1071 B. A qualified entity may request the Department of State Police to conduct a national criminal  
1072 background check on any provider who is employed by such entity. No qualified entity may request a  
1073 national criminal background check on a provider until such provider has:

1074 1. Been fingerprinted; and

1075 2. Completed and signed a statement, furnished by the entity, that includes (i) his name, address, and  
1076 date of birth as it appears on a valid identification document; (ii) a disclosure of whether or not the

1079 and the particulars of the conviction; (iii) a notice to the provider that the entity may request a  
1080 background check; (iv) a notice to the provider that he is entitled to obtain a copy of any background  
1081 check report, to challenge the accuracy and completeness of any information contained in any such  
1082 report, and to obtain a prompt determination as to the validity of such challenge before a final  
1083 determination is made by the Department; and (v) a notice to the provider that prior to the completion  
1084 of the background check the qualified entity may choose to deny the provider unsupervised access to  
1085 children or the elderly or disabled for whom the qualified entity provides care.

1086 C. Upon receipt of (i) a qualified entity's written request to conduct a background check on a  
1087 provider, (ii) the provider's fingerprints, and (iii) a completed, signed statement as described in  
1088 subsection B, the Department shall make a determination whether the provider has been convicted of or  
1089 is the subject of charges of a barrier crime. To conduct its determination regarding the provider's barrier  
1090 crime information, the Department shall access the national criminal history background check system,  
1091 which is maintained by the Federal Bureau of Investigation and is based on fingerprints and other  
1092 methods of identification, and shall access the Central Criminal Records Exchange maintained by the  
1093 Department. If the Department receives a background report lacking disposition data, the Department  
1094 shall conduct research in whatever state and local recordkeeping systems are available in order to obtain  
1095 complete data. The Department shall make reasonable efforts to respond to a qualified entity's inquiry  
1096 within 15 business days.

1097 D. Any background check conducted pursuant to this section for a provider employed by a private  
1098 entity shall be screened by the Department of State Police. If the provider has been convicted of or is  
1099 under indictment for a barrier crime, the qualified entity shall be notified that the provider is not  
1100 qualified to work or volunteer in a position that involves unsupervised access to children or the elderly  
1101 or disabled.

1102 E. Any background check conducted pursuant to this section for a provider employed by a  
1103 governmental entity shall be provided to that entity.

1104 F. In the case of a provider who desires to volunteer at a qualified entity and who is subject to a

national criminal background check, the Department and the Federal Bureau of Investigation may each charge the provider the lesser of \$18 or the actual cost to the entity of the background check conducted with the fingerprints.

G. The failure to request a criminal background check pursuant to subsection B shall not be considered negligence per se in any civil action.

H. (Expires July 1, 2020) Notwithstanding any provisions in this section to the contrary, a spouse of a birth parent or parent by adoption who is not the birth parent of a child and has filed a petition for adoption of such child in circuit court may request the Department of State Police to conduct a national criminal background check on such prospective adoptive parent at his cost for purposes of § 63.2-1242. Such background checks shall otherwise be conducted in accordance with the provisions of this section.

**§ 22.1-19. Accreditation of elementary, middle, and high schools; nursery schools; recognition of certain organizations; child day center regulation.**

The Board shall provide for the accreditation of public elementary, middle, and high schools in accordance with standards prescribed by it. The Board may provide for the accreditation of private elementary, middle, and high schools in accordance with standards prescribed by it, taking reasonably into account the special circumstances and factors affecting such private schools. The Board in its discretion may recommend provisions for standards for private nursery schools. Any such accreditation shall be at the request of the private school only.

For the purposes of facilitating the transfer of academic credits for students who have attended private schools and are enrolling in public schools, and to meet the requirements of § 63.2-1717.22.1-289.032, the Board of Education shall authorize, in a manner it deems appropriate, the Virginia Council for Private Education to accredit private nursery, preschool, elementary, and secondary schools.

**§ 22.1-199.1. Programs designed to promote educational opportunities.**

A. The General Assembly finds that Virginia educational research supports the conclusion that poor children are more at risk of educational failure than children from more affluent homes and that reduced pupil/teacher ratios and class sizes result in improved academic performance among young children; to this end, the General Assembly establishes a long-term goal of reducing pupil/teacher ratios and class sizes for grades K through three in those schools in the Commonwealth with high or moderate concentrations of at-risk students.

With such funds as are provided in the appropriation act for this purpose, there is hereby established the statewide voluntary pupil/teacher ratio and class size reduction program for the purpose of reaching the long-term goal of statewide voluntary pupil/teacher ratio and class size reductions for grades K through three in schools with high or moderate concentrations of at-risk students, consistent with the provisions provided in the appropriation act.

In order to facilitate these primary grade ratio and class size reductions, the Department of Education shall calculate the state funding of these voluntary ratio and class size reductions based on the incremental cost of providing the lower class sizes according to the greater of the division average per-pupil cost of all divisions or the actual division per-pupil cost. Localities shall provide matching funds for these voluntary ratio and class size reductions based on the composite index of local ability to pay. School divisions shall notify the Department of Education of their intention to implement the

1166 reduced ratios and class sizes in one or more of their qualifying schools by August 1 of each year. By  
1167 March 31 of each year, school divisions shall forward data substantiating that each participating school  
1168 has a complying pupil/teacher ratio.

1169 In developing each proposed biennium budget for public education, the Board of Education shall  
1170 include funding for these ratios and class sizes. These ratios and class sizes shall be included in the  
1171 annual budget for public education.

1172 B. The General Assembly finds that educational technology is one of the most important  
1173 components, along with highly skilled teachers, in ensuring the delivery of quality public school  
1174 education throughout the Commonwealth. Therefore, the Board of Education shall strive to incorporate  
1175 technological studies within the teaching of all disciplines. Further, the General Assembly notes that  
1176 educational technology can only be successful if teachers and administrators are provided adequate  
1177 training and assistance. To this end, the following program is established.

1178 With such funds as are appropriated for this purpose, the Board of Education shall award to the  
1179 several school divisions grants for expanded access to educational technology. Funding for educational  
1180 technology training for instructional personnel shall be provided as set forth in the appropriation act.

1181 Funds for improving the quality and capacity of educational technology shall also be provided as set  
1182 forth in the appropriation act, including, but not limited to, (i) funds for providing a technology resource  
1183 assistant to serve every elementary school in this Commonwealth beginning on July 1, 1998, and (ii)  
1184 funds to maintain the currency of career and technical education programs. Any local school board  
1185 accepting funds to hire technology resource assistants or maintain currency of career and technical  
1186 education programs shall commit to providing the required matching funds, based on the composite  
1187 index of local ability to pay.

1188 Each qualifying school board shall establish an individualized technology plan, which shall be  
1189 approved by the Superintendent of Public Instruction, for integrating technology into the classroom and  
1190 into schoolwide instructional programs, including career and technical education programs. The grants  
1191 shall be prioritized as follows:

1192 1. In the 1994 biennium, the first priority for these funds shall be to automate the library media  
1193 centers and provide network capabilities in Virginia's elementary, middle and high schools, or  
1194 combination thereof, in order to ensure access to the statewide library and other information networks. If  
1195 any elementary, middle or high school has already met this priority, the 1994 biennium grant shall be  
1196 used to provide other educational technologies identified in the relevant division's approved technology  
1197 plan, such as multimedia and telecomputing packages, integrated learning systems, laptop computer loan  
1198 programs, career and technical education laboratories or other electronic techniques designed to enhance  
1199 public education and to facilitate teacher training in and implementation of effective instructional  
1200 technology. The Board shall also distribute, as provided in the appropriation act, funds to support the  
1201 purchase of electronic reference materials for use in the statewide automated reference system.

1202 2. In the 1996 biennium and thereafter, the first priority for funding shall be consistent with those  
1203 components of the Board of Education's revised six-year technology plan which focus on (i) retrofitting  
1204 and upgrading existing school buildings to efficiently use educational technology; (ii) providing (a) one  
1205 network-ready multimedia microcomputer for each classroom, (b) a five-to-one ratio of pupils to  
1206 network-ready microcomputers, (c) graphing calculators and relevant scientific probes/sensors as required  
1207 by the Standards of Learning, and (d) training and professional development on available technologies  
1208 and software to all levels and positions, including professional development for personnel delivering  
1209 career and technical education at all levels and positions; and (iii) assisting school divisions in  
1210 developing integrated voice-, video-, and data-connectivity to local, national and international resources.

