall be provided to every child welfare program required to be licensed by the Department at the time of initial licensure and upon request.

§ 22.1-289.06. Board to investigate institutions at direction of Governor.

Whenever the Governor considers it proper or necessary to investigate the management of any institution licensed by or required to be inspected by the Board under the provisions of this chapter, he may direct the Board, or any committee or agent thereof, to make the investigation. The Board, committee, or agent designated by the Governor shall have power to administer oaths and to summon officers, employees, or other persons to attend as witnesses and to enforce their attendance and to compel them to produce documents and give evidence.

Article 2.**Virginia Preschool Initiative****§ 22.1-289.07. Programs designed to promote educational opportunities.**

A. The General Assembly finds that effective prevention programs designed to assist children at risk

of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed in the twenty-first century; to this end, the following program is hereby established. With such funds as are appropriated for this purpose, the General Assembly hereby establishes a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.

B. Grants shall be used to provide at least half-day services for the length of the school year for at-risk four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education, health services, social services, parental involvement including activities to promote family literacy, and transportation.

C. The Department of Education shall establish guidelines for quality preschool education and criteria for the service components, consistent with the findings of the November 1993 study by the Board of Education, the Department of Education, and the Council on Child Day Care and Early Childhood Programs.

D. The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements. However, the guidelines for quality preschool education and the criteria for preschool education services shall require when such services are being provided by the public schools of the Commonwealth, and may require for other service providers, that (i) one teacher shall be employed for any class of nine students or less, (ii) if the average daily membership in any class exceeds nine students but does not exceed 18, a full-time teacher's aide shall be assigned to the class, and (iii) the maximum class size shall be 18 students.

E. School divisions may apply for and be granted waivers from these guidelines by the Department of Education. Grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth, such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

F. Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

G. In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

Article 3.

Early Childhood Innovation Fund.

§ 22.1-289.08. Early Childhood Innovation Fund.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Early Childhood Innovation Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, or other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of awarding grants to successful applicants pursuant to this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Superintendent of Public Instruction.

B. The Fund shall be used to facilitate regional public-private collaboration and to field test innovative strategies and evidence-based practices that support a robust system of comprehensive early childhood care and education services in order to deliver measurable school readiness outcomes and meet regional workforce support needs. The Fund shall be used to incentivize and encourage coordination among public and private early childhood care and education programs and to build capacity, quality, and expertise in fully utilizing and leveraging all available funding streams. Priority shall be given to applicants who commit to pursuing models of local governance that (i) promote the

successful public-private delivery of early childhood care and education services that both increase school readiness and support working families; (ii) demonstrate efficient integration of public and private funds and innovative financing strategies; (iii) utilize incentives to stabilize and bolster the capacity of private sector early childhood care and education providers; (iv) leverage private and philanthropic resources to implement venture fund strategies; and (v) demonstrate impact on and value to the region's workforce and economy from grant activities.

C. The Virginia Early Childhood Foundation shall administer a request for proposal process to invite community applicants to respond with localized innovations and approaches to a public-private early childhood care and education system of services.

D. Grants shall be awarded by the Virginia Early Childhood Foundation, in consultation with the Department of Education and the regional Virginia Growth and Opportunity Boards. The Foundation shall notify the Department and regional Virginia Growth and Opportunity Boards of grant recipients.

E. In order to provide program flexibility and maximize local innovation, pursuant to a plan of innovation, grant recipients shall be exempted from selected regulatory provisions and be permitted to adopt alternative policies to meet the diverse needs of their community. Upon the request of any grant recipient and pursuant to a plan of innovation, other relevant state agencies and boards may grant additional waivers from agency or board regulations and guidelines, as deemed appropriate. Nothing in this subsection shall be construed to permit individuals or entities other than grant recipients to request and receive waivers pursuant to this subsection.

F. Virginia Early Childhood Foundation shall annually report on grantee progress and any waiver received pursuant to subsection E to the Chairmen of the House Committees on Appropriations and Education and the Senate Committees on Education and Health and Finance.

Article 4.

Licensure.

§ 22.1-289.09. Application fees; regulations and schedules; use of fees; certain facilities, centers and agencies exempt.

The Board is authorized to adopt regulations and schedules for fees to be charged for processing applications for licenses to operate child welfare agencies. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations based on the capacity of such facilities, centers and agencies. Fees shall be used for the development and delivery of training for operators and staff of facilities, centers and agencies. Fees shall be expended for this purpose within two fiscal years following the fiscal year in which they are collected. These fees shall not be applicable to facilities, centers or agencies operated by federal entities.

The Board shall develop training programs for operators and staffs of licensed child day programs. Such programs shall include formal and informal training offered by institutions of higher education, state and national associations representing child care professionals, local and regional early childhood educational organizations and licensed child care providers. Training provided to operators and staffs of licensed child day programs shall include training and information regarding shaken baby syndrome, its effects, and resources for help and support for caretakers. To the maximum extent possible, the Board shall ensure that all provider interests are represented and that no single approach to training shall be given preference.

§ 22.1-289.010. Licenses required; issuance, expiration, and renewal; maximum number of residents, participants or children; posting of licenses.

A. As used in this section, "person" means any individual; corporation; partnership; association; limited liability company; local government; state agency, including any department, institution, authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or commercial entity that operates or maintains a child welfare agency.

B. Every person who constitutes, or who operates or maintains a child welfare agency shall obtain the appropriate license from the Superintendent, which may be renewed. The Superintendent, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Superintendent, in such form as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an association, partnership, limited liability company, or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Superintendent may require.

C. The licenses shall be issued on forms prescribed by the Superintendent. Any two or more licenses may be issued for concurrent operation of more than one child welfare agency, but each license shall be issued upon a separate form. Each license and renewals thereof for a child welfare agency may be issued for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

D. The Superintendent may extend or shorten the duration of licensure periods for a child welfare

agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the child welfare agency for which it is issued.

F. The license and any other documents required by the Superintendent shall be posted in a conspicuous place on the licensed premises.

G. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

§ 22.1-289.011. Local government to report business licenses issued to child day centers and family day homes.

