**4. Title:** Renewable energy power purchase agreements; pilot programs.

**5. Summary:** Makes any educational institution eligible to participate in Appalachian Power Company's pilot program for certain third party power purchase agreements. With respect to Dominion Power's pilot program, the measure increases from 50 megawatts to 150 megawatts the aggregated capacity of all solar-powered or wind-powered generation facilities that are subject to the third party power purchase agreements. With respect to Appalachian Power Company's pilot program, the measure increases from seven megawatts to 21 megawatts the aggregated capacity of all solar-powered or wind-powered generation facilities that are subject to the third party power purchase agreements. The measure also increases from one megawatt to three megawatts the maximum size of any generation facility that is subject to the third party power purchase agreement. The measure also (i) repeals the sunset clause applicable to the pilot program in effect for Appalachian Power (not Dominion Energy) and (ii) authorizes the State Corporation Commission to update its relevant regulations.
