18101463D 1 **SENATE BILL NO. 737** 2 Offered January 10, 2018 3 Prefiled January 10, 2018 4 A BILL to amend and reenact §§ 18.2-270.1 and 18.2-271.1 of the Code of Virginia, relating to driving 5 under the influence; first offenders; license conditions. 6 Patron—Surovell 7 8 Referred to Committee for Courts of Justice 9 10 Be it enacted by the General Assembly of Virginia: 1. That §§ 18.2-270.1 and 18.2-271.1 of the Code of Virginia are amended and reenacted as 11 12 follows: 13 § 18.2-270.1. Ignition interlock systems; penalty. 14 A. For purposes of this section and § 18.2-270.2: 15 "Commission" means the Commission on VASAP. 16 "Department" means the Department of Motor Vehicles. "Ignition interlock system" means a device that (i) connects a motor vehicle ignition system to an 17 18 analyzer that measures a driver's blood alcohol content; (ii) prevents a motor vehicle ignition from 19 starting if a driver's blood alcohol content exceeds 0.02 percent; and (iii) is equipped with the ability to 20 perform a rolling retest and to electronically log the blood alcohol content during ignition, attempted 21 ignition, and rolling retest. "Rolling retest" means a test of the vehicle operator's blood alcohol content required at random 22 23 intervals during operation of the vehicle, which triggers the sounding of the horn and flashing of lights 24 if (i) the test indicates that the operator has a blood alcohol content which exceeds 0.02 percent or (ii) 25 the operator fails to take the test. 26 B. In addition to any penalty provided by law for a conviction under § 18.2-51.4 or 18.2-266 or a 27 substantially similar ordinance of any county, city, or town, any court of proper jurisdiction shall, as a 28 condition of a restricted license, prohibit an offender from operating a motor vehicle that is not equipped 29 with a functioning, certified ignition interlock system for any period of time not to exceed the period of 30 license suspension and restriction, not less than six consecutive months without alcohol-related violations 31 of the interlock requirements. However, if (i) the conviction was under § 18.2-266 or a substantially similar ordinance of any county, city, or town; (ii) the conviction was for a first offense; (iii) the 32 33 offender was an adult at the time of the offense; and (iv) the offender's blood alcohol content was less 34 than 0.15, the only restriction of a restricted license that the court may impose is to prohibit the 35 offender from operating a motor vehicle that is not equipped with a functioning, certified ignition 36 interlock system for 12 consecutive months without alcohol-related violations of the interlock 37 requirements. The court shall, as a condition of a restricted license for a conviction under § 18.2-51.4, a 38 second or subsequent offense of § 18.2-266, or a substantially similar ordinance of any county, city, or 39 town, or as a condition of license restoration pursuant to subsection C of § 18.2-271.1 or § 46.2-391, 40 require that such a system be installed on each motor vehicle, as defined in § 46.2-100, owned by or registered to the offender, in whole or in part, for such any period of time, not less than six consecutive 41 months without alcohol-related violations of the interlock requirements. Such condition shall be in 42 addition to any purposes for which a restricted license may be issued pursuant to § 18.2-271.1. The 43 Whenever an ignition interlock system is required, the court may order the installation of an ignition 44 interlock system to commence immediately upon conviction. A fee of \$20 to cover court and 45 administrative costs related to the ignition interlock system shall be paid by any such offender to the 46 47 clerk of the court. The court shall require the offender to install an electronic log device with the ignition interlock system on a vehicle designated by the court to measure the blood alcohol content at 48 49 each attempted ignition and random rolling retest during operation of the vehicle. The offender shall be enrolled in and supervised by an alcohol safety action program pursuant to § 18.2-271.1 and to 50 51 conditions established by regulation under § 18.2-270.2 by the Commission during the period for which 52 the court has ordered installation of the ignition interlock system. The offender shall be further required 53 to provide to such program, at least quarterly during the period of court ordered ignition interlock installation, a printout from such electronic log indicating the offender's blood alcohol content during 54 55 such ignitions, attempted ignitions, and rolling retests, and showing attempts to circumvent or tamper with the equipment. The period of time during which the offender (i) (a) is prohibited from operating a 56 57 motor vehicle that is not equipped with an ignition interlock system or (ii) (b) is required to have an 58 ignition interlock system installed on each motor vehicle owned by or registered to the offender, in

59 whole or in part, shall be calculated from the date the offender is issued a restricted license by the court; however, such period of time shall be tolled upon the expiration of the restricted license issued by the court until such time as the person is issued a restricted license by the Department.

