4. Title: Electric utilities; energy efficiency programs.

5. Summary: Provides that any determination by the State Corporation Commission that an energy efficiency program is not in the public interest shall include with its final order the work product and analysis conducted by the staff of the Commission in making that determination. The measure requires that if the Commission reduces the proposed budget for a program or portfolio of programs, its final order shall include an analysis of the impact such budget reduction has upon the cost-effectiveness of such program or portfolio of programs. An order by the Commission (i) finding that a program or portfolio of programs is not in the public interest or (ii) reducing the proposed budget for any program or portfolio of programs shall adhere to existing protocols for extraordinarily sensitive information. The measure provides that any utility petitioning the Commission for approval of one or more rate adjustment clauses for energy efficiency programs shall include a proposed budget for the design, implementation, and operation of the energy efficiency programs. The bill requires that any rate adjustment clause approved for an energy efficiency program remain in effect until the utility exhausts the approved budget for the energy efficiency program.