The commissioner of the revenue or other local business license official shall report to the Department on a semiannual basis the name, address, and contact information of any child day center or family day home to which a business license was issued.

§ 22.1-289.012. Investigation on receipt of application.

Upon receipt of the application, the Superintendent shall cause an investigation to be made of the activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. The character and reputation investigation upon application shall include background checks pursuant to § 22.1-289.034. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

§ 22.1-289.013. Variances.

The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a licensee or applicant for licensure as a child welfare agency has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The Superintendent shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

§ 22.1-289.014. Voluntary registration of family day homes; inspections; investigation upon receipt of complaint; revocation or suspension of registration.

A. Any person who maintains a family day home serving fewer than five children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration. An applicant for voluntary registration shall file with the Superintendent, prior to beginning any such operation and thereafter biennially, an application which shall include, but not be limited to, the following:

1. The name, address, phone number, and social security number of the person maintaining the family day home;

2. The number and ages of the children to receive care;

3. A sworn statement or affirmation in which the applicant attests to the accuracy of the information submitted to the Superintendent; and

4. Documentation that the background check requirements for registered child welfare agencies in Article 6 (§ 22.1-289.032 et seq.) have been met.

B. The Board shall adopt regulations for voluntarily registered family day homes that include, but are not limited to:

1. The criteria and process for the approval of the certificate of registration;

2. Requirements for a self-administered health and safety guidelines evaluation checklist;

3. A schedule for fees to be paid by the providers to the contract organization or to the Department if it implements the provisions of this section for processing applications for the voluntary registration of family day homes. The charges collected shall be maintained for the purpose of recovering administrative costs incurred in processing applications and certifying such homes as eligible or registered;

4. The criteria and process for the renewal of the certificate of registration; and

5. The requirement that upon receipt of a complaint concerning a registered family day home, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, and facilities. The person who maintains such home shall afford the Superintendent reasonable opportunity to inspect the operator's facilities and records and to interview any employees and any child or other person within his custody or control. Whenever a registered family day home is determined by the Superintendent to be in noncompliance with the regulations for

1289 voluntarily registered family day homes, the Superintendent shall give reasonable notice to the operator
1290 of the nature of the noncompliance and may thereafter revoke or suspend the registration.

1291 C. Upon receiving the application on forms prescribed by the Superintendent, and after having
1292 determined that the home has satisfied the requirements of the regulations for voluntarily registered
1293 family day homes, the Superintendent shall issue a certificate of registration to the family day home.

1294 D. The Superintendent shall contract in accordance with the requirements of the Virginia Public
1295 Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to
1296 review applications and certify family day homes as eligible for registration, pursuant to the regulations
1297 for voluntarily registered family day homes. If no qualified local agencies or community organizations
1298 are available, the Superintendent shall implement the provisions of this section. "Qualified" means
1299 demonstrated ability to provide sound financial management and administrative services including
1300 application processing, maintenance of records and reports, technical assistance, consultation, training,
1301 monitoring, and random inspections.

1302 E. The scope of services in contracts shall include:

1303 1. The identification of family day homes which may meet the standards for voluntary registration
1304 provided in subsection A; and

1305 2. A requirement that the contract organization shall provide administrative services, including, but
1306 not limited to, processing applications for the voluntary registration of family day homes; certifying such
1307 homes as eligible for registration; providing technical assistance, training and consultation with family
1308 day homes; ensuring providers' compliance with the regulations for voluntarily registered family day
1309 homes, including monitoring and random inspections; and maintaining permanent records regarding all
1310 family day homes which it may certify as eligible for registration.

1311 F. The contract organization, upon determining that a family day home has satisfied the
1312 requirements of the regulations for voluntarily registered family day homes, shall certify the home as
1313 eligible for registration on forms prescribed by the Superintendent. The Superintendent, upon
1314 determining that certification has been properly issued, may register the family day home.

1315 G. The provisions of this section shall not apply to any family day home located in a county, city, or
1316 town in which the governing body provides by ordinance for the regulation and licensing of persons
1317 who provide child-care services for compensation and for the regulation and licensing of child-care
1318 facilities pursuant to the provisions of § 15.2-914.

1319 **§ 22.1-289.015. Unlicensed and unregistered family day homes; notice to parents.**

1320 Every unlicensed, unregistered family day home shall provide written notice to the parents of every
1321 child receiving care, at the time the family day home begins providing care for the child, stating that
1322 the family day home is not regulated by the Department and referring parents to a website maintained
1323 by the Department for additional information regarding licensed, registered, and unlicensed,
1324 unregistered family day homes. The provisions of this section shall not apply to an unlicensed,
1325 unregistered family day home in which all of the children receiving care are related to the provider by
1326 blood or marriage.

1327 **§ 22.1-289.016. Compliance with Uniform Statewide Building Code.**

1328 Buildings licensed as child welfare agencies shall be classified by and meet the specifications for the
1329 proper Use Group as required by the Virginia Uniform Statewide Building Code.

1330 **§ 22.1-289.017. Inspections and interviews.**

1331 A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable
1332 opportunity to inspect all of their facilities, books and records, and to interview their agents and
1333 employees and any person living or participating in such facilities, or under their custody, control,
1334 direction or supervision. Interviews conducted pursuant to this section with persons living or
1335 participating in a facility operated by or under the custody, control, direction, or supervision of an
1336 applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his
1337 legally authorized representative and (ii) limited to discussion of issues related to the applicant's or
1338 licensee's compliance with applicable laws and regulations, including ascertaining if assessments and
1339 reassessments of residents' cognitive and physical needs are performed as required under regulations of
1340 the Board.

1341 B. All licensed child welfare agencies shall be inspected not less than twice annually, and one of
1342 those inspections shall be unannounced.

1343 C. The activities, services and facilities of each applicant for renewal of his license as a child
1344 welfare agency shall be subject to an inspection or examination by the Superintendent to determine if he
1345 is in compliance with current regulations of the Board.

1346 D. The Superintendent may authorize such other announced or unannounced inspections as the
1347 Superintendent considers appropriate.

