3. Committee: Privileges and Elections

4. Title: Election districts; requirements for precincts, remedying split precincts.

5. Summary: Requires counties, cities, and towns to adjust local election district lines to coincide with congressional or state legislative district lines established by the General Assembly. Precincts are required to be wholly contained within a single congressional district, Senate district, House of Delegates district, or local election district, and local governing bodies are directed to establish precinct boundaries immediately after the completion of the General Assembly's decennial redistricting so that each precinct is so wholly contained. The bill provides that if a locality is unable to comply with this requirement it shall apply to the State Board of Elections for a waiver to administer a split precinct and the State Board may grant that waiver or direct the locality to create a precinct with fewer than the required number of registered voters, as it deems appropriate.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary; see Item 8.

8. Fiscal Implications: As stand-alone legislation, the Department of Elections considers implementation of this bill as “routine,” and does not require additional funding. However, the agency will review all electoral legislation likely to be enacted prior to the passage by each house. If the aggregate number of “routine” bills likely to pass either house is unusually large, it is possible the agency will require additional resources. If so, the Department of Elections will identify the costs at that time.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
