

## 2019 SESSION

INTRODUCED

19105187D

### SENATE RESOLUTION NO. 99

Offered January 21, 2019

*Commending the Associated General Contractors of America.*

Patron—Cosgrove

WHEREAS, the Associated General Contractors of America was founded in 1919 for the purpose of promoting the highest levels of skill, integrity, and responsibility in the construction industry; and

WHEREAS, the Associated General Contractors of America has been supporting commercial construction in America for over a century; and

WHEREAS, the Associated General Contractors of America's 27,500 member firms have made lasting contributions to the American economy and communities across the nation by building all manner of public infrastructure and private-sector developments; and

WHEREAS, the Associated General Contractors of America and its members have helped play a vital role in creating high-paying careers for millions of hard working Americans and hundreds of thousands of Virginians; and

WHEREAS, the Associated General Contractors of America and its members are working to make the construction industry more diverse, more efficient, and more prepared to embrace new technologies and new techniques; and

WHEREAS, the Associated General Contractors of America and its members are donating their time, skills, and resources to improving local communities across the country and the Commonwealth; and

WHEREAS, the Associated General Contractors of America and its members continue to serve as the voice of the construction industry in Washington, D.C., and in Virginia; now, therefore, be it

RESOLVED by the Senate of Virginia, That the Associated General Contractors of America hereby be commended on the occasion of its 100th anniversary; and, be it

RESOLVED FURTHER, That the Clerk of the Senate prepare a copy of this resolution for presentation to the Associated General Contractors of America as an expression of the Senate of Virginia's admiration for the organization's success and professionalism in protecting and enhancing America's commercial construction industry.