C. In any case in which the court requires the installation of an ignition interlock system, the court 62 63 shall order the offender not to operate any motor vehicle that is not equipped with such a system for the 64 period of time that the interlock restriction is in effect. The clerk of the court shall file with the 65 Department of Motor Vehicles a copy of the order, which shall become a part of the offender's operator's license record maintained by the Department. The Department shall issue to the offender for 66 the period during which the interlock restriction is imposed a restricted license which shall appropriately 67 68 set forth the restrictions required by the court under this subsection and any other restrictions imposed 69 upon the offender's driving privilege, and shall also set forth any exception granted by the court under 70 subsection F.

71 D. The offender shall be ordered to provide the appropriate ASAP program, within 30 days of the 72 effective date of the order of court, proof of the installation of the ignition interlock system. The 73 Program shall require the offender to have the system monitored and calibrated for proper operation at 74 least every 30 days by an entity approved by the Commission under the provisions of § 18.2-270.2 and 75 to demonstrate proof thereof. The offender shall pay the cost of leasing or buying and monitoring and maintaining the ignition interlock system. Absent good cause shown, the court may revoke the offender's 76 77 driving privilege for failing to (i) timely install such system or (ii) have the system properly monitored 78 and calibrated.

79 E. No person shall start or attempt to start a motor vehicle equipped with an ignition interlock 80 system for the purpose of providing an operable motor vehicle to a person who is prohibited under this 81 section from operating a motor vehicle that is not equipped with an ignition interlock system. No person shall tamper with, or in any way attempt to circumvent the operation of, an ignition interlock system 82 83 that has been installed in the motor vehicle of a person under this section. Except as authorized in subsection F, no person shall knowingly furnish a motor vehicle not equipped with a functioning 84 85 ignition interlock system to any person prohibited under subsection B from operating any motor vehicle which is not equipped with such system. A violation of this subsection is punishable as a Class 1 86 87 misdemeanor.

88 F. Any person prohibited from operating a motor vehicle under subsection B may, solely in the 89 course of his employment, operate a motor vehicle that is owned or provided by his employer without 90 installation of an ignition interlock system, if the court expressly permits such operation as a condition 91 of a restricted license at the request of the employer; such person shall not be permitted to operate any 92 other vehicle without a functioning ignition interlock system and, in no event, shall such person be permitted to operate a school bus, school vehicle, or a commercial motor vehicle as defined in 93 94 § 46.2-341.4. This subsection shall not apply if such employer is an entity wholly or partially owned or 95 controlled by the person otherwise prohibited from operating a vehicle without an ignition interlock 96 system.

97 G. The Commission shall promulgate such regulations and forms as are necessary to implement the procedures outlined in this section.

99 § 18.2-271.1. Probation, education, and rehabilitation of person charged or convicted; person 100 convicted under law of another state or federal law.

101 A. Any person convicted of a first or second offense of § 18.2-266, or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, shall be 102 103 required by court order, as a condition of probation or otherwise, to enter into and successfully complete an alcohol safety action program in the judicial district in which such charge is brought or in any other 104 105 judicial district upon such terms and conditions as the court may set forth. However, upon motion of a person convicted of any such offense following an assessment of the person conducted by an alcohol 106 107 safety action program, the court, for good cause, may decline to order participation in such a program if the assessment by the alcohol safety action program indicates that intervention is not appropriate for 108 such person. In no event shall such persons be permitted to enter any such program which is not 109 110 certified as meeting minimum standards and criteria established by the Commission on the Virginia 111 Alcohol Safety Action Program (VASAP) pursuant to this section and to § 18.2-271.2. However, any 112 person charged with a violation of a first or second offense of § 18.2-266, or any ordinance of a county, 113 city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, may, at any time prior to trial, enter into an alcohol safety action program in the judicial district in which such 114 115 charge is brought or in any other judicial district. Any person who enters into such program prior to trial may pre-qualify with the program to have an ignition interlock system installed on any motor 116 vehicle owned or operated by him. However, no ignition interlock company shall install an ignition 117 118 interlock system on any such vehicle until a court issues to the person a restricted license with the 119 ignition interlock restriction.