1211 This funding may be used to implement a local school division's long-range technology plan, at the  
1212 discretion of the relevant school board, if the local plan meets or exceeds the goals and standards of the  
1213 Board's revised six-year technology plan and has been approved by the Superintendent of Public  
1214 Instruction.

1215 3. The Departments of Education, Information Technology, and General Services shall coordinate  
1216 master contracts for the purchase by local school boards of the aforementioned educational technologies  
1217 and reference materials.

1218 4. Beginning on July 1, 1998, a technology replacement program shall be, with such funds as may be  
1219 appropriated for this purpose, implemented to replace obsolete educational hardware and software. As  
1220 provided in subsection D of § 22.1-129, school boards may donate obsolete educational technology  
1221 hardware and software which are being replaced. Any such donations shall be offered to other school  
1222 divisions and to preschool programs in the Commonwealth, or to public school students as provided in  
1223 guidelines to be promulgated by the Board of Education. Such guidelines shall include criteria for  
1224 determining student eligibility and need; a reporting system for the compilation of information  
1225 concerning the number and socioeconomic characteristics of recipient students; and notification of  
1226 parents of the availability of such donations of obsolete educational hardware and software.

1227 5. In fiscal year 2000, the Board of Education shall, with such funds as are appropriated for this

purpose, contract for the development or purchase of interactive educational software and other instructional materials designed as tutorials to improve achievement on the Standards of Learning assessments. Such interactive educational software and other instructional materials may be used in media centers, computer laboratories, libraries, after-school or before-school programs or remedial programs by teachers and other instructional personnel or provided to parents and students to be used in the home. This interactive educational software and other instructional materials shall only be used as supplemental tools for instruction, remediation, and acceleration of the learning required by the K through 12 Standards of Learning objectives.

Consistent with school board policies designed to improve school-community communications and guidelines for providing instructional assistance in the home, each school division shall strive to establish a voice mail communication system after regular school hours for parents, families, and teachers by the year 2000.

C. The General Assembly finds that effective prevention programs designed to assist children at risk of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed in the twenty-first century; to this end, the following program is hereby established: With such funds as are appropriated for this purpose, the General Assembly hereby establishes a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.

The grants shall be used to provide at least half-day services for the length of the school year for at-risk four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education, health services, social services, parental involvement including activities to promote family literacy, and transportation.

The Department of Education, in cooperation with such other state agencies that may coordinate child day care and early childhood programs, shall establish guidelines for quality preschool education and criteria for the service components, consistent with the findings of the November 1993 study by the Board of Education, the Department of Education, and the Council on Child Day Care and Early Childhood Programs.

The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements. However, the guidelines for quality preschool education and the criteria for preschool education services shall require when such services are being provided by the public schools of the Commonwealth, and may require for other service providers, that (i) one teacher shall be employed for any class of nine students or less; (ii) if the average daily membership in any class exceeds nine students but does not exceed 18, a full-time teacher's aide shall be assigned to the class; and (iii) the maximum class size shall be 18 students.

School divisions may apply for and be granted waivers from these guidelines by the Department of Education.

During the 1995-1996 fiscal year, the Board of Education shall, with such funds as are appropriated for this purpose, distribute grants, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for 30 percent of the unserved at-risk four-year-olds in the Commonwealth pursuant to the funding provided in the appropriation act.

During the 1996-1997 fiscal year and thereafter, grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth; such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

D. The General Assembly finds that local autonomy in making decisions on local educational needs

and priorities results in effective grass-roots efforts to improve education in the Commonwealth's public schools only when coupled with sufficient state funding; to this end, the following block grant program is hereby established. With such funds as are provided in the appropriation act, the Department of Education shall distribute block grants to localities to enable compliance with the Commonwealth's requirements for school divisions in effect on January 1, 1995. Therefore, for the purpose of such compliance, the block grant herein established shall consist of a sum equal to the amount appropriated in the appropriation act for the covered programs, including the at-risk add-on program; dropout prevention, specifically Project YES; Project Discovery; English as a second language programs, including programs for overage, nonschooled students; Advancement Via Individual Determination (AVID); the Homework Assistance Program; programs initiated under the Virginia Guaranteed Assistance Program, except that such funds shall not be used to pay any expenses of participating students at institutions of higher education; Reading Recovery; and school/community health centers. Each school board may use any funds received through the block grant to implement the covered programs and other programs designed to save the Commonwealth's children from educational failure.

~~E. D.~~ In order to reduce pupil/teacher ratios and class sizes in elementary schools, from such funds as may be appropriated for this purpose, each school board may employ additional classroom teachers, remedial teachers, and reading specialists for each of its elementary schools over the requirements of the Standards of Quality. State and local funding for such additional classroom teachers, remedial teachers, and reading specialists shall be apportioned as provided in the appropriation act.

~~F. E.~~ Pursuant to a turnaround specialist program administered by the Department of Education, local school boards may enter into agreements with individuals to be employed as turnaround specialists to address those conditions at the school that may impede educational progress and effectiveness and academic success. Local school boards may offer such turnaround specialists or other administrative personnel incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

~~G. F.~~ The General Assembly finds that certain schools have particular difficulty hiring teachers for certain subject areas and that the need for such teachers in these schools is particularly strong. Accordingly in an effort to attract and retain high quality teachers, local school boards may offer instructional personnel serving in such schools as a member of a middle school teacher corps administered by the Department of Education incentives such as increased compensation, improved retirement benefits in accordance with Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-603, relocation expenses, bonuses, and other incentives as may be determined by the board.

For purposes of this subsection, "middle school teacher corps" means licensed instructional personnel who are assigned to a local school division to teach in a subject matter in grades six, seven, or eight where there is a critical need, as determined by the Department of Education. The contract between such persons and the relevant local school board shall specify that the contract is for service in the middle school teacher corps.

#### CHAPTER 14.1.

#### EARLY CHILDHOOD CARE AND EDUCATION.

##### Article 1.

##### General Provisions.

#### § 22.1-289.02. Definitions.

*As used in this chapter, unless the context requires a different meaning:*

"Child day center" means a child day program offered to (i) two or more children under the age of 13 in a facility that is not the residence of the provider or of any of the children in care or (ii) 13 or more children at any location.

"Child day program" means a regularly operating service arrangement for children where, during the absence of a parent or guardian, a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period.

"Early childhood care and education entity" means a child day center, family day home, or family day system serving children under the age of five.

"Family day home" means a child day program offered in the residence of the provider or the home of any of the children in care for one through 12 children under the age of 13, exclusive of the provider's own children and any children who reside in the home, when at least one child receives care for compensation. The provider of a licensed or registered family day home shall disclose to the parents or guardians of children in their care the percentage of time per week that persons other than the provider will care for the children. Family day homes serving five through 12 children, exclusive of the provider's own children and any children who reside in the home, shall be licensed. However, no family day home shall care for more than four children under the age of two, including the provider's own

children and any children who reside in the home, unless the family day home is licensed or voluntarily registered. However, a family day home where the children in care are all related to the provider by blood or marriage shall not be required to be licensed.

"Family day system" means any person who approves family day homes as members of its system; who refers children to available family day homes in that system; and who, through contractual arrangement, may provide central administrative functions including, but not limited to, training of operators of member homes; technical assistance and consultation to operators of member homes; inspection, supervision, monitoring, and evaluation of member homes; and referral of children to available health and social services.

"Head Start provider" means a public or private, nonprofit or for-profit organization or agency, including any community-based organization, as such term is defined in 20 U.S.C. § 7801, to which a grantee has delegated all or part of the responsibility of the grantee for operating a Head Start program.

"Publicly funded provider" means any (i) educational program provided by a school division or local government to children between birth and age five or (ii) child day program that receives state or federal funds in support of its operations that serves three or more unrelated children. "Publicly funded provider" does not include any program for which the sole source of public funding is the federal Child and Adult Care Food Program (CACFP) administered by the U.S. Department of Agriculture Food and Nutrition Service.

"Registered family day home" means any family day home that has met the standards for voluntary registration for such homes pursuant to regulations adopted by the Board and that has obtained a certificate of registration from the Superintendent.

**§ 22.1-289.03. Early childhood care and education system; establishment.**

A. The Board shall establish a statewide unified public-private system for early childhood care and education in the Commonwealth to ensure that every child has the opportunity to enter kindergarten healthy and ready to learn. Such system shall be administered by the Board, the Superintendent, and the Department and shall be formed, implemented, and sustained through a structure that engages and leverages both state-level authority and regional-level public-private partnership assets.