1348 **§ 22.1-289.018. Issuance or refusal of license; notification; provisional and conditional licenses.**

1349 Upon completion of his investigation, the Superintendent shall issue an appropriate license to the
1350 applicant if (i) the applicant has made adequate provision for such activities, services, and facilities as

are reasonably conducive to the welfare of the children over whom he may have control; (ii) at the time of initial application, the applicant has submitted an operating budget and at least one credit reference; (iii) he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company, or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this chapter. Otherwise, the license shall be denied. Immediately upon taking final action, the Superintendent shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Superintendent may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. The provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months. A copy of the provisional license shall be prominently displayed by the provider at each public entrance of the subject facility and shall be printed in a clear and legible size and style. In addition, the facility shall be required to prominently display next to the posted provisional license a notice that a description of specific violations of licensing standards to be corrected and the deadline for completion of such corrections is available for inspection at the facility and on the facility's website, if applicable.

At the discretion of the Superintendent, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months.

§ 22.1-289.019. Records and reports.

Every licensed or registered child welfare agency or family day home approved by a family day system shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

§ 22.1-289.020. Enforcement and sanctions; child welfare agencies; revocation and denial.

The Superintendent may revoke or deny the renewal of the license of any child welfare agency that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

§ 22.1-289.021. Enforcement and sanctions; special orders; civil penalties.

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Superintendent may issue a special order (i) for violation of any of the provisions of this chapter, § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in a child welfare agency. Notice of the Superintendent's intent to take any of the actions enumerated in subdivisions B 1 through 6 shall be provided by the Department and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. Actions set forth in subsection B may be appealed by (a) a child welfare agency operated by an agency of the Commonwealth or (b) any other child welfare agency in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Superintendent may take the following actions regarding child welfare agencies through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of children are at risk;

2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Superintendent concludes that the lack of such training has led directly to violations of regulations;

4. Assess civil penalties of not more than \$500 per inspection upon finding that the child welfare agency is substantially out of compliance with the terms of its license and the health and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this subdivision on any child welfare agency operated by an agency of the Commonwealth;

5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and

6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the regulations from receiving public funds.

C. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.022. Appeal from refusal, denial of renewal, or revocation of license.

A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a child welfare agency operated by an agency of the Commonwealth, the provisions of § 22.1-289.023 shall apply. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a child welfare agency other than a child welfare agency operated by an agency of the Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the Superintendent's intent to refuse to issue or renew, or revoke a license shall be received in writing from the child welfare agency operator within 15 days of the date of receipt of the notice. Judicial review of a final review agency decision shall be in accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

B. In every appeal to a court of record, the Superintendent shall be named defendant.

C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for operation without a license.

D. When issuance or renewal of a license for a child welfare agency has been refused by the Superintendent, the applicant shall not thereafter for a period of six months apply again for such license unless the Superintendent in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application. When an appeal is taken by the applicant pursuant to subsection A, the six-month period shall be extended until a final decision has been rendered on appeal.

§ 22.1-289.023. Right to appeal notice of intent; child welfare agencies operated by agencies of the Commonwealth.

A child welfare agency operated by an agency of the Commonwealth shall have the right to appeal any notice of intent as follows:

1. Within 30 days after receiving a notice of intent to impose a sanction, the licensee shall request in writing that the Superintendent review the intended agency action and may submit, together with such request, relevant information, documentation, or other pertinent data supporting its appeal. The Superintendent shall issue a decision within 60 days after receiving the request and shall have the authority to uphold the sanction or take whatever action he deems appropriate to resolve the controversy.

2. If the child welfare agency disputes the Superintendent's decision, the licensee shall request, within 30 days of receiving the Superintendent's decision, that the Superintendent refer the matter to the Secretary of Education. 1563 F. Family day homes that are members of a licensed family day system shall not be required to
1564 obtain a license from the Superintendent.

1568 center that is a child welfare agency operated or conducted under the auspices of a religious institution,
1569 shall be exempt from the licensure requirements of this chapter, but shall comply with the provisions of
1570 this section unless it chooses to be licensed. If such religious institution chooses not to be licensed, it
1571 shall file with the Superintendent, prior to beginning operation of a child day center and thereafter
1572 annually, a statement of intent to operate a child day center, certification that the child day center has
1573 disclosed in writing to the parents or guardians of the children in the center the fact that it is exempt
1574 from licensure and has posted the fact that it is exempt from licensure in a visible location on the
1575 premises, the qualifications of the personnel employed therein, and documentary evidence that:

1576 1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance
1577 with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and
1578 exclusively occupied by the religious institution is exempt from local taxation.

1579 2. Within the prior 90 days for the initial exemption and within the prior 180 days for exemptions
1580 thereafter, the local health department and local fire marshal or Office of the State Fire Marshal,
1581 whichever is appropriate, have inspected the physical facilities of the child day center and have
1582 determined that the center is in compliance with applicable laws and regulations with regard to food
1583 service activities, health and sanitation, water supply, building codes, and the Statewide Fire Prevention
1584 Code or the Uniform Statewide Building Code.

1585 3. The child day center employs supervisory personnel according to the following ratio of staff to

Other staff members counted for purposes of the staff-to-child ratio need not be physically present in the same space as the resting or sleeping children, but shall be present on the same floor as the resting or sleeping children and shall have no barrier to their immediate access to the resting or sleeping children. The staff member who is physically present in the same space as the sleeping children shall be able to summon additional staff counted in the staff-to-child ratio without leaving the space in which the resting or sleeping children are located.

Staff members shall be at least 16 years of age. Staff members under 18 years of age shall be under the supervision of an adult staff member. Adult staff members shall supervise no more than two staff members under 18 years of age at any given time.

5. The center is in compliance with the requirements of:

a. This section.

b. Section 22.1-289.037 relating to background checks.

6. The following aspects of the child day center's operations are described in a written statement provided to the parents or guardians of the children in the center and made available to the general public: physical facilities, enrollment capacity, food services, health requirements for the staff and public liability insurance.