120 B. The court shall require the person entering such program under the provisions of this section to

121 pay a fee of no less than \$250 but no more than \$300. A reasonable portion of such fee, as may be 122 determined by the Commission on VASAP, but not to exceed 10 percent, shall be forwarded monthly to 123 be deposited with the State Treasurer for expenditure by the Commission on VASAP, and the balance 124 shall be held in a separate fund for local administration of driver alcohol rehabilitation programs. Upon 125 a positive finding that the defendant is indigent, the court may reduce or waive the fee. In addition to 126 the costs of the proceeding, fees as may reasonably be required of defendants referred for intervention 127 under any such program may be charged.

128 C. Upon conviction of a violation of § 18.2-266 or any ordinance of a county, city or town similar to 129 the provisions thereof, or subsection A of § 46.2-341.24, the court shall impose the sentence authorized by § 18.2-270 or 46.2-341.28 and the license revocation as authorized by § 18.2-271. In addition, if the 130 131 conviction was for a second offense committed within less than 10 years after a first such offense, the 132 court shall order that restoration of the person's license to drive be conditioned upon the installation of 133 an ignition interlock system on each motor vehicle, as defined in § 46.2-100, owned by or registered to 134 the person, in whole or in part, for a period of six months beginning at the end of the three year license 135 revocation, unless such a system has already been installed for six months prior to that time pursuant to 136 a restricted license order under subsection E. Upon a finding that a person so convicted is required to 137 participate in the program described herein, the court shall enter the conviction on the warrant, and shall 138 note that the person so convicted has been referred to such program. The court may then proceed to 139 issue an order in accordance with subsection E, if the court finds that the person so convicted is eligible 140 for a restricted license. If the court finds good cause for a person not to participate in such program or 141 subsequently that such person has violated, without good cause, any of the conditions set forth by the 142 court in entering the program, the court shall dispose of the case as if no program had been entered, in which event the revocation provisions of § 46.2-389 and subsection A of § 46.2-391 shall be applicable 143 144 to the conviction. The court shall, upon final disposition of the case, send a copy of its order to the Commissioner of the Department of Motor Vehicles. If such order provides for the issuance of a 145 restricted license, the Commissioner of the Department of Motor Vehicles, upon receipt thereof, shall 146 147 issue a restricted license. The period of time during which the person (i) is prohibited from operating a 148 motor vehicle that is not equipped with an ignition interlock system or (ii) is required to have an 149 ignition interlock system installed on each motor vehicle owned by or registered to the person, in whole 150 or in part, shall be calculated from the date the person is issued a restricted license by the court; 151 however, such period of time shall be tolled upon the expiration of the restricted license issued by the 152 court until such time as the person is issued a restricted license by the Department of Motor Vehicles. 153 Appeals from any such disposition shall be allowed as provided by law. The time within which an 154 appeal may be taken shall be calculated from the date of the final disposition of the case or any motion 155 for rehearing, whichever is later.

156 D. Any person who has been convicted under the law of another state or the United States of an 157 offense substantially similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24, and whose 158 privilege to operate a motor vehicle in this Commonwealth is subject to revocation under the provisions 159 of § 46.2-389 and subsection A of § 46.2-391, may petition the general district court of the county or city in which he resides that he be given probation and assigned to a program as provided in subsection 160 161 A and that, upon entry into such program, he be issued an order in accordance with subsection E. If the 162 court finds that such person would have qualified therefor if he had been convicted in this Commonwealth of a violation of § 18.2-266 or subsection A of § 46.2-341.24, the court may grant the 163 164 petition and may issue an order in accordance with subsection E as to the period of license suspension 165 or revocation imposed pursuant to § 46.2-389 or subsection A of § 46.2-391. The court shall, as a condition of a restricted license, prohibit such person from operating a motor vehicle that is not 166 167 equipped with a functioning certified ignition interlock system for a period of time not to exceed the 168 period of license suspension and restriction, not less than six consecutive months without alcohol-related 169 violations of interlock requirements. Such order shall be conditioned upon the successful completion of a 170 program by the petitioner. If the court subsequently finds that such person has violated any of the 171 conditions set forth by the court, the court shall dispose of the case as if no program had been entered 172 and shall notify the Commissioner, who shall revoke the person's license in accordance with the 173 provisions of § 46.2-389 or subsection A of § 46.2-391. A copy of the order granting the petition or 174 subsequently revoking or suspending such person's license to operate a motor vehicle shall be forthwith 175 sent to the Commissioner of the Department of Motor Vehicles. The period of time during which the 176 person is prohibited from operating a motor vehicle that is not equipped with an ignition interlock 177 system shall be calculated from the date the person is issued a restricted license by the court; however, 178 such period of time shall be tolled upon the expiration of the restricted license issued by the court until 179 such time as the person is issued a restricted license by the Department of Motor Vehicles.

