Any person registered and otherwise qualified to vote who becomes incapacitated on or after the ~~seventh~~ *eleventh* day preceding an election may request at any time prior to 2:00 p.m. on the day preceding the election that an emergency absentee ballot application be delivered to him. A voter who becomes hospitalized on or after the fourteenth day preceding the election and who is unable, because of his condition, to request an absentee ballot earlier than the ~~seventh~~ *eleventh* day preceding the election may request at any time prior to 2:00 p.m. on the day before an election that an emergency absentee ballot be delivered to him in the hospital. On receipt of the request, the general registrar shall provide an emergency absentee ballot application to the incapacitated voter's designated representative who shall deliver the application to the voter. If the voter is hospitalized, the delivery shall be made to him at the hospital; and if the voter is otherwise incapacitated, the delivery shall be made to him at his current residence address as shown on the registration records. The representative shall be age eighteen or older and shall not be an elected official, a candidate for elected office, or the deputy, spouse, parent, or child of an elected official or candidate.

The application shall be on a form prescribed by the State Board and shall require the applicant (i) to state the cause of his incapacity, (ii) to state that he is unable to be present at the polls on election day, and that he was either incapacitated on or after the ~~seventh~~ *eleventh* day preceding the election or hospitalized on or after the fourteenth day preceding the election and unable to request the application earlier than the ~~seventh~~ *eleventh* day preceding the election, (iii) to designate a representative to receive, deliver and return the ballot, and (iv) to provide other information required by law for an absentee ballot application.

If the voter is hospitalized, a hospital administrative official, a licensed physician attending the

applicant, or provider as defined in § 37.2-403, shall certify on the form to the hospitalization of the applicant and the applicant's inability to be present at the polls on election day. If the voter is ill and confined to his residence, a licensed physician, provider as defined in § 37.2-403, or an accredited religious practitioner attending the applicant shall certify on the form to the incapacity of the applicant and the applicant's inability to be present at the polls on election day. If the voter is bereaved, a licensed physician, an accredited religious practitioner, or a funeral service licensee (as defined in § 54.1-2800) shall certify on the form to the incapacity of the applicant and the applicant's inability to be present at the polls on election day. If the voter is otherwise incapacitated as determined by the general registrar, the general registrar shall certify on the form to the incapacity of the applicant and the applicant's inability to be present at the polls on election day. The applicant shall sign the application and state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct. His signature shall be witnessed by the designated representative who shall sign and return the completed application to the office of the general registrar no later than 5:00 p.m. on the day preceding the election. For the purposes of this section, "accredited religious practitioner" means a person who has been trained in spiritual healing or the other healing arts and has been so accredited by a formal religious order.

On receipt of the completed application and a determination of the qualification of the applicant to vote, the general registrar shall provide, in accordance with the applicable provisions of this chapter, an absentee ballot to the designated representative for delivery to the incapacitated voter.

The incapacitated voter shall vote the absentee ballot as provided by law and mark it in the presence of the designated representative. The representative shall complete a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that (i) he is the representative of the incapacitated voter; (ii) he personally delivered the ballot to the voter who applied for it; (iii) in his presence, the voter marked the ballot, the ballot was placed in the envelope provided, the envelope was sealed, and the statement on its reverse side was signed by the incapacitated voter; and (iv) the ballot was returned, under seal, to the general registrar at the registrar's office.

The ballot shall be counted only if the ballot is received by the general registrar prior to the close of polls, and the general registrar shall deliver the ballot to the officers of election at each appropriate precinct pursuant to § 24.2-710.

§ 24.2-706. (Effective for elections prior to the general election on November 3, 2020) Duty of general registrar on receipt of application; statement of voter.

On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications of the listed applicants. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. The general registrar shall note on each application received whether the applicant is or is not a registered voter. The envelopes and instructions shall be in the form prescribed by the Department of Elections.

If the applicant makes his application to vote in person under § 24.2-701 at a time when the printed ballots for the election are available, the general registrar, on the determination of the qualifications of the applicant to vote, shall provide to the applicant the items set forth in subdivisions 1 through 4, and no item shall be removed by the applicant from the office of the general registrar. A certificate or other evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

When the statement prescribed in subdivision 2 has been properly completed and signed by the registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which envelope is printed the following:

Signature of Voter _____

Signature of witness _____"

For elections held after January 1, 2004, instead of the envelope containing the above oath, an envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to voters who are qualified to vote absentee under that Act.

When this statement has been properly completed and signed by the registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

3. A properly addressed envelope for the return of the ballot to the general registrar by mail or by the applicant in person.