8. A person trained and certified in first aid and cardiopulmonary resuscitation (CPR) will be present at the child day center whenever children are present or at any other location in which children attending the child day center are present.

9. The child day center is in compliance with all safe sleep guidelines recommended by the American Academy of Pediatrics.

6. Ensuring that all staff are able to recognize the signs of child abuse and neglect.

7. Ensuring that all incidents involving serious physical injury to or death of children attending the child day center are reported to the Superintendent. Reports of serious physical injuries, which shall include any physical injuries that require an emergency referral to an offsite health care professional or treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business day after the death occurred.

C. The Superintendent may perform on-site inspections of religious institutions to confirm compliance with the provisions of this section and to investigate complaints that the religious institution is not in compliance with the provisions of this section. The Superintendent may revoke the exemption for any child day center in serious or persistent violation of the requirements of this section. If a religious institution operates a child day center and does not file the statement and documentary evidence required by this section, the Superintendent shall give reasonable notice to such religious institution of the nature of its noncompliance and may thereafter take such action as he determines appropriate, including a suit to enjoin the operation of the child day center.

D. Any person who has reason to believe that a child day center falling within the provisions of this

1658 section is not in compliance with the requirements of this section may report the same to the
1659 Department, the local health department, or the local fire marshal, each of which may inspect the child
1660 day center for noncompliance, give reasonable notice to the religious institution, and thereafter may
1661 take appropriate action as provided by law, including a suit to enjoin the operation of the child day
1662 center.

1663 E. Nothing in this section shall prohibit a child day center operated by or conducted under the
1664 auspices of a religious institution from obtaining a license pursuant to this chapter.

1668 A. A preschool or nursery school program operated by a private school accredited by an accrediting
1669 organization recognized by the Board pursuant to § 22.1-19 shall be exempt from licensure under this
1670 chapter if it complies with the provisions of this section and meets the requirements of subsection B.

1671 B. A school described in subsection A shall meet the following conditions in order to be exempt
1672 under this subsection:

1674 compulsory school attendance laws, and children below the age of compulsory school attendance also
1675 participate in such instructional programs;

1679 instructional adult;

1680 3. The school (i) maintains an average enrollment ratio during the current school year of five

1692 1. Intent to operate a certified preschool program;

1693 2. Documentary evidence that the school has been accredited as provided in subsection A;

1694 3. Documentation that the school has disclosed in writing to the parents, guardians, or persons
1695 having charge of a child enrolled in the school's preschool program and has posted in a visible location
1696 on the premises the fact of the program's exemption from licensure;

1697 4. Documentary evidence that the physical facility in which the preschool program will be conducted
1698 has been inspected (i) before initial certification by the local building official and (ii) within the
1699 12-month period prior to initial certification and at least annually thereafter by the local health
1700 department, and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, and

1719 criminal record check as provided in § 22.1-289.033 to meet the requirements of § 22.1-296.3 as a

condition of initial or continued employment.

All accredited private schools seeking certification of preschool programs shall file such information on forms prescribed by the Superintendent. The Superintendent shall certify all preschool programs of accredited private schools which comply with the provisions of subsection A. The Superintendent may conduct an annual inspection of such preschool programs to ensure compliance with the provisions of this section and conduct inspections to investigate complaints alleging noncompliance.

D. A preschool program of a private school that has not been accredited as provided in subsection A shall be subject to licensure.

E. If the preschool program of a private school that is accredited as provided in subsection A fails to file the statement and the required documentary evidence, the Superintendent shall notify the school of its noncompliance and may thereafter take such action as he determines appropriate, including notice that the program is required to be licensed.

F. The revocation or denial of the certification of a preschool program shall be subject to appeal pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a final agency decision shall be in accordance with the provisions of the Administrative Process Act.

G. Any person who has reason to believe that a private school falling within the provisions of this section is in noncompliance with any applicable requirement of this section may report the same to the Department, the local health department, or the local fire marshal, each of which may inspect the school for noncompliance, give reasonable notice to the school of the nature of its noncompliance, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

H. Upon receipt of a complaint concerning a certified preschool program of an accredited private school, if for good cause shown there is reason to suspect that the school is in noncompliance with any provision of this section or the health or safety of the children attending the preschool program is in danger, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary of the services, personnel, and facilities of the school's preschool program. The school shall afford the Superintendent reasonable opportunity to inspect the school's preschool program, records, and facility, and to interview the employees and any child or parent or guardian of a child who is or has been enrolled in the preschool program. If, upon completion of the investigation, it is determined that the school is in noncompliance with the provisions of this section, the Superintendent shall give reasonable notice to the school of the nature of its noncompliance and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

I. Failure of a private school to comply with the provisions of this section, or a finding that the health and safety of the children attending the preschool program are in clear and substantial danger upon the completion of an investigation, shall be grounds for revocation of the certification issued pursuant to this section.

J. If a private school operates a child day program outside the scope of its instructional classes during the school year or operates a child day program during the summer, the child day program shall be subject to licensure under the regulations adopted pursuant to § 22.1-289.044.

K. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices of a private school from obtaining a license pursuant to this chapter.

§ 22.1-289.031. Inspection of unlicensed child care operations; inspection warrant.

In order to perform his duties under this chapter, the Superintendent may enter and inspect any unlicensed child care operation with the consent of the owner or person in charge, or pursuant to a warrant. Administrative search warrants for inspections of child care operations, based upon a petition demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge having authority to issue criminal warrants whose territorial jurisdiction includes the child care operation to be inspected, if he is satisfied from the petition and affidavit that there is reasonable and probable cause for the inspection. The affidavit shall contain either a statement that consent to inspect has been sought and refused, or that facts and circumstances exist reasonably justifying the failure to seek such consent. Such facts may include, without limitation, past refusals to permit inspection or facts establishing reason to believe that seeking consent would provide an opportunity to conceal violations of statutes or regulations. Probable cause may be demonstrated by an affidavit showing probable cause to believe that the child care operation is in violation of any provision of this chapter or any regulation adopted pursuant to this chapter, or upon a showing that the inspection is to be made pursuant to a reasonable administrative plan for the administration of this chapter. The inspection of a child care operation that has been the subject of a complaint pursuant to § 22.1-289.040 shall have preeminent priority over any other inspections of child care operations to be made by the Superintendent unless the complaint on its face or in the context of information known to the Superintendent discloses that the complaint has been brought to harass, to retaliate, or otherwise to achieve an improper purpose, and that the improper purpose casts serious doubt on the veracity of the complaint. After issuing a warrant

1781 under this section, the judge shall file the affidavit in the manner prescribed by § 19.2-54. Such warrant
1782 shall be executed and returned to the clerk of the circuit court of the city or county wherein the
1783 inspection was made.