B. It is the intent of the General Assembly that the system established pursuant to subsection A shall (i) provide families with coordinated access for referral to early childhood education programs, (ii) provide families with easy-to-understand information about the quality of publicly funded early childhood care and education programs, (iii) establish expectations for the continuous improvement of early childhood care and education programs, and (iv) establish shared expectations for early childhood care and education programs among the Department of Education, the Department of Social Services, local school divisions, and state and regional stakeholders.

C. The system established pursuant to subsection A shall consist of a combination of programs offered through (i) the Virginia Preschool Initiative, pursuant to § 22.1-289.09; (ii) licensed programs, pursuant to Article 3 (§ 22.1-289.010 et seq.); and (iii) unlicensed programs, pursuant to Article 4 (§ 22.1-289.030 et seq.).

**§ 22.1-289.04. Early childhood care and education advisory committee.**

The Board shall establish an early childhood care and education advisory committee to advise the Board on programs, systems, and regulations established pursuant to this chapter. The advisory committee shall include the following members, who shall represent geographically diverse areas: (i) two representatives of publicly funded licensed providers, including at least one for-profit provider; (ii) one representative of an early childhood care and education entity that is not a publicly funded provider; (iii) one representative of an early childhood care and education entity that is exempt from licensure pursuant to § 22.1-289.031; (iv) two representatives of Head Start providers, one of which shall be operated by a local school division, and one of which shall not be operated by a local school division; (v) two representatives from local school divisions or local school boards operating early childhood programs other than Head Start providers; (vi) two representatives of nonprofit advocacy organizations in the Commonwealth that focus on early childhood care and education; (vii) one representative of a family day home that is a publicly funded provider; (viii) two professionals or faculty members from an institution of higher education in the Commonwealth who have child development or early childhood education expertise; (ix) one representative from the Virginia chapter of the American Academy of Pediatrics; (x) one representative from an advocacy or service organization that focuses on serving children with disabilities; (xi) one representative from a business in the Commonwealth; and (xii) one parent of a child currently enrolled in a preschool program offered by a publicly funded provider. The Commissioner of Social Services or his designee, the Secretary of Education or his designee, the Secretary of Health and Human Resources or his designee, the Superintendent of Public Instruction or his designee, the Commissioner of the Department of Health or his designee, the Commissioner of the Department of Behavioral Health and Development Services or his designee, and

1412 the Director of the Head Start Collaboration Office shall serve *ex officio* without voting privileges. The  
1413 Board shall establish bylaws for such advisory committee that include term length and limits for  
1414 members.

1415 **§ 22.1-289.05. Quality rating and improvement system; establishment.**

1416 A. The Board shall establish a uniform quality rating and improvement system designed to provide  
1417 parents and families with information about the quality and availability of publicly funded providers.  
1418 Such system shall include:

- 1419 1. Service provision and performance targets for children from birth to age five that align with
- 1420 standards for kindergarten readiness and early elementary grades;
- 1421 2. Consistent quality standards;
- 1422 3. Outcome-based measurements; and
- 1423 4. Incentives to encourage participation and improvement.

1424 B. All publicly funded providers shall be required to participate in the quality rating and  
1425 improvement system established pursuant to subsection A. All other child day programs may participate  
1426 in such system. Any participation in such system shall comply with all applicable federal laws and  
1427 regulations, including the federal Head Start Act (42 U.S.C. § 9801 et seq.), as amended, and associated  
1428 regulations.

1429 C. The Board shall establish consequences for publicly funded providers that fail to participate in  
1430 the quality rating and improvement system established pursuant to subsection A or persistently fail to  
1431 meet minimal quality standards.

1432 **§ 22.1-289.06. Confidential records and information; penalty.**

1433 A. The records, information, and statistical registries of the Department and of all child-welfare  
1434 agencies concerning services to or on behalf of individuals shall be confidential information, provided  
1435 that the Superintendent, the Board, and their agents or designees shall have access to such records,  
1436 information, and statistical registries, and that such records, information, and statistical registries may  
1437 be disclosed to any person having a legitimate interest in accordance with state and federal law and  
1438 regulation.

1439 It shall be unlawful for any officer, agent, or employee of any child-welfare agency; for the  
1440 Superintendent, the State Board, or their agents or employees; for any person who has held any such  
1441 position; and for any other person to whom any such record or information is disclosed to disclose,  
1442 directly or indirectly, any such confidential record or information, except as herein provided or pursuant  
1443 to § 63.2-105. Every violation of this section shall constitute a Class 1 misdemeanor.

1444 B. If a request for a record or information concerning applicants for and recipients of services  
1445 provided in this chapter is made to the Department by a person who does not have a legitimate interest,  
1446 the Superintendent shall not provide the record or information unless permitted by state or federal law  
1447 or regulation.

1448 **§ 22.1-289.07. Information related to shaken baby syndrome.**

1449 The Department shall make information about shaken baby syndrome, its effects, and resources for  
1450 help and support for caretakers in a printable format, and information about how to acquire  
1451 information about shaken baby syndrome and its effects in an audiovisual format, available to the public  
1452 on its website. Such information shall be provided to every child day program required to be licensed  
1453 by the Department at the time of initial licensure and upon request.

1454 **§ 22.1-289.08. Board to investigate child day programs at direction of Governor.**

1455 Whenever the Governor considers it proper or necessary to investigate the management of any child  
1456 day program licensed by or required to be inspected by the Board under the provisions of this chapter,  
1457 he may direct the Board, or any committee or agent thereof, to make the investigation. The Board,  
1458 committee, or agent designated by the Governor shall have power to administer oaths and to summon  
1459 officers, employees, or other persons to attend as witnesses and to enforce their attendance and to  
1460 compel them to produce documents and give evidence.

1461 **Article 2.**

1462 **Virginia Preschool Initiative.**

1463 **§ 22.1-289.09. Programs designed to promote educational opportunities.**

1464 A. The General Assembly finds that effective prevention programs designed to assist children at risk  
1465 of school failure and dropout are practical mechanisms for reducing violent and criminal activity and  
1466 for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed; to this  
1467 end, the following program is hereby established. With such funds as are appropriated for this purpose,  
1468 the General Assembly hereby establishes a grant program to be disbursed by the Department of  
1469 Education to schools and community-based organizations to provide quality preschool programs for  
1470 at-risk three-year-olds and four-year-olds who are unserved by Head Start programs and for at-risk  
1471 five-year-olds who are not eligible to attend kindergarten.

1472 B. Grants shall be used to provide at least half-day services for the length of the school year for  
1473 at-risk three-year-old and four-year-old children who are unserved by Head Start programs and for

at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education; health services, including nutrition access programs; social services; parental involvement, including activities to promote family literacy; and transportation.

C. The Department of Education shall establish guidelines for quality preschool education and criteria for the service components, consistent with the findings of the November 1993 study by the Board of Education, the Department of Education, and the Council on Child Day Care and Early Childhood Programs.

D. The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements.

1. Any classroom that exceeds benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with 10 students or fewer students; (ii) if the average daily membership in any classroom exceeds 10 students but does not exceed 20 students, at least one full-time teacher's aide shall be assigned to the classroom; and (iii) the maximum classroom size shall be 20 students.

2. Any classroom that does not exceed benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with nine or fewer students; (ii) if the average daily membership in any classroom exceeds nine students but does not exceed 18 students, a full-time teacher's aide shall be assigned to such classroom; and (iii) the maximum classroom size shall be 18 students.

E. School divisions may apply for and be granted waivers from these guidelines by the Department of Education. Grants shall be distributed, with such funds as are appropriated for this purpose, based on an allocation formula providing the state share of the grant per child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are not eligible to attend kindergarten in the Commonwealth, such 60 percent to be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children in each locality provided funding in the appropriation act.

F. Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may use federal funds or local funds for this expansion or may seek funding through this grant program for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

G. In order for a locality to qualify for these grants, the local governing body shall commit to providing the required matching funds, based on the composite index of local ability to pay. Localities may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing qualifying programs and shall also continue to pursue and coordinate other funding sources, including child care subsidies. Funds received through this program shall be used to supplement, not supplant, any local funds currently provided for preschool programs within the locality.

Article 3.

Licensure.

**§ 22.1-289.010. Application fees; regulations and schedules; use of fees; certain facilities, centers and agencies exempt.**

The Board is authorized to adopt regulations and schedules for fees to be charged for processing applications for licenses to operate early childhood care and education entities. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations based on the capacity of such facilities, centers, and agencies. Fees shall be used for the development and delivery of training for operators and staff of facilities, centers, and agencies. Fees shall be expended for this purpose within two fiscal years following the fiscal year in which they are collected. These fees shall not be applicable to facilities, centers, or agencies operated by federal entities.

