§ 3.2-6546. County or city public animal shelters; confinement and disposition of animals; affiliation with foster care providers; penalties; injunctive relief.

A. For purposes of this section:

"Animal" shall not include agricultural animals.

"Rightful owner" means a person with a right of property in the animal.

B. The governing body of each county or city shall maintain or cause to be maintained a public animal shelter and shall require dogs running at large without the tag required by § 3.2-6531 or in violation of an ordinance passed pursuant to § 3.2-6538 to be confined therein. Nothing in this section shall be construed to prohibit confinement of other companion animals in such a shelter. The governing body of any county or city need not own the facility required by this section but may contract for its establishment with a private group or in conjunction with one or more other local governing bodies. The governing body shall require that:

1. The public animal shelter shall be accessible to the public at reasonable hours during the week;

2. The public animal shelter shall obtain a signed statement from each of its directors, operators, staff, or animal caregivers specifying that each individual has never been convicted of animal cruelty, neglect, or abandonment, and each shelter shall update such statement as changes occur;

3. If a person contacts the public animal shelter inquiring about a lost companion animal, the shelter shall advise the person if the companion animal is confined at the shelter or if a companion animal of similar description is confined at the shelter;

4. The public animal shelter shall maintain a written record of the information on each companion animal submitted to the shelter by a private animal shelter in accordance with subsection D of § 3.2-6548 for a period of 30 days from the date the information is received by the shelter. If a person contacts the shelter inquiring about a lost companion animal, the shelter shall check its records and make available to such person any information submitted by a private animal shelter or allow such person inquiring about a lost animal to view the written records;

5. The public animal shelter shall maintain a written record of the information on each companion animal submitted to the shelter by a releasing agency other than a public or private animal shelter in accordance with subdivision F 2 of § 3.2-6549 for a period of 30 days from the date the information is received by the shelter. If a person contacts the shelter inquiring about a lost companion animal, the shelter shall check its records and make available to such person any information submitted by such releasing agency or allow such person inquiring about a lost companion animal to view the written records; and

6. The public animal shelter shall maintain a written record of the information on each companion animal submitted to the shelter by an individual in accordance with subdivision A 2 of § 3.2-6551 for a period of 30 days from the date the information is received by the shelter. If a person contacts the shelter inquiring about a lost companion animal, the shelter shall check its records and make available to such person any information submitted by the individual or allow such person inquiring about a lost companion animal to view the written records.

C. An animal confined pursuant to this section shall be kept for a period of not less than five days, such period to commence on the day immediately following the day the animal is initially confined in the facility, unless sooner claimed by the rightful owner thereof.

The operator or custodian of the public animal shelter shall make a reasonable effort to ascertain whether the animal has a collar, tag, license, tattoo, or other form of identification. If such identification is found on the animal, the animal shall be held for an additional five days, unless sooner claimed by the rightful owner. If the rightful owner of the animal can be readily identified, the operator or custodian of the shelter shall make a reasonable effort to notify the owner of the animal's confinement within the next 48 hours following its confinement.

59 If any animal confined pursuant to this section is claimed by its rightful owner, such owner may be
60 charged with the actual expenses incurred in keeping the animal impounded. In addition to this and any
61 other fees that might be levied, the locality may, after a public hearing, adopt an ordinance to charge the
62 owner of an animal a fee for impoundment and increased fees for subsequent impoundments of the same
63 animal.

64 D. If an animal confined pursuant to this section has not been claimed upon expiration of the
65 appropriate holding period as provided by subsection C, it shall be deemed abandoned and become the
66 property of the public animal shelter.

72 the Commonwealth, provided that each humane society, animal shelter, or other releasing agency obtains

74 individual has never been convicted of animal cruelty, neglect, or abandonment and updates such
75 statements as changes occur;

83 specifying that he has never been convicted of animal cruelty, neglect, or abandonment and provided
84 that no dog or cat may be adopted by any person who is not a resident of the county or city where the
85 shelter is operated, or of an adjacent political subdivision, unless the dog or cat is first sterilized, and the
86 shelter may require that the sterilization be done at the expense of the person adopting the dog or cat; or

87 5. Release for the purposes of adoption or euthanasia only, to an animal shelter, or any other
88 releasing agency located in and lawfully operating under the laws of another state, provided that such

90 requires that adopted dogs and cats be sterilized; (iii) obtains a signed statement from each of its

99 is not first sterilized, the responsibility for sterilizing the animal transfers to the receiving entity.

100 Any proceeds deriving from the gift, sale, or delivery of such animals shall be paid directly to the
101 treasurer of the locality. Any proceeds deriving from the gift, sale, or delivery of such animals by a

113 stating that no other person has a right of property in the animals; and (iii) acknowledging that the
114 animal may be immediately euthanized or disposed of in accordance with subdivisions D 1 through 5 ~~of~~

119 after being kept for a period of not less than three days, at least one of which shall be a full business
120 day, such period to commence on the day the animal is initially confined in the facility, unless sooner

121 claimed by the rightful owner. The statement of the disinterested person shall be kept with the animal as
122 required by § 3.2-6557. For purposes of this subsection, a disinterested person shall not include a person
123 releasing or reporting the animal.

124 H. No public animal shelter shall place a companion animal in a foster home with a foster care

126 been convicted of animal cruelty, neglect, or abandonment, and each shelter shall update such statement
127 as changes occur. The shelter shall maintain the original statement and any updates to such statement in
128 accordance with this chapter and for at least so long as the shelter has an affiliation with the foster care

137 *subsection D, the animal shall not be euthanized and shall be kept for a period of not less than three*
138 *days, such period to commence on the day immediately following the day upon which notice is given*
139 *unless the requester claims the dog or cat sooner. The shelter shall reasonably cooperate to accomplish*

143 *has seriously injured a human or that the shelter intends to euthanize pursuant to subsection E or G.*

144 L. The governing body shall require that the public animal shelter be operated in accordance with
145 regulations issued by the Board. If this chapter or such regulations are violated, the locality may be
146 assessed a civil penalty by the Board or its designee in an amount that does not exceed \$1,000 per
147 violation. Each day of the violation is a separate offense. In determining the amount of any civil
148 penalty, the Board or its designee shall consider: (i) the history of previous violations at the shelter; (ii)
149 whether the violation has caused injury to, death or suffering of, an animal; and (iii) the demonstrated
150 good faith of the locality to achieve compliance after notification of the violation. All civil penalties
151 assessed under this section shall be recovered in a civil action brought by the Attorney General in the
152 name of the Commonwealth. Such civil penalties shall be paid into a special fund in the state treasury to

156 pursuant thereto regarding public animal shelters, in the circuit court where the shelter is located. The
157 Commissioner may request the Attorney General to bring such an action, when appropriate.
