1. Bill Number: HB2811

House of Origin	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
Second House	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input checked="" type="checkbox"/> Enrolled

2. Patron: Webert

3. Committee: Passed both Houses.

4. Title: Tax-exempt pollution control facilities; certifying authority; Virginia Department of Health

5. Summary: Adds to the duties of the Virginia Department of Health the duty of serving as a state certifying authority in determining conformity with state requirements for certain tax-exempt water pollution control projects. Under current law, the State Water Control Board is the only state certifying authority for water pollution projects. The bill contains an emergency clause.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact.

8. Fiscal Implications: This bill would not have a fiscal impact on the Commonwealth. The Department of Taxation has indicated that the bill does not increase the types of certified pollution control facilities or expand the criteria for the current types of certified pollution control facilities and therefore would not have a revenue impact for adding VDH as a state certifying authority.

9. Specific Agency or Political Subdivisions Affected: None.

10. Technical Amendment Necessary: No.

11. Other Comments: None