The Board shall develop training programs for operators and staffs of licensed child day programs. Such programs shall include formal and informal training offered by institutions of higher education, state and national associations representing child care professionals, local and regional early childhood educational organizations, state agencies and other trainers designated by the Board, and licensed child care providers. Training provided to operators and staffs of licensed child day programs shall include training and information regarding shaken baby syndrome, its effects, and resources for help and support for caretakers. To the maximum extent possible, the Board shall ensure that all provider interests are represented and that no single approach to training shall be given preference.

**§ 22.1-289.011. Licenses required; issuance, expiration, and renewal; maximum number of residents, participants or children; posting of licenses.**

A. As used in this section, "person" means any individual; corporation; partnership; association; limited liability company; local government; state agency, including any department, institution, authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or

commercial entity that operates or maintains an early childhood care and education entity.

B. Every person who constitutes, or who operates or maintains, an early childhood care and education entity shall obtain the appropriate license from the Superintendent, which may be renewed. The Superintendent, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Superintendent, in such form as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an association, partnership, limited liability company, or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Superintendent may require.

C. The licenses shall be issued on forms prescribed by the Superintendent. Any two or more licenses may be issued for concurrent operation of more than one early childhood care and education entity, but each license shall be issued upon a separate form. Each license for an early childhood care and education entity and renewals thereof may be issued for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

D. The Superintendent may extend or shorten the duration of licensure periods for an early childhood care and education entity whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the early childhood care and education entity for which it is issued.

F. The license and any other documents required by the Superintendent shall be posted in a conspicuous place on the licensed premises.

G. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

**§ 22.1-289.012. Local government to report business licenses issued to child day centers and family day homes.**

The commissioner of the revenue or other local business license official shall report to the Department on a semiannual basis the name, address, and contact information of any child day center or family day home to which a business license was issued.

**§ 22.1-289.013. Investigation on receipt of application.**

Upon receipt of the application, the Superintendent shall cause an investigation to be made of the activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. The character and reputation investigation upon application shall include background checks pursuant to § 22.1-289.036. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

**§ 22.1-289.014. Variances.**

The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a licensee or applicant for licensure as an early childhood care and education entity has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The Superintendent shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

**§ 22.1-289.015. Voluntary registration of family day homes; inspections; investigation upon receipt of complaint; revocation or suspension of registration.**

A. Any person who maintains a family day home serving fewer than five children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration. An applicant for voluntary registration shall file with the Superintendent, prior to beginning any such operation and thereafter biennially, an application which shall include, but not be limited to, the following:

1. The name, address, phone number, and social security number of the person maintaining the family day home;

2. The number and ages of the children to receive care;

3. A sworn statement or affirmation in which the applicant attests to the accuracy of the information submitted to the Superintendent; and

4. Documentation that the background check requirements for registered early childhood care and education entities in Article 5 (§ 22.1-289.034 et seq.) have been met.

B. The Board shall adopt regulations for voluntarily registered family day homes that include, but are not limited to:

1. The criteria and process for the approval of the certificate of registration;  
 2. Requirements for a self-administered health and safety guidelines evaluation checklist;  
 3. A schedule for fees to be paid by the providers to the contract organization or to the Department if it implements the provisions of this section for processing applications for the voluntary registration of family day homes. The charges collected shall be maintained for the purpose of recovering administrative costs incurred in processing applications and certifying such homes as eligible or registered;

4. The criteria and process for the renewal of the certificate of registration; and  
 5. The requirement that upon receipt of a complaint concerning a registered family day home, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, and facilities. The person who maintains such home shall afford the Superintendent reasonable opportunity to inspect the operator's facilities and records and to interview any employees and any child or other person within his custody or control. Whenever a registered family day home is determined by the Superintendent to be in noncompliance with the regulations for voluntarily registered family day homes, the Superintendent shall give reasonable notice to the operator of the nature of the noncompliance and may thereafter revoke or suspend the registration.

C. Upon receiving the application on forms prescribed by the Superintendent, and after having determined that the home has satisfied the requirements of the regulations for voluntarily registered family day homes, the Superintendent shall issue a certificate of registration to the family day home.

D. The Superintendent shall contract in accordance with the requirements of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to review applications and certify family day homes as eligible for registration, pursuant to the regulations for voluntarily registered family day homes. If no qualified local agencies or community organizations are available, the Superintendent shall implement the provisions of this section. For the purposes of this subsection, "qualified" means demonstrated ability to provide sound financial management and administrative services including application processing, maintenance of records and reports, technical assistance, consultation, training, monitoring, and random inspections.

E. The scope of services in contracts shall include:

1. The identification of family day homes which may meet the standards for voluntary registration provided in subsection A; and

2. A requirement that the contract organization shall provide administrative services, including, but not limited to, processing applications for the voluntary registration of family day homes; certifying such homes as eligible for registration; providing technical assistance, training and consultation with family day homes; ensuring providers' compliance with the regulations for voluntarily registered family day homes, including monitoring and random inspections; and maintaining permanent records regarding all family day homes which it may certify as eligible for registration.

F. The contract organization, upon determining that a family day home has satisfied the requirements of the regulations for voluntarily registered family day homes, shall certify the home as eligible for registration on forms prescribed by the Superintendent. The Superintendent, upon determining that certification has been properly issued, may register the family day home.

G. The provisions of this section shall not apply to any family day home located in a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities pursuant to the provisions of § 15.2-914.

**§ 22.1-289.016. Unlicensed and unregistered family day homes; notice to parents.**

Every unlicensed, unregistered family day home shall provide written notice to the parents of every child receiving care, at the time the family day home begins providing care for the child, stating that the family day home is not regulated by the Department and referring parents to a website maintained by the Department for additional information regarding licensed, registered, and unlicensed, unregistered family day homes. The provisions of this section shall not apply to an unlicensed, unregistered family day home in which all of the children receiving care are related to the provider by blood or marriage.

**§ 22.1-289.017. Compliance with Uniform Statewide Building Code.**

Buildings licensed as early childhood care and education entities shall be classified by and meet the specifications for the proper Use Group as required by the Virginia Uniform Statewide Building Code.

**§ 22.1-289.018. Inspections and interviews.**

A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable opportunity to inspect all of their facilities, books and records, and to interview their agents and employees and any person living or participating in such facilities, or under their custody, control,

direction, or supervision. Interviews conducted pursuant to this section with persons living or participating in a facility operated by or under the custody, control, direction, or supervision of an applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

B. All licensed early childhood care and education entities shall be inspected not less than twice annually, and one of those inspections shall be unannounced.

C. The activities, services, and facilities of each applicant for renewal of his license as an early childhood care and education entity shall be subject to an inspection or examination by the Superintendent to determine if he is in compliance with current regulations of the Board.

D. The Superintendent may authorize such other announced or unannounced inspections as the Superintendent considers appropriate.

**§ 22.1-289.019. Inspections of early childhood care and education entities; prioritization.**

The Superintendent shall prioritize inspections of early childhood care and education entities in the following order: (i) inspections conducted in response to a complaint involving a licensed, registered, license-exempt, or unlicensed early childhood care and education entity; (ii) inspections of licensed or registered early childhood care and education entities that are not conducted in response to a complaint; (iii) inspections of license-exempt or unlicensed early childhood care and education entities that have entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license-exempt and unlicensed early childhood care and education entities that are not conducted in response to a complaint.

**§ 22.1-289.020. Issuance or refusal of license; notification; provisional and conditional licenses.**

Upon completion of his investigation, the Superintendent shall issue an appropriate license to the applicant if (i) the applicant has made adequate provision for such activities, services, and facilities as are reasonably conducive to the welfare of the children over whom he may have control; (ii) at the time of initial application, the applicant has submitted an operating budget and at least one credit reference; (iii) he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company, or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this chapter. Otherwise, the license shall be denied. Immediately upon taking final action, the Superintendent shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Superintendent may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. The provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months. A copy of the provisional license shall be prominently displayed by the provider at each public entrance of the subject facility and shall be printed in a clear and legible size and style. In addition, the facility shall be required to prominently display next to the posted provisional license a notice that a description of specific violations of licensing standards to be corrected and the deadline for completion of such corrections is available for inspection at the facility and on the facility's website, if applicable.

At the discretion of the Superintendent, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months.