1784 Article 6.

1786 § 22.1-289.032. **Barrier crime; construction.**

1787 For purposes of this chapter, convictions for any barrier crime as defined in § 19.2-392.02 shall
1788 include prior adult convictions and juvenile convictions or adjudications of delinquency based on a
1789 crime that would be a felony if committed by an adult within or outside the Commonwealth.

1791 **compensation or use as volunteers of persons convicted of or found to have committed certain**
1792 **offenses prohibited; national background check required; penalty.**

1793 A. No child day center, family day home, or family day system licensed in accordance with the
1794 provisions of this chapter, child day center exempt from licensure pursuant to § 22.1-289.029, registered

1801 the Commonwealth. All applicants for employment, employees, applicants to serve as volunteers, and
1802 volunteers shall undergo a background check in accordance with subsection B prior to employment or
1803 beginning to serve as a volunteer and every five years thereafter.

1804 B. Any individual required to undergo a background check in accordance with subsection A shall:

1805 1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is
1806 the subject of pending charges for any offense within or outside the Commonwealth and whether he has
1807 been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

1812 any child abuse and neglect registry or equivalent registry maintained by any other state in which the
1813 individual has resided in the preceding five years for any founded complaint of child abuse or neglect
1814 against him.

1815 The individual's fingerprints and personal descriptive information obtained pursuant to subdivision 2
1816 shall be forwarded through the Central Criminal Records Exchange to the Federal Bureau of
1817 Investigation for the purpose of obtaining national criminal history record information regarding such
1818 individual. Upon receipt of the individual's record or notification that no record exists, the Central
1819 Criminal Records Exchange shall forward the information to the Department, and the Department shall
1820 report to the child day center, family day home, or family day system described in subsection A as to
1821 whether the individual is eligible to have responsibility for the safety and well-being of children. In
1822 cases in which the record forwarded to the Department is lacking disposition data, the Department shall
1823 conduct research in whatever state and local recordkeeping systems are available in order to obtain
1824 complete data before reporting to the child day center, family day home, or family day system.

1825 C. The child day center, family day home, or family day system described in subsection A shall
1826 inform every individual required to undergo a background check pursuant to this section that he is
1827 entitled to obtain a copy of any background check report and to challenge the accuracy and
1828 completeness of any such report and obtain a prompt resolution before a final determination is made of
1829 the individual's eligibility to have responsibility for the safety and well-being of children.

1830 D. Any person making a materially false statement regarding the sworn statement or affirmation
1831 provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

1832 E. Further dissemination of the background check information is prohibited other than to the
1833 Superintendent's representative or a federal or state authority or court as may be required to comply
1834 with an express requirement of law for such further dissemination.

1835 F. A person who complies in good faith with the provisions of this section shall not be liable for any
1836 civil damages for any act or omission in the performance of duties under this section unless the act or
1837 omission was the result of gross negligence or willful misconduct.

1838 G. Notwithstanding the provisions of subsection A, a child day center may hire for compensated
1839 employment persons who have been convicted of not more than one misdemeanor offense under
1840 § 18.2-57, or any substantially similar offense under the laws of another jurisdiction, if 10 years have
1841 elapsed following the conviction, unless the person committed such offense while employed in a child
1842 day center or the object of the offense was a minor.

H. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state of such processing and administration.

I. Any individual required to undergo a background check pursuant to subsection A who is (i) convicted of any barrier crime as defined in § 19.2-392.02 or (ii) found to be the subject of a founded complaint of child abuse or neglect within or outside of the Commonwealth shall notify the child day center, family day home, or family day system described in subsection A of such conviction or finding.

§ 22.1-289.034. Background check upon application for licensure, registration, or approval as child day center, family day home, or family day system; penalty.

A. Every (i) applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system; (ii) agent of an applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system at the time of application who is or will be involved in the day-to-day operations of the child day center, family day home, or family day system or who is or will be alone with, in control of, or supervising one or more of the children; and (iii) adult living in such child day center or family day home shall undergo a background check in accordance with subsection B prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system and every five years thereafter.

B. Every person required to undergo a background check pursuant to subsection A shall:

1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is the subject of any pending criminal charges for any offense within or outside the Commonwealth and whether or not he has been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

2. Submit to fingerprinting and provide personal descriptive information described in subdivision B 2 of § 19.2-392.02; and

3. Authorize the child day center, family day home, or family day system specified in subsection A to obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the individual has resided in the preceding five years for any founded complaint of child abuse or neglect against him.

Fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be forwarded through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding the individual. Upon receipt of an individual's record or notification that no record exists, the Central Criminal Records Exchange shall forward the information to the Department. The Department shall report to the child day center, family day home, or family day system described in subsection A as to whether the individual is eligible to have responsibility for the safety and well-being of children. In cases in which the record forwarded to the Department is lacking disposition data, the Department shall conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data.

C. If any person specified in subsection A required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.036, no license as a child day center, family day home, or family day system or registration as a family day home shall be granted by the Superintendent and no approval as a family day home shall be granted by the family day system.

D. Information from a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the applicant, agent, or adult has resided in the preceding five years, authorized in accordance with subdivision B 3, shall be obtained prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system.

E. No person specified in subsection A shall be involved in the day-to-day operations of the child day center, family day home, or family day system, or shall be alone with, in control of, or supervising one or more children, without first having completed any required background check pursuant to subsection B.

F. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

G. If an individual is denied licensure, registration, or approval because of information from the central registry or any child abuse and neglect registry or equivalent registry maintained by any other state, or convictions appearing on his criminal history record, the Superintendent shall provide a copy of the information obtained from the central registry, any child abuse and neglect registry or equivalent

registry maintained by any other state, or the Central Criminal Records Exchange to the individual.

H. Further dissemination of the background check information is prohibited other than to the Superintendent's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

I. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state of such processing and administration.

§ 22.1-289.035. Revocation or denial of renewal based on background checks; failure to obtain background check.

A. The Superintendent may revoke or deny renewal of a license or registration of a child welfare agency and a family day system may revoke the approval of a family day home if the child welfare agency or approved family day home has knowledge that a person specified in § 22.1-289.033 or 22.1-289.034 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.036 or is not subject to the exceptions in subsection G of § 22.1-289.033, and the agency or home refuses to separate such person from employment or service or allows the household member to continue to reside in the home.

B. Failure to obtain background checks pursuant to §§ 22.1-289.033 and 22.1-289.034 shall be grounds for denial, revocation, or termination of a license, registration, or approval or any contract with the Department or a local department to provide child care services to clients of the Department or local department. No violation shall occur if the family day system, family day home, or child day center has applied for the background check timely and it has not been obtained due to administrative delay. The provisions of this section shall be enforced by the Department.

§ 22.1-289.036. Child welfare agencies; criminal conviction and waiver.

A. Any person who seeks to operate, volunteer, or work at a child welfare agency and who is disqualified because of a criminal conviction or a criminal conviction in the background check of any other adult living in a family day home regulated by the Department, pursuant to §§ 22.1-289.033, 22.1-289.034, or 22.1-289.037, may apply in writing for a waiver from the Superintendent. The Superintendent may grant a waiver if the Superintendent determines that (i) the person is of good moral character and reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the person's care. The Superintendent shall not grant a waiver to any person who has been convicted of any barrier crime as defined in § 19.2-392.02. However, the Superintendent may grant a waiver to a family day home licensed or registered by the Department if any other adult living in the home of the applicant or provider has been convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction, provided that (a) five years have elapsed following the conviction and (b) the Department has conducted a home study that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and (2) a determination that the offender is now a person of good moral character and reputation. The waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction. Any waiver granted under this section shall be available for inspection by the public. The child welfare agency shall notify in writing every parent and guardian of the children in its care of any waiver granted for its operators, employees or volunteers.

B. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.037. Records check by unlicensed child day center; penalty.

Any child day center that is exempt from licensure pursuant to § 22.1-289.029 shall require all applicants for employment, employees, applicants to serve as volunteers, and volunteers and any other person who is expected to be alone with one or more children enrolled in the child day center to obtain a background check in accordance with § 22.1-289.033. A child day center that is exempt from licensure pursuant to § 22.1-289.029 shall refuse employment or service to any person who (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. The foregoing provisions shall not apply to a parent or guardian who may be left alone with his own child. For purposes of this section, convictions shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would have been a felony if committed by an adult within or outside the Commonwealth. Further dissemination of the information provided to the facility is prohibited.

§ 22.1-289.038. Child day centers or family day homes receiving federal, state, or local child care funds; eligibility requirements.

A. Whenever any child day center, family day home, or child day program that has not met the requirements of §§ 22.1-289.033, 22.1-289.034, and 22.1-289.037 applies to enter into a contract with the Department to provide child care services to clients of the Department, the Department shall require

a background check, at the time of application to enter into a contract and every five years thereafter, of (i) the applicant; any agents involved in the day-to-day operation; all agents who are alone with, in control of, or supervising one or more of the children; and any other adult living in a child day center or family day home pursuant to § 22.1-289.034; and (ii) all applicants for employment, employees, applicants to serve as volunteers, and volunteers pursuant to § 22.1-289.033. The child day center, family day home, or child day program shall not be permitted to enter into a contract with the Department for child care services when an applicant; any employee; a prospective employee; a volunteer, an agent involved in the day-to-day operation; an agent alone with, in control of, or supervising one or more children; or any other adult living in a family day home (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. Further dissemination of the information provided to the facility, beyond dissemination to the Department or agents of the Department is prohibited.

B. Every child day center, family day home, or child day program that enters into a contract with the Department to provide child care services to clients of the Department that is funded, in whole or in part, by the Child Care and Development Block Grant, shall comply with all requirements established by federal law and regulations.

§ 22.1-289.039. Sex offender or child abuser prohibited from operating or residing in family day home; penalty.

It shall be unlawful for any person to operate a family day home if he, or if he knows that any other person who resides in, is employed by, or volunteers in the home, has been convicted of a felony in violation of § 18.2-48, 18.2-61, 18.2-63, 18.2-64.1, 18.2-67.1, 18.2-67.2, 18.2-67.3, 18.2-67.5, 18.2-355, 18.2-361, 18.2-366, 18.2-369, 18.2-370, 18.2-370.1, 18.2-371.1, or 18.2-374.1, has been convicted of any offense that requires registration on the Sex Offender and Crimes Against Minors Registry pursuant to § 9.1-902, or is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. A violation of this section is punishable as a Class 1 misdemeanor.

Article 7.

Complaints.

§ 22.1-289.040. Establishment of toll-free telephone line for complaints; investigation on receipt of complaints.

With such funds as are appropriated for this purpose, the Superintendent shall establish a toll-free telephone line to respond to complaints regarding operations of child welfare agencies. Upon receipt of a complaint concerning the operation of a child welfare agency, regardless of whether the program is subject to licensure, the Superintendent shall, for good cause shown, cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, records and facilities. The child welfare agency shall afford the Superintendent reasonable opportunity to inspect all of the operator's activities, services, records and facilities and to interview its agents and employees and any child within its control. Whenever a child welfare agency subject to inspection under this section is determined by the Superintendent to be in noncompliance with the provisions of this chapter or with regulations adopted pursuant to this chapter, the Superintendent shall give reasonable notice to the child welfare agency of the nature of its noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the operation of the child welfare agency.