4. Printed instructions for completing the ballot and statement on the envelope and returning the ballot.

For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state, the printed instructions shall direct the voter to submit with his ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of

identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as a provisional ballot under the provisions of § 24.2-653. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to the voting rights and responsibilities for such citizens, or information provided by the registrar specific to the status of the voter registration and absentee ballot application of such voter, may be included.

The envelopes and instructions shall be in the form prescribed by the Department of Elections.

C. If the applicant completes his application in person under § 24.2-701 at a time when the printed ballots for the election are available, he may request that the general registrar send to him by mail the items set forth in subdivisions B 1 through 4, instead of casting the ballot in person. Such request shall be made no later than 5:00 p.m. on the ~~seventh~~ *eleventh* day prior to the election in which the applicant offers to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate or other evidence of mailing.

D. If the applicant states as the reason for his absence on election day any of the reasons set forth in subdivision A 2 of § 24.2-700, the general registrar, at the time when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the office of the general registrar the items as set forth in subdivisions B 1 through 4 and, if necessary, an application for registration. A certificate or other evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

E. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. Any person who fails to discharge his duty as provided in this section through willful neglect of duty and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of § 24.2-1001.

§ 24.2-707. (Effective for elections prior to the general election on November 3, 2020) How ballots marked and returned by mail; cast in person; cast on voting equipment.

A. On receipt of a mailed absentee ballot, the voter shall, in the presence of a witness, (i) open the sealed envelope marked "ballot within" and (ii) mark and refold the ballot, as provided in §§ 24.2-644, and 24.2-646 without assistance and without making known how he marked the ballot, except as provided by § 24.2-704.

After the voter has marked his absentee ballot, he shall (a) enclose the ballot in the envelope provided for that purpose, (b) seal the envelope, (c) fill in and sign the statement printed on the back of the envelope in the presence of a witness, who shall sign the same envelope, (d) enclose the ballot envelope and any required assistance form within the envelope directed to the general registrar, and (e) seal that envelope and mail it to the office of the general registrar or deliver it personally to the general registrar. A voter's failure to provide in the statement on the back of the envelope his full middle name or his middle initial shall not be a material omission, rendering his ballot void, unless the voter failed to provide in the statement on the back of the envelope his full first and last name. A voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope shall not be considered a material omission and shall not render his ballot void. For purposes of this chapter, "mail" shall include delivery by a commercial delivery service, but shall not include delivery by a personal courier service or another individual except as provided by §§ 24.2-703.2 and 24.2-705.

B. An applicant who makes his application to vote in person at a time when the printed ballots for the election are available shall follow the same procedure set in subsection A above except that he may complete the procedure in person in the office of the general registrar, or at another location or locations in the county or city approved by the electoral board, before a registrar, or, if a ballot is cast at that time, before the officers of election appointed by the electoral board. Any such location shall be in a public building owned or leased by the city, the county, or a town within the county, with adequate facilities for the protection of all records concerning the absentee voters, the absentee ballots, both voted and unvoted, and any voting equipment in use at the location. Such location may be in a facility owned or leased by the Commonwealth and used as a location for Department of Motor Vehicles facilities and

for an office of the general registrar. Such location shall be deemed the equivalent of the office of the general registrar for the purpose of completing the application for an absentee ballot in person pursuant to §§ 24.2-701 and 24.2-706. Any applicant who is in line to cast his ballot when the office of the general registrar or location being used for in-person absentee voting closes shall be permitted to cast his absentee ballot that day.

On the request of the applicant, made no later than 5:00 p.m. on the ~~seventh~~ *eleventh* day prior to the election in which the applicant offers to vote, the general registrar may send the items set forth in subdivisions 1 through 4 of § 24.2-706 to the applicant by mail, obtaining a certificate or other evidence of mailing.

C. Failure to follow the procedures set forth in subsection A or B shall render the applicant's ballot void.

The general registrar of any county or city using a central absentee voting precinct may provide for the casting of absentee ballots on voting equipment prior to election day by applicants who are voting in person. The Department of Elections shall prescribe procedures for the use of voting equipment. The procedures shall provide for the casting of absentee ballots prior to election day by in-person applicants on voting equipment which has been certified, and is currently approved, by the Department of Elections. The procedures shall be applicable and uniformly applied by the Department of Elections to all jurisdictions using comparable voting equipment. At least two officers of election, one representing each political party, shall be present during all hours that absentee voting is available at any location at which absentee ballots are cast prior to election day.

The requirement that officers of election shall be present if ballots are cast on voting equipment prior to election day shall not be applicable when the voting equipment is located in the office of the general registrar and the general registrar or an assistant registrar is present.