180 No period of license suspension or revocation shall be imposed pursuant to this subsection which,181 when considered together with any period of license suspension or revocation previously imposed for the

182 same offense under the law of another state or the United States, results in such person's license being183 suspended for a period in excess of the maximum periods specified in this subsection.

184 E. Except as otherwise provided herein, whenever a person enters a certified program pursuant to this 185 section, and such person's license to operate a motor vehicle, engine or train in the Commonwealth has 186 been suspended or revoked, the court may, in its discretion and for good cause shown, provide that such 187 person be issued a restricted permit to operate a motor vehicle for any of the following purposes: (i) 188 travel to and from his place of employment; (ii) travel to and from an alcohol rehabilitation or safety 189 action program; (iii) travel during the hours of such person's employment if the operation of a motor 190 vehicle is a necessary incident of such employment; (iv) travel to and from school if such person is a 191 student, upon proper written verification to the court that such person is enrolled in a continuing 192 program of education; (v) travel for health care services, including medically necessary transportation of 193 an elderly parent or, as designated by the court, any person residing in the person's household with a 194 serious medical problem upon written verification of need by a licensed health professional; (vi) travel 195 necessary to transport a minor child under the care of such person to and from school, day care, and 196 facilities housing medical service providers; (vii) travel to and from court-ordered visitation with a child 197 of such person; (viii) travel to a screening, evaluation and education program entered pursuant to 198 § 18.2-251 or subsection H of § 18.2-258.1; (ix) travel to and from court appearances in which he is a 199 subpoenaed witness or a party and appointments with his probation officer and to and from any 200 programs required by the court or as a condition of probation; (x) travel to and from a place of religious 201 worship one day per week at a specified time and place; (xi) travel to and from appointments approved 202 by the Division of Child Support Enforcement of the Department of Social Services as a requirement of 203 participation in an administrative or court-ordered intensive case monitoring program for child support 204 for which the participant maintains written proof of the appointment, including written proof of the date and time of the appointment, on his person; (xii) travel to and from jail to serve a sentence when such 205 206 person has been convicted and sentenced to confinement in jail and pursuant to § 53.1-131.1 the time to 207 be served is on weekends or nonconsecutive days; (xiii) travel to and from the facility that installed or 208 monitors the ignition interlock in the person's vehicle; or (xiv) travel to and from a job interview for 209 which he maintains on his person written proof from the prospective employer of the date, time, and 210 location of the job interview. However, if (a) the conviction was under § 18.2-266 or a substantially 211 similar ordinance of any county, city, or town; (b) the conviction was for a first offense; (c) the offender 212 was an adult at the time of the offense; and (d) the offender's blood alcohol content was less than 0.15, 213 the only restriction of a restricted license that the court may impose is to prohibit the offender from 214 operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system for 215 12 consecutive months without alcohol-related violations of the interlock requirements. No restricted 216 license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order 217 218 the surrender of such person's license to operate a motor vehicle to be disposed of in accordance with the provisions of § 46.2-398 and shall forward to the Commissioner of the Department of Motor 219 220 Vehicles a copy of its order entered pursuant to this subsection, which shall specifically enumerate the 221 restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to the 222 223 person so convicted who may operate a motor vehicle on the order until receipt from the Commissioner 224 of the Department of Motor Vehicles of a restricted license, if the order provides for a restricted license 225 for that time period. A copy of such order and, after receipt thereof, the restricted license shall be 226 carried at all times while operating a motor vehicle. Any person who operates a motor vehicle in 227 violation of any restrictions imposed pursuant to this section shall be guilty of a violation of § 18.2-272. 228 Such restricted license shall be conditioned upon enrollment within 15 days in, and successful 229 completion of, a program as described in subsection A. No restricted license shall be issued during the 230 first four months of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of 231 § 46.2-391 for a second offense of the type described therein committed within 10 years of a first such 232 offense. No restricted license shall be issued during the first year of a revocation imposed pursuant to 233 subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described 234 therein committed within five years of a first such offense. No restricted license shall be issued during 235 any revocation period imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391. 236 Notwithstanding the provisions of § 46.2-411, the fee charged pursuant to § 46.2-411 for reinstatement 237 of the driver's license of any person whose privilege or license has been suspended or revoked as a result of a violation of § 18.2-266, subsection A of § 46.2-341.24 or of any ordinance of a county, city 238 239 or town, or of any federal law or the laws of any other state similar to the provisions of § 18.2-266 or 240 subsection A of § 46.2-341.24 shall be \$105. Forty dollars of such reinstatement fee shall be retained by the Department of Motor Vehicles as provided in § 46.2-411, \$40 shall be transferred to the Commission 241 242 on VASAP, and \$25 shall be transferred to the Commonwealth Neurotrauma Initiative Trust Fund. 243 F. The court shall have jurisdiction over any person entering such program under any provision of 244 this section until such time as the case has been disposed of by either successful completion of the 245 program, or revocation due to ineligibility or violation of a condition or conditions imposed by the 246 court, whichever shall first occur. Revocation proceedings shall be commenced by notice to show cause 247 why the court should not revoke the privilege afforded by this section. Such notice shall be made by 248 first-class mail to the last known address of such person, and shall direct such person to appear before 249 the court in response thereto on a date contained in such notice, which shall not be less than 10 days 250 from the date of mailing of the notice. Failure to appear in response to such notice shall of itself be 251 grounds for revocation of such privilege. Notice of revocation under this subsection shall be sent 252 forthwith to the Commissioner of the Department of Motor Vehicles.