§ 22.1-289.041. Confidentiality of complainant's identity.

Whenever the Department conducts inspections and investigations in response to complaints received from the public, the identity of the complainant and the identity of any child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the child welfare agency the nature of the complaint or the identity of the child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. If the Department intends to rely, in whole or in part, on any statements made by the complainant, at any administrative hearing brought against the child welfare agency, the Department shall disclose the identity of the complainant to the child welfare agency a reasonable time in advance of such hearing.

§ 22.1-289.042. Retaliation or discrimination against complainants.

No child welfare agency shall retaliate or discriminate in any manner against any person who (i) in good faith complains or provides information to, or otherwise cooperates with, the Department or any other agency of government or any person or entity operating under contract with an agency of government, having responsibility for protecting the rights of children in child welfare agencies, (ii) attempts to assert any right protected by state or federal law, or (iii) assists any person in asserting such right.

§ 22.1-289.043. Retaliation against reports of child abuse or neglect.

No child welfare agency shall retaliate in any manner against any person who in good faith reports adult or child abuse or neglect pursuant to Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2.

Article 8.

Regulations and Interdepartmental Cooperation.

§ 22.1-289.044. Regulations for child welfare agencies.

A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons and agencies required to be licensed under this chapter, which shall be designed to ensure that such activities, services, and facilities are conducive to the welfare of the children under the control of such persons or agencies.

Such regulations shall be developed in consultation with representatives of the affected entities and shall include matters relating to the sex, age, and number of children and other persons to be maintained, cared for, or placed out, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department or recognized as a private school by the Board for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

B. The Board shall adopt or amend regulations, policies and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

§ 22.1-289.045. Interagency agreements; cooperation of Department with other departments.

The Department is authorized to enter into interagency agreements with other state agencies to develop and implement regulations adopted pursuant to this chapter. Any state agency identified by the Department as appropriate to include in an interagency agreement shall participate in the development and implementation of the agreement. The Department shall assist and cooperate with other state departments in fulfilling their respective inspection responsibilities and in coordinating the regulations involving inspections. The Board may adopt regulations allowing the Department to so assist and cooperate with other state departments.

"Program leader" or "child-care supervisor" means an individual designated to be responsible for the direct supervision of children and for the implementation of the activities and services for a group of children in a licensed child day center.

Article 9.

Facilities and Programs.

§ 22.1-289.047. Regulated child day programs to require proof of child identity and age; report to law-enforcement agencies.

A. Upon enrollment of a child in a regulated child day program, such child day program shall require information from the person enrolling the child regarding previous child day care and schools

attended by the child. The regulated child day program shall also require that the person enrolling the child present the regulated child day program with the proof of the child's identity and age. The proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.

B. For purposes of this section:

"Proof of identity" means a certified copy of a birth certificate or other reliable proof of the child's identity and age.

"Regulated child day program" is one in which a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period that is licensed pursuant to § 22.1-289.010, voluntarily registered pursuant to § 22.1-289.014, certified as a preschool or nursery school program pursuant to § 22.1-289.030, exempted from licensure as a child day center operated by a religious institution pursuant to § 22.1-289.029, or approved as a family day home by a licensed family day system.

C. If the parent, guardian, or other person enrolling the child in a regulated child day program for longer than two consecutive days or other pattern of regular attendance does not provide the information required by subsection A within seven business days of initial attendance, such child day program shall immediately notify the local law-enforcement agency in its jurisdiction of such failure to provide the requested information.

D. Upon receiving notification of such failure to provide the information required by subsection A, the law-enforcement agency shall, if available information warrants, immediately submit an inquiry to the Missing Children Information Clearinghouse and, with the assistance of the local department, if available information warrants, conduct the appropriate investigation to determine whether the child is missing.

E. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.048. Insurance notice requirements for family day homes; civil penalty.

A. Any person who operates a family day home approved by a licensed family day system, a licensed family day home, or a voluntarily registered family day home shall furnish a written notice to the parent or guardian of each child under the care of the family day home, which states whether there is liability insurance in force to cover the operation of the family day home, provided that no person under this section shall state that liability insurance is in place to cover the operation of the family day home, unless there is a minimum amount of coverage as established by the Department.

B. Each parent or guardian shall acknowledge, in writing, receipt of such notice. In the event there is no longer insurance coverage, the person operating the family day home shall (i) notify each parent or guardian within 10 business days after the effective date of the change and (ii) obtain written acknowledgment of such notice. A copy of an acknowledgment required under this section shall be maintained on file at the family day home at all times while the child attends the family day home and for 12 months after the child's last date of attendance.

C. Any person who fails to give any notice required under this section shall be subject to a civil penalty of up to \$500 for each such failure.

§ 22.1-289.049. Dual licenses for certain child day centers.

Any facility licensed as a child day center which also meets the requirements for a license as a summer camp by the Department of Health under the provisions of § 35.1-18 shall be entitled to a summer camp license. Such a facility shall comply with all of the regulations adopted by the Board and the State Board of Health for each such license.

§ 22.1-289.050. Asbestos inspection required for child day centers.

The Superintendent shall not issue a license to any child day center which is located in a building built prior to 1978 until he receives a written statement that the building has been inspected for asbestos, as defined by § 2.2-1162, and in accordance with the regulations for initial asbestos inspections pursuant to the Asbestos Hazard Emergency Response Act, 40 C.F.R. Part 763 — Asbestos Containing Materials in Schools. The inspection shall be conducted by personnel competent to identify the presence of asbestos and licensed in Virginia as an asbestos inspector and as an asbestos management planner pursuant to Chapter 5 (§ 54.1-500 et seq.) of Title 54.1. The written statement shall state that either (i) no asbestos was detected or (ii) asbestos was detected and response actions to abate any risk to human health have been completed or (iii) asbestos was detected and response actions to abate any risk to human health have been recommended in accordance with a specified schedule and plan pursuant to applicable state and federal statutes and regulations. The statement shall include identification of any significant hazard areas, the date of the inspection and be signed by the person who inspected for the asbestos. If asbestos was detected, an operations and maintenance plan shall be

2150 developed in accordance with the regulations of the Asbestos Hazard Emergency Response Act and the
2151 statement shall be signed by the person who prepared the operations and maintenance plan. Any
2152 inspection, preparation of an operations and maintenance plan or response action shall be performed by
2153 competent personnel who have been licensed in accordance with the provisions of Chapter 5 of Title
2154 54.1.