**§ 22.1-289.021. Records and reports.**

Every licensed or registered early childhood care and education entity or family day home approved by a family day system shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

**§ 22.1-289.022. Enforcement and sanctions; early childhood care and education entities; revocation and denial.**

A. The Superintendent may revoke or deny the renewal of the license of any early childhood care and education entity that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

B. Pursuant to the procedures set forth in subsection C, and in addition to the authority for other disciplinary actions provided in this title, the Superintendent may issue a notice of summary suspension of the license of any early childhood care and education entity, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the early childhood care and education entity that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care, and the Superintendent believes the operation of the early childhood care and

education entity should be suspended during the pendency of such proceeding.

C. A notice of summary suspension issued by the Superintendent to an early childhood care and education entity shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this subsection; (iii) facts and evidence that formed the basis for the summary suspension; and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the early childhood care and education entity or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the early childhood care and education entity.

The summary suspension hearing shall be presided over by a hearing officer selected by the Superintendent from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of summary suspension; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the hearing officer shall provide to the Superintendent written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended.

Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation, the Superintendent may issue a final order of summary suspension or an order that such summary suspension is not warranted by the facts and circumstances presented. The Superintendent shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. In the event that the Superintendent rejects the hearing officer's findings, conclusions, or recommendation, the Superintendent shall state with particularity the basis for rejection. In issuing a final order of summary suspension, the Superintendent may choose to suspend the license of the early childhood care and education entity or to suspend only certain authority of the early childhood care and education entity to operate, including the authority to provide certain services or perform certain functions that the Superintendent determines should be restricted or modified in order to protect the health, safety, or welfare of the children receiving care. A final order of summary suspension shall include notice that the licensee may appeal the Superintendent's decision to the appropriate circuit court no later than 10 days following service of the order. The sole issue before the court shall be whether the Superintendent had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

A copy of any final order of summary suspension shall be prominently displayed by the early childhood care and education entity at each public entrance of the facility, or in lieu thereof, the early childhood care and education entity may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

The willful and material failure to comply with the final order of summary suspension constitutes a violation of subdivision 3 of § 63.2-1712.

The provisions of this subsection shall not apply to any child welfare agency operated by an agency of the Commonwealth, which shall instead be governed by the provisions of § 63.2-1710.1.

#### **§ 22.1-289.023. Enforcement and sanctions; special orders; civil penalties.**

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Superintendent may issue a special order (i) for violation of any of the provisions of this chapter, § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in an early childhood care and education entity. Notice of the Superintendent's intent to take any of the actions enumerated in subdivisions B 1 through 6 shall be provided by the Department and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. Actions set forth in subsection B may be appealed by (a) an early childhood care and education entity operated by an agency of the Commonwealth or (b) any other early childhood care and education entity in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Superintendent may take the following actions regarding early childhood care and education entities through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance

1781 with the terms of its license and that the health and safety of children are at risk;

1782 2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the  
1783 licensee cannot make necessary corrections to achieve compliance with regulations except by a  
1784 temporary restriction of its scope of service;

1785 3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the  
1786 licensee, when the Superintendent concludes that the lack of such training has led directly to violations  
1787 of regulations;

1788 4. Assess civil penalties of not more than \$500 per inspection upon finding that the early childhood  
1789 care and education entity is substantially out of compliance with the terms of its license and the health  
1790 and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this  
1791 subdivision on any early childhood care and education entity operated by an agency of the  
1792 Commonwealth;

1793 5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding  
1794 health and safety violations; and

1795 6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation  
1796 of the regulations from receiving public funds.

1797 C. The Board shall adopt regulations to implement the provisions of this section.

1798 **§ 22.1-289.024. Appeal from refusal, denial of renewal, or revocation of license.**

1799 A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license  
1800 for an early childhood care and education entity operated by an agency of the Commonwealth, the  
1801 provisions of § 22.1-289.025 shall apply. Whenever the Superintendent refuses to issue a license or to  
1802 renew a license or revokes a license for any early childhood care and education entity other than an  
1803 early childhood care and education entity operated by an agency of the Commonwealth, the provisions  
1804 of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of  
1805 the Superintendent's intent to refuse to issue or renew, or revoke a license shall be received in writing  
1806 from the early childhood care and education entity operator within 15 days of the date of receipt of the  
1807 notice. Judicial review of a final review agency decision shall be in accordance with the provisions of  
1808 the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

1809 B. In every appeal to a court of record, the Superintendent shall be named defendant.

1810 C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for  
1811 operation without a license.

1812 D. When issuance or renewal of a license for an early childhood care and education entity has been  
1813 refused by the Superintendent, the applicant shall not thereafter for a period of six months apply again  
1814 for such license unless the Superintendent in his sole discretion believes that there has been such a  
1815 change in the conditions on account of which he refused the prior application as to justify considering  
1816 the new application. When an appeal is taken by the applicant pursuant to subsection A, the six-month  
1817 period shall be extended until a final decision has been rendered on appeal.

1818 **§ 22.1-289.025. Right to appeal notice of intent; early childhood care and education entities**  
1819 **operated by agencies of the Commonwealth.**

1820 An early childhood care and education entity operated by an agency of the Commonwealth shall  
1821 have the right to appeal any notice of intent as follows:

1822 1. Within 30 days after receiving a notice of intent to impose a sanction, the licensee shall request in  
1823 writing that the Superintendent review the intended agency action and may submit, together with such  
1824 request, relevant information, documentation, or other pertinent data supporting its appeal. The  
1825 Superintendent shall issue a decision within 60 days after receiving the request and shall have the  
1826 authority to uphold the sanction or take whatever action he deems appropriate to resolve the  
1827 controversy.

1828 2. If the early childhood care and education entity disputes the Superintendent's decision, the  
1829 licensee shall request, within 30 days of receiving the Superintendent's decision, that the Superintendent  
1830 refer the matter to the Secretary of Education. The Secretary shall issue a decision within 60 days of  
1831 receiving the request for review. The Secretary's decision shall be final and shall not be subject to  
1832 review.

1833 **§ 22.1-289.026. Injunction against operation without license.**

1834 Any circuit court having jurisdiction in the county or city where the principal office of any early  
1835 childhood care and education entity is located shall, at the suit of the Superintendent, have jurisdiction  
1836 to enjoin its operation without a license required by this chapter.

1837 **§ 22.1-289.027. Offenses; penalty.**

1838 Any person, and each officer and each member of the governing board of any association or  
1839 corporation that operates an early childhood care and education entity, shall be guilty of a Class 1  
1840 misdemeanor if he:

1841 1. Interferes with any representative of the Superintendent in the discharge of his duties under this  
1842 chapter;

2. Makes to the Superintendent or any representative of the Superintendent any report or statement, with respect to the operation of any early childhood care and education entity, that is known by such person to be false or untrue;

3. Operates or engages in the conduct of an early childhood care and education entity without first obtaining a license as required by this chapter or after such license has been revoked or has expired and not been renewed. No violation shall occur if the agency has applied to the Department for renewal prior to the expiration date of the license. Every day's violation of this subdivision shall constitute a separate offense; or

4. Operates or engages in the conduct of an early childhood care and education entity serving more persons than the maximum stipulated in the license.

**§ 22.1-289.028. Misleading advertising prohibited.**

No early childhood care and education entity shall make, publish, disseminate, circulate, or place before the public or cause, directly or indirectly, to be made, published, disseminated, circulated or placed before the public in this Commonwealth, in a newspaper or other publication; in the form of a book, notice, handbill, poster, blueprint, map, bill, tag, label, circular, pamphlet, or letter; or via electronic mail, website, automatic mailing list services (listservs), newsgroups, facsimile, chat rooms; or in any other way an advertisement of any sort regarding services or anything so offered to the public, which advertisement contains any promise, assertion, representation or statement of fact that is untrue, deceptive, or misleading.

**§ 22.1-289.029. Duty of attorneys for the Commonwealth.**

It shall be the duty of the attorney for the Commonwealth of every county and city to prosecute all violations of this chapter.

1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and exclusively occupied by the religious institution is exempt from local taxation.

2. 6. 7. The individual seeking to operate the child day center is not currently ineligible to operate another early childhood care and education entity due to a suspension or revocation of his license or license exemption for reasons involving child safety or any criminal conviction, including fraud, related to such early childhood care and education entity.

2041 7. Ensuring that all incidents involving serious physical injury to or death of children attending the

2043 include any physical injuries that require an emergency referral to an offsite health care professional or  
2044 treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than  
2045 one business day after the death occurred.

2048 compliance with the provisions of this section. The Superintendent may revoke the exemption for any

2051 required by this section, the Superintendent shall give reasonable notice to such religious institution of  
2052 the nature of its noncompliance and may thereafter take such action as he determines appropriate,

2059 center.