253 G. For the purposes of this section, any court which has convicted a person of a violation of 254 § 18.2-266, subsection A of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 shall have continuing jurisdiction over such person during any period of 255 license revocation related to that conviction, for the limited purposes of (i) referring such person to a 256 certified alcohol safety action program, (ii) providing for a restricted permit for such person in accordance with the provisions of subsection E, and (iii) imposing terms, conditions and limitations for 257 258 actions taken pursuant to clauses (i) and (ii), whether or not it took either such action at the time of the 259 260 conviction. This continuing jurisdiction is subject to the limitations of subsection E that provide that no 261 restricted license shall be issued during a revocation imposed pursuant to subsection C of § 18.2-271 or 262 subsection B of § 46.2-391 or during the first four months or first year, whichever is applicable, of the revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391. The 263 264 provisions of this subsection shall apply to a person convicted of a violation of § 18.2-266, subsection A 265 of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 on, 266 after and at any time prior to July 1, 2003.

H. The State Treasurer, the Commission on VASAP or any city or county is authorized to accept any gifts or bequests of money or property, and any grant, loan, service, payment or property from any source, including the federal government, for the purpose of driver alcohol education. Any such gifts, bequests, grants, loans or payments shall be deposited in the separate fund provided in subsection B.

271 I. The Commission on VASAP, or any county, city, town, or any combination thereof may establish 272 and, if established, shall operate, in accordance with the standards and criteria required by this 273 subsection, alcohol safety action programs in connection with highway safety. Each such program shall 274 operate under the direction of a local independent policy board chosen in accordance with procedures 275 approved and promulgated by the Commission on VASAP. Local sitting or retired district court judges 276 who regularly hear or heard cases involving driving under the influence and are familiar with their local 277 alcohol safety action programs may serve on such boards. The Commission on VASAP shall establish 278 minimum standards and criteria for the implementation and operation of such programs and shall 279 establish procedures to certify all such programs to ensure that they meet the minimum standards and 280 criteria stipulated by the Commission. The Commission shall also establish criteria for the administration of such programs for public information activities, for accounting procedures, for the auditing 281 requirements of such programs and for the allocation of funds. Funds paid to the Commonwealth 282 283 hereunder shall be utilized in the discretion of the Commission on VASAP to offset the costs of state 284 programs and local programs run in conjunction with any county, city or town and costs incurred by the 285 Commission. The Commission shall submit an annual report as to actions taken at the close of each 286 calendar year to the Governor and the General Assembly.

J. Notwithstanding any other provisions of this section or of § 18.2-271, nothing in this section shall
permit the court to suspend, reduce, limit, or otherwise modify any disqualification from operating a
commercial motor vehicle imposed under the provisions of the Virginia Commercial Driver's License
Act (§ 46.2-341.1 et seq.).

291 2. That the provisions of this act may result in a net increase in periods of imprisonment or 292 commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot 293 be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 294 836 of the Acts of Assembly of 2017 requires the Virginia Criminal Sentencing Commission to 295 assign a minimum fiscal impact of \$50,000. Pursuant to § 30-19.1:4, the estimated amount of the 296 necessary appropriation is \$0 for periods of commitment to the custody of the Department of 297 Juvenile Justice.