2155 When asbestos has been detected, the applicant for licensure shall also submit to the Superintendent
2156 a written statement that response actions to abate any risk to human health have been or will be
2157 initiated in accordance with a specified schedule and plan as recommended by an asbestos management
2158 planner licensed in Virginia. This statement shall be signed by the applicant for licensure.

2159 The written statements required by this section shall be submitted for approval to the
2160 Superintendent's representative prior to issuance of a license. The provisions of this section shall not
2161 apply to child day centers located in buildings required to be inspected pursuant to Article 5
2162 (§ 2.2-1162 et seq.) of Chapter 11 of Title 2.2.

2163 **§ 22.1-289.051. Delay in acting on application or in notification.**

2164 In case the Superintendent fails to take final action upon an application for a license within 60 days
2165 after the application is made, either by way of issuance or refusal, or fails within such time to notify the
2166 applicant thereof, it shall be lawful for the applicant to engage in the operations or activities for which
2167 the license is desired, until the Superintendent has taken final action and notified the applicant thereof;
2168 however, no application shall be deemed made until all the required information is submitted in the
2169 form prescribed by the Superintendent.

2170 **§ 22.1-289.052. Visitation by parents or guardians in child day programs.**

2171 A custodial parent or guardian shall be admitted to any child day program. For purposes of this
2172 section, "child day program" is one in which a person or organization has agreed to assume
2173 responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than
2174 a 24-hour period, regardless of whether it is licensed. Such right of admission shall apply only while
2175 the child is in the child day program.

2176 **§ 22.1-289.053. Public funds to be withheld for serious or persistent violations.**

2177 The Board may adopt policies, as permitted by state and federal law, to restrict the eligibility of a
2178 licensed child welfare agency to receive or continue to receive funds when such agency is found to be in
2179 serious or persistent violation of regulations.

2180 **§ 22.1-289.054. Municipal and county appropriations; contracts.**

2181 The governing bodies of the several cities and counties of this Commonwealth may, in their
2182 discretion, appropriate to incorporated charitable organizations licensed by the Superintendent for the
2183 purpose of receiving and caring for children, or placing or boarding them in private homes, such sums
2184 as to them may seem proper, for the maintenance and care of such dependent children as the charitable
2185 organizations may receive from the respective cities and counties. The governing body of any county
2186 may make contracts with such organizations.

2187 **§ 22.1-296.3. Certain private school employees subject to fingerprinting and criminal records**
2188 **checks.**

2189 A. As a condition of employment, the governing boards or administrators of private elementary or
2190 secondary schools that are accredited pursuant to § 22.1-19 shall require any applicant who accepts
2191 employment, whether full-time or part-time, permanent or temporary, to submit to fingerprinting and to
2192 provide personal descriptive information to be forwarded along with the applicant's fingerprints through
2193 the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of
2194 obtaining criminal history record information regarding such applicant.

2195 The Central Criminal Records Exchange, upon receipt of an applicant's record or notification that no
2196 record exists, shall report to the governing board or administrator, or to a private organization
2197 coordinating such records on behalf of such governing board or administrator pursuant to a written
2198 agreement with the Department of State Police, that the applicant meets the criteria or does not meet the
2199 criteria for employment based on whether or not the applicant has ever been convicted of any barrier
2200 crime as defined in § 19.2-392.02.

2201 B. The Central Criminal Records Exchange shall not disclose information to such governing board,
2202 administrator, or private organization coordinating such records regarding charges or convictions of any
2203 crimes. If any applicant is denied employment because of information appearing on the criminal history
2204 record and the applicant disputes the information upon which the denial was based, the Central Criminal
2205 Records Exchange shall, upon request, furnish the applicant the procedures for obtaining a copy of the
2206 criminal history record from the Federal Bureau of Investigation. The information provided to the
2207 governing board, administrator, or private organization coordinating such records shall not be
2208 disseminated except as provided in this section. A governing board or administrator employing or
2209 previously employing a temporary teacher or a private organization coordinating such records on behalf
2210 of such governing board or administrator pursuant to a written agreement with the Department of State
2211 Police may disseminate, at the written request of such temporary teacher, whether such teacher meets the

criteria or does not meet the criteria for employment pursuant to subsection A to the governing board or administrator of another accredited private elementary or secondary school in which such teacher has accepted employment. Such governing board, administrator, or private organization transferring criminal records information pursuant to this section shall be immune from civil liability for any official act, decision, or omission done or made in the performance of such transfer, when such acts or omissions are taken in good faith and are not the result of gross negligence or willful misconduct.

Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state of such processing and administration.

C. Effective July 1, 2017, the governing board or administrator of a private elementary or secondary school that is accredited pursuant to § 22.1-19 that operates a child welfare agency regulated by the Department of Social Services pursuant to Chapter 17 (~~§ 63.2-1700 et seq.~~) of Title 63.2 14.1 (~~§ 22.1-289.02 et seq.~~) shall accept evidence of a background check in accordance with ~~§ 63.2-1720.1 22.1-289.033~~ for individuals who are required to undergo a background check in accordance with that section as a condition of employment in lieu of the background check required by subsection A.

D. For purposes of this section, "governing board" or "administrator" means the unit or board or person designated to supervise operations of a system of private schools or a private school accredited pursuant to § 22.1-19.

3408 priorities, responsibilities, and structures needed at the state, local, and regional levels to ensure
3409 successful start-up, management, and delivery of a cohesive, aligned early childhood system, as
3410 well as outline phases and a timeline for transitioning from the current state to the envisioned
3411 state of the system. The plan shall identify necessary statutory and regulatory changes and
3412 necessary steps to transfer lead agency authority for relevant federal programs, including the