2060 E. Nothing in this section shall prohibit a child day center operated by or conducted under the  
2061 auspices of a religious institution from obtaining a license pursuant to this chapter.

- All accredited private schools seeking certification of preschool programs shall file such information on forms prescribed by the Superintendent. The Superintendent shall certify all preschool programs of accredited private schools which comply with the provisions of subsection A. The Superintendent may conduct an annual inspection of such preschool programs to ensure compliance with the provisions of this section and conduct inspections to investigate complaints alleging noncompliance.
- D. A preschool program of a private school that has not been accredited as provided in subsection A shall be subject to licensure.
- E. If the preschool program of a private school that is accredited as provided in subsection A fails to file the statement and the required documentary evidence, the Superintendent shall notify the school of its noncompliance and may thereafter take such action as he determines appropriate, including notice that the program is required to be licensed.
- F. The revocation or denial of the certification of a preschool program shall be subject to appeal pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a final agency decision shall be in accordance with the provisions of the Administrative Process Act.
- G. Any person who has reason to believe that a private school falling within the provisions of this section is in noncompliance with any applicable requirement of this section may report the same to the Department, the local health department, or the local fire marshal, each of which may inspect the school for noncompliance, give reasonable notice to the school of the nature of its noncompliance, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.
- H. Upon receipt of a complaint concerning a certified preschool program of an accredited private school, if for good cause shown there is reason to suspect that the school is in noncompliance with any provision of this section or the health or safety of the children attending the preschool program is in danger, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary of the services, personnel, and facilities of the school's preschool program. The school shall afford the Superintendent reasonable opportunity to inspect the school's preschool program, records, and facility, and to interview the employees and any child or parent or guardian of a child who is or has been enrolled in the preschool program. If, upon completion of the investigation, it is determined that the school is in noncompliance with the provisions of this section, the Superintendent shall give reasonable notice to the school of the nature of its noncompliance and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.
- I. Failure of a private school to comply with the provisions of this section, or a finding that the

2150 health and safety of the children attending the preschool program are in clear and substantial danger  
2151 upon the completion of an investigation, shall be grounds for revocation of the certification issued  
2152 pursuant to this section.

2153 J. If a private school operates a child day program outside the scope of its instructional classes  
2154 during the school year or operates a child day program during the summer, the child day program shall  
2155 be subject to licensure under the regulations adopted pursuant to § 22.1-289.046.

2156 K. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices of  
2157 a private school from obtaining a license pursuant to this chapter.

2158 **§ 22.1-289.033. Inspection of unlicensed child care operations; inspection warrant.**

2159 In order to perform his duties under this chapter, the Superintendent may enter and inspect any  
2160 unlicensed child care operation with the consent of the owner or person in charge, or pursuant to a  
2161 warrant. Administrative search warrants for inspections of child care operations, based upon a petition  
2162 demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge  
2163 having authority to issue criminal warrants whose territorial jurisdiction includes the child care  
2164 operation to be inspected, if he is satisfied from the petition and affidavit that there is reasonable and  
2165 probable cause for the inspection. The affidavit shall contain either a statement that consent to inspect  
2166 has been sought and refused, or that facts and circumstances exist reasonably justifying the failure to  
2167 seek such consent. Such facts may include, without limitation, past refusals to permit inspection or facts  
2168 establishing reason to believe that seeking consent would provide an opportunity to conceal violations of  
2169 statutes or regulations. Probable cause may be demonstrated by an affidavit showing probable cause to  
2170 believe that the child care operation is in violation of any provision of this chapter or any regulation  
2171 adopted pursuant to this chapter, or upon a showing that the inspection is to be made pursuant to a  
2172 reasonable administrative plan for the administration of this chapter. The inspection of a child care  
2173 operation that has been the subject of a complaint pursuant to § 22.1-289.042 shall have preeminent  
2174 priority over any other inspections of child care operations to be made by the Superintendent unless the  
2175 complaint on its face or in the context of information known to the Superintendent discloses that the  
2176 complaint has been brought to harass, to retaliate, or otherwise to achieve an improper purpose, and  
2177 that the improper purpose casts serious doubt on the veracity of the complaint. After issuing a warrant  
2178 under this section, the judge shall file the affidavit in the manner prescribed by § 19.2-54. Such warrant  
2179 shall be executed and returned to the clerk of the circuit court of the city or county wherein the  
2180 inspection was made.

2181 Article 5.

2182 Background Checks.

2183 **§ 22.1-289.034. Barrier crime; construction.**

2184 For purposes of this chapter, convictions for any barrier crime as defined in § 19.2-392.02 shall  
2185 include prior adult convictions and juvenile convictions or adjudications of delinquency based on a  
2186 crime that would be a felony if committed by an adult within or outside the Commonwealth.

2187 **§ 22.1-289.035. Licensed child day centers and licensed family day homes; employment for  
2188 compensation or use as volunteers of persons convicted of or found to have committed certain  
2189 offenses prohibited; national background check required; penalty.**

2190 A. No child day center, family day home, or family day system licensed in accordance with the  
2191 provisions of this chapter, child day center exempt from licensure pursuant to § 22.1-289.031, registered  
2192 family day home, family day home approved by a family day system, or child day center, family day  
2193 home, or child day program that enters into a contract with the Department to provide child care  
2194 services funded by the Child Care and Development Block Grant shall hire for compensated  
2195 employment, continue to employ, or permit to serve as a volunteer who will be alone with, in control of,  
2196 or supervising children any person who (i) has been convicted of any barrier crime as defined in  
2197 § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside  
2198 the Commonwealth. All applicants for employment, employees, applicants to serve as volunteers, and  
2199 volunteers shall undergo a background check in accordance with subsection B prior to employment or  
2200 beginning to serve as a volunteer and every five years thereafter.

2201 B. Any individual required to undergo a background check in accordance with subsection A shall:

2202 1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is  
2203 the subject of pending charges for any offense within or outside the Commonwealth and whether he has  
2204 been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

2205 2. Submit to fingerprinting and provide personal descriptive information described in subdivision B 2  
2206 of § 19.2-392.02; and

2207 3. Authorize the child day center, family day home, or family day system described in subsection A to  
2208 obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and  
2209 any child abuse and neglect registry or equivalent registry maintained by any other state in which the  
2210 individual has resided in the preceding five years for any founded complaint of child abuse or neglect  
2211 against him.

The applicant's fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be forwarded by the Department or its designee or, in the case of a child day program operated by a local government, may be forwarded by the local law-enforcement agency through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding such applicant. Upon receipt of an applicant's record or notification that no record exists, the Central Criminal Records Exchange shall forward the information to the Department, and the Department shall report to the child day center or family day home whether the applicant is eligible to have responsibility for the safety and well-being of children. In cases in which the record forwarded to the Department is lacking disposition data, the Department shall conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data before reporting to the child day center or family day home.

C. The child day center, family day home, or family day system described in subsection A shall inform every individual required to undergo a background check pursuant to this section that he is entitled to obtain a copy of any background check report and to challenge the accuracy and completeness of any such report and obtain a prompt resolution before a final determination is made of the individual's eligibility to have responsibility for the safety and well-being of children.

D. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

E. Further dissemination of the background check information is prohibited other than to the Superintendent's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

F. A person who complies in good faith with the provisions of this section shall not be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

G. Notwithstanding the provisions of subsection A, a child day center may hire for compensated employment persons who have been convicted of not more than one misdemeanor offense under § 18.2-57, or any substantially similar offense under the laws of another jurisdiction, if 10 years have elapsed following the conviction, unless the person committed such offense while employed in a child day center or the object of the offense was a minor.

H. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state or the local law-enforcement agency of such processing and administration.

I. Any individual required to undergo a background check pursuant to subsection A who is (i) convicted of any barrier crime as defined in § 19.2-392.02 or (ii) found to be the subject of a founded complaint of child abuse or neglect within or outside of the Commonwealth shall notify the child day center, family day home, or family day system described in subsection A of such conviction or finding.

**§ 22.1-289.036. Background check upon application for licensure, registration, or approval as child day center, family day home, or family day system; penalty.**

A. Every (i) applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system; (ii) agent of an applicant for licensure as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system at the time of application who is or will be involved in the day-to-day operations of the child day center, family day home, or family day system or who is or will be alone with, in control of, or supervising one or more of the children; and (iii) adult living in such child day center or family day home shall undergo a background check in accordance with subsection B prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system and every five years thereafter.

