A. For purposes of this section:

"Eligible company" means a corporation or pass-through entity, as defined in § 58.1-390.1, that does not have any existing property or payroll in Virginia as of January 1, 2018, and on or after January 1, 2018, but before January 1, 2025, (i) either (a) spends at least \$5 million on new capital investment in a qualified locality or qualified localities and creates at least 10 new jobs in a qualified locality or qualified localities or (b) creates at least 50 new jobs in a qualified locality or qualified localities; (ii) is a traded-sector company; and (iii) is certified by the Authority as generating a positive fiscal impact pursuant to subsection B.

"New capital investment" means real property acquired in a qualified locality or qualified localities on or after January 1, 2018, but before January 1, 2025, and any improvements to real property in a qualified locality or qualified localities on or after January 1, 2018, but before January 1, 2025.

"New job" means a permanent, full-time position of indefinite duration that pays at least 150 percent of the minimum wage, as defined in the Virginia Minimum Wage Act (§ 40.1-28.8 et seq.), and that requires a minimum of (i) 35 hours of an employee's time a week for the entire normal year of the eligible company's operations, which normal year shall consist of at least 48 weeks, or (ii) 1,680 hours per year.

"Qualified development site" means real property that is in a locality adjacent to a qualified locality and, before January 1, 2018, either (i) was owned or partly owned by a qualified locality or an industrial development authority of which a qualified locality is a member or (ii) was owned or partly owned by a locality or industrial development authority, was leased to a private party, and was subject to a revenue-sharing agreement providing that a portion of the revenues from the lease would be distributed to a qualified locality. "Qualified development site" does not include real property that is not owned by the Commonwealth or a political subdivision thereof.

60 "Traded-sector company" means a company that directly or indirectly derives more than 50 percent
61 of its revenue from out-of-state sources.

62 B. 1. The Authority shall determine whether a company will generate a positive fiscal impact based
63 on the following factors: (i) job creation; (ii) private capital investment; and (iii) anticipated additional
64 state and local tax revenue. The Authority also shall consider the additional revenue the Commonwealth
65 likely would expend in and for the localities if the economy in the localities continues to erode. In
66 making its determination, the Authority shall consult with the Department regarding the revenue impact
67 of certifying such company. The Authority shall certify a company only if it determines such company
68 will generate a positive fiscal impact.

69 2. The Authority shall deny certification to any company if it determines such taxpayer has engaged
70 in a merger, acquisition, similar business combination, name change, change in business form, or other
71 transaction the primary purpose of which is to obtain status as an eligible company.

72 3. The Authority shall make an annual re-certification according to subdivision B 1, and no company
73 shall remain an eligible company for any taxable year that the Authority does not grant re-certification.

74 C. Any eligible company may elect to apportion its income pursuant to the provisions of § 58.1-408,
75 58.1-417, 58.1-418, 58.1-419, 58.1-420, 58.1-422, 58.1-422.1, or 58.1-422.2, as applicable. However, if
76 the entire business of an eligible company is transacted or conducted within the Commonwealth, it shall
77 not apportion its income pursuant to this subsection but may elect to apportion its income pursuant to
78 the provisions of § 58.1-405.