B. Every person required to undergo a background check pursuant to subsection A shall:

1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is the subject of any pending criminal charges for any offense within or outside the Commonwealth and whether or not he has been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

2. Submit to fingerprinting and provide personal descriptive information described in subdivision B 2 of § 19.2-392.02; and

3. Authorize the child day center, family day home, or family day system specified in subsection A to obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the individual has resided in the preceding five years for any founded complaint of child abuse or neglect against him.

Fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be

forwarded by the Department or its designee or, in the case of a child day program operated by a local government, may be forwarded by the local law-enforcement agency through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding the individual. Upon receipt of an individual's record or notification that no record exists, the Central Criminal Records Exchange shall forward the information to the Department or its designee. The Department or its designee shall report to the child day center, family day home, or family day system described in subsection A as to whether the individual is eligible to have responsibility for the safety and well-being of children. In cases in which the record forwarded to the Department or its designee is lacking disposition data, the Department shall conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data.

C. If any person specified in subsection A required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.038, no license as a child day center, family day home, or family day system or registration as a family day home shall be granted by the Superintendent and no approval as a family day home shall be granted by the family day system.

D. Information from a search of the central registry maintained pursuant to § 63.2-1515 and any child abuse and neglect registry or equivalent registry maintained by any other state in which the applicant, agent, or adult has resided in the preceding five years, authorized in accordance with subdivision B 3, shall be obtained prior to issuance of a license as a child day center, family day home, or family day system, registration as a family day home, or approval as a family day home by a family day system.

E. No person specified in subsection A shall be involved in the day-to-day operations of the child day center, family day home, or family day system, or shall be alone with, in control of, or supervising one or more children, without first having completed any required background check pursuant to subsection B.

F. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

G. If an individual is denied licensure, registration, or approval because of information from the central registry or any child abuse and neglect registry or equivalent registry maintained by any other state, or convictions appearing on his criminal history record, the Superintendent shall provide a copy of the information obtained from the central registry, any child abuse and neglect registry or equivalent registry maintained by any other state, or the Central Criminal Records Exchange to the individual.

H. Further dissemination of the background check information is prohibited other than to the Superintendent's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

I. Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state or the local law-enforcement agency of such processing and administration.

**§ 22.1-289.037. Revocation or denial of renewal based on background checks; failure to obtain background check.**

A. The Superintendent may revoke or deny renewal of a license or registration of an early childhood care and education entity, and a family day system may revoke the approval of a family day home, if the early childhood care and education entity or approved family day home has knowledge that a person specified in § 22.1-289.035 or 22.1-289.036 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.038 or is not subject to the exceptions in subsection G of § 22.1-289.035, and the agency or home refuses to separate such person from employment or service or allows the household member to continue to reside in the home.

B. Failure to obtain background checks pursuant to §§ 22.1-289.035 and 22.1-289.036 shall be grounds for denial, revocation, or termination of a license, registration, or approval or any contract with the Department or a local department to provide child care services to clients of the Department or local department. No violation shall occur if the family day system, family day home, or child day center has applied for the background check timely and it has not been obtained due to administrative delay. The provisions of this section shall be enforced by the Department.

**§ 22.1-289.038. Early childhood care and education entities; criminal conviction and waiver.**

A. Any person who seeks to operate, volunteer, or work at an early childhood care and education entity and who is disqualified because of a criminal conviction or a criminal conviction in the background check of any other adult living in a family day home regulated by the Department, pursuant to § 22.1-289.035, 22.1-289.036, or 22.1-289.039, may apply in writing for a waiver from the Superintendent. The Superintendent may grant a waiver if the Superintendent determines that (i) the

person is of good moral character and reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the person's care. The Superintendent shall not grant a waiver to any person who has been convicted of any barrier crime as defined in § 19.2-392.02. However, the Superintendent may grant a waiver to a family day home licensed or registered by the Department if any other adult living in the home of the applicant or provider has been convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction, provided that (a) five years have elapsed following the conviction and (b) the Department has conducted a home study that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and (2) a determination that the offender is now a person of good moral character and reputation. The waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction. Any waiver granted under this section shall be available for inspection by the public. The early childhood care and education entity shall notify in writing every parent and guardian of the children in its care of any waiver granted for its operators, employees, or volunteers.

B. The Board shall adopt regulations to implement the provisions of this section.

**§ 22.1-289.039. Records check by unlicensed child day center; penalty.**

Any child day center that is exempt from licensure pursuant to § 22.1-289.031 shall require all applicants for employment, employees, applicants to serve as volunteers, and volunteers and any other person who is expected to be alone with one or more children enrolled in the child day center to obtain a background check in accordance with § 22.1-289.035. A child day center that is exempt from licensure pursuant to § 22.1-289.031 shall refuse employment or service to any person who (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. The foregoing provisions shall not apply to a parent or guardian who may be left alone with his own child. For purposes of this section, convictions shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would have been a felony if committed by an adult within or outside the Commonwealth. Further dissemination of the information provided to the facility is prohibited.

**§ 22.1-289.040. Child day centers or family day homes receiving federal, state, or local child care funds; eligibility requirements.**

A. Whenever any child day center, family day home, or child day program that has not met the requirements of §§ 22.1-289.035, 22.1-289.036, and 22.1-289.039 applies to enter into a contract with the Department to provide child care services to clients of the Department, the Department shall require a background check, at the time of application to enter into a contract and every five years thereafter, of (i) the applicant; any agents involved in the day-to-day operation; all agents who are alone with, in control of, or supervising one or more of the children; and any other adult living in a child day center or family day home pursuant to § 22.1-289.036; and (ii) all applicants for employment, employees, applicants to serve as volunteers, and volunteers pursuant to § 22.1-289.035. The child day center, family day home, or child day program shall not be permitted to enter into a contract with the Department for child care services when an applicant; any employee; a prospective employee; a volunteer, an agent involved in the day-to-day operation; an agent alone with, in control of, or supervising one or more children; or any other adult living in a family day home (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. Further dissemination of the information provided to the facility, beyond dissemination to the Department or agents of the Department is prohibited.

B. Every child day center, family day home, or child day program that enters into a contract with the Department to provide child care services to clients of the Department that is funded, in whole or in part, by the Child Care and Development Block Grant, shall comply with all requirements established by federal law and regulations.

**§ 22.1-289.041. Sex offender or child abuser prohibited from operating or residing in family day home; penalty.**

It shall be unlawful for any person to operate a family day home if he, or if he knows that any other person who resides in, is employed by, or volunteers in the home, has been convicted of a felony in violation of § 18.2-48, 18.2-61, 18.2-63, 18.2-64.1, 18.2-67.1, 18.2-67.2, 18.2-67.3, 18.2-67.5, 18.2-355, 18.2-361, 18.2-366, 18.2-369, 18.2-370, 18.2-370.1, 18.2-371.1, or 18.2-374.1, has been convicted of any offense that requires registration on the Sex Offender and Crimes Against Minors Registry pursuant to § 9.1-902, or is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. A violation of this section is punishable as a Class 1 misdemeanor.

**§ 22.1-289.042. Establishment of toll-free telephone line for complaints; investigation on receipt of complaints.**

With such funds as are appropriated for this purpose, the Superintendent shall establish a toll-free telephone line to respond to complaints regarding operations of early childhood care and education entities. Upon receipt of a complaint concerning the operation of an early childhood care and education entity, regardless of whether the program is subject to licensure, the Superintendent shall, for good cause shown, cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, records, and facilities. The early childhood care and education entity shall afford the Superintendent reasonable opportunity to inspect all of the operator's activities, services, records, and facilities and to interview its agents and employees and any child within its control. Whenever an early childhood care and education entity subject to inspection under this section is determined by the Superintendent to be in noncompliance with the provisions of this chapter or with regulations adopted pursuant to this chapter, the Superintendent shall give reasonable notice to the early childhood care and education entity of the nature of its noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the operation of the early childhood care and education entity.

**§ 22.1-289.043. Confidentiality of complainant's identity.**

Whenever the Department conducts inspections and investigations in response to complaints received from the public, the identity of the complainant and the identity of any child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the early childhood care and education entity the nature of the complaint or the identity of the child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. If the Department intends to rely, in whole or in part, on any statements made by the complainant at any administrative hearing brought against the early childhood care and education entity, the Department shall disclose the identity of the complainant to the early childhood care and education entity a reasonable time in advance of such hearing.

**§ 22.1-289.044. Retaliation or discrimination against complainants.**

No early childhood care and education entity shall retaliate or discriminate in any manner against any person who (i) in good faith complains or provides information to, or otherwise cooperates with, the Department or any other agency of government or any person or entity operating under contract with an agency of government having responsibility for protecting the rights of children in early childhood care and education entities, (ii) attempts to assert any right protected by state or federal law, or (iii) assists any person in asserting such right.

**§ 22.1-289.045. Retaliation against reports of child abuse or neglect.**

No early childhood care and education entity shall retaliate in any manner against any person who in good faith reports adult or child abuse or neglect pursuant to Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2.

**Article 7.**

**Regulations and Interdepartmental Cooperation.**

**§ 22.1-289.046. Regulations for early childhood care and education entities.**

A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons and agencies required to be licensed under this chapter, which shall be designed to ensure that such activities, services, and facilities are conducive to the welfare of the children under the control of such persons or agencies.

Such regulations shall be developed in consultation with representatives of the affected entities and shall include matters relating to the sex, age, and number of children and other persons to be maintained, cared for, or placed out, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department or recognized as a private school by the Board for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

Such regulations governing orientation and training of child day program staff shall provide that

parents or other persons who participate in a cooperative preschool center on behalf of a child attending such cooperative preschool center, including such parents and persons who are counted for the purpose of determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

**§ 22.1-289.047. Interagency agreements; cooperation of Department with other departments.**

The Department is authorized to enter into interagency agreements with other state agencies to develop and implement regulations adopted pursuant to this chapter. Any state agency identified by the Department as appropriate to include in an interagency agreement shall participate in the development and implementation of the agreement. The Department shall assist and cooperate with other state departments in fulfilling their respective inspection responsibilities and in coordinating the regulations involving inspections. The Board may adopt regulations allowing the Department to so assist and cooperate with other state departments.

**§ 22.1-289.048. Program leaders and child-care supervisors at licensed child day centers; approved credential.**

Program leaders and child-care supervisors employed by child day centers may possess an approved credential. For purposes of this section:

"Approved credential" means a competency-based credential awarded to individuals who work with children ages five and under in either a teaching, supervisory, or administrative capacity and that is specifically awarded or administered by the National Association for the Education of Young Children; the National Academy of Early Childhood Programs; the Association of Christian Schools International; the American Association of Christian Schools; the National Early Childhood Program Accreditation; the National Accreditation Council for Early Childhood Professional Personnel and Programs; the International Academy for Private Education; the American Montessori Society; the International Accreditation and Certification of Childhood Educators, Programs, and Trainers; the National Accreditation Commission; the Virginia Community College System, or another institution of higher education; or its equivalent as determined by the Department.

"Program leader" or "child-care supervisor" means an individual designated to be responsible for the direct supervision of children and for the implementation of the activities and services for a group of children in a licensed child day center.

**Article 8.**

**Facilities and Programs.**

**§ 22.1-289.049. Regulated child day programs to require proof of child identity and age; report to law-enforcement agencies.**

A. Upon enrollment of a child in a regulated child day program, such child day program shall require information from the person enrolling the child regarding previous child day care and schools attended by the child. The regulated child day program shall also require that the person enrolling the child present the regulated child day program with the proof of the child's identity and age. The proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction, or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.

B. For purposes of this section:

"Proof of identity" means a certified copy of a birth certificate or other reliable proof of the child's identity and age.

Such governing board, administrator, or private organization transferring criminal records information pursuant to this section shall be immune from civil liability for any official act, decision, or omission done or made in the performance of such transfer, when such acts or omissions are taken in good faith and are not the result of gross negligence or willful misconduct.

3158 which the application is approved and the following two fiscal years. Approval of applications shall be  
3159 limited to those that are assumed to result in no more than \$100,000 of credits in any fiscal year based  
3160 on the assumptions set forth in this subsection.

3161 C. Any tax credit not usable for the taxable year may be carried over to the extent usable for the

3169 **§ 63.2-100. Definitions.**

3170 As used in this title, unless the context requires a different meaning:

3171 "Abused or neglected child" means any child less than 18 years of age:

3172 1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or  
3173 inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than  
3174 accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental  
3175 functions, including, but not limited to, a child who is with his parent or other person responsible for his  
3176 care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled  
3177 substance, or (ii) during the unlawful sale of such substance by that child's parents or other person  
3178 responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would  
3179 constitute a felony violation of § 18.2-248;

3180 2. Whose parents or other person responsible for his care neglects or refuses to provide care  
3181 necessary for his health. However, no child who in good faith is under treatment solely by spiritual  
3182 means through prayer in accordance with the tenets and practices of a recognized church or religious  
3183 denomination shall for that reason alone be considered to be an abused or neglected child. Further, a  
3184 decision by parents who have legal authority for the child or, in the absence of parents with legal  
3185 authority for the child, any person with legal authority for the child, who refuses a particular medical  
3186 treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary  
3187 care if (i) such decision is made jointly by the parents or other person with legal authority and the child;  
3188 (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the  
3189 subject of his medical treatment; (iii) the parents or other person with legal authority and the child have  
3190 considered alternative treatment options; and (iv) the parents or other person with legal authority and the

3192 shall be construed to limit the provisions of § 16.1-278.4;

3193 3. Whose parents or other person responsible for his care abandons such child;

3194 4. Whose parents or other person responsible for his care commits or allows to be committed any act  
3195 of sexual exploitation or any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian or other person standing in loco parentis;

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902; or

7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the Trafficking Victims Protection Act of 2000, 22 U.S.C § 7102 et seq., and in the Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

If a civil proceeding under this title is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency medical services agency that employs emergency medical services providers, within 14 days of the child's birth. For purposes of terminating parental rights pursuant to § 16.1-283 and placement for adoption, the court may find such a child is a neglected child upon the ground of abandonment.

**§ 63.2-603. Eligibility for TANF; childhood immunizations.**

An applicant for TANF shall provide verification that all eligible children not enrolled in school, a licensed family day home *as defined in § 22.1-289.02*, or a licensed child day center *as defined in § 22.1-289.02*, have received immunizations in accordance with § 32.1-46. However, if an eligible child has not received immunizations in accordance with § 32.1-46, verification shall be provided at the next scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's age and that the child's physician or the local health department has developed a plan for completing the immunizations. Verification of compliance with the plan for completing the immunizations shall be presented at subsequent redeterminations of eligibility for TANF.

If necessary, the local department shall provide assistance to the TANF recipient in obtaining verification from immunization providers. No sanction may be imposed until the reason for the failure to comply with the immunization requirement has been identified and any barriers to accessing immunizations have been removed.

Failure by the recipient to provide the required verification of immunizations shall result in a reduction in the amount of monthly assistance received from the TANF program until the required verification is provided. The reduction shall be ~~fifty dollars~~ \$50 for the first child and ~~twenty-five dollars~~ \$25 for each additional child for whom verification is not provided.

Any person who becomes ineligible for TANF payments as a result of this provision shall nonetheless be considered a TANF recipient for all other purposes.

3658 in a confidential manner or (ii) would be subject to § 8.01-400 or 19.2-271.3 if offered as evidence in

3661 occurred is known, then such report shall be made to the local department of the county or city where  
3662 the abuse or neglect was discovered or to the Department's toll-free child abuse and neglect hotline.

3663 If an employee of the local department is suspected of abusing or neglecting a child, the report shall  
3664 be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of  
3665 such a report by the court, the judge shall assign the report to a local department that is not the  
3666 employer of the suspected employee for investigation or family assessment. The judge may consult with  
3667 the Department in selecting a local department to respond to the report or the complaint.

3672 charge of the institution or department, or his designee, pursuant to this subsection, such person shall  
3673 notify the teacher, staff member, resident, intern or nurse who made the initial report when the report of  
3674 suspected child abuse or neglect is made to the local department or to the Department's toll-free child

3676 communication resulting from the report, including any information about any actions taken regarding  
3677 the report, to the person who made the initial report.

3678 The initial report may be an oral report but such report shall be reduced to writing by the child  
3679 abuse coordinator of the local department on a form prescribed by the Board. Any person required to  
3680 make the report pursuant to this subsection shall disclose all information that is the basis for his  
3681 suspicion of abuse or neglect of the child and, upon request, shall make available to the child-protective  
3682 services coordinator and the local department, which is the agency of jurisdiction, any information,  
3683 records, or reports that document the basis for the report. All persons required by this subsection to  
3684 report suspected abuse or neglect who maintain a record of a child who is the subject of such a report  
3685 shall cooperate with the investigating agency and shall make related information, records and reports  
3686 available to the investigating agency unless such disclosure violates the federal Family Educational  
3687 Rights and Privacy Act (20 U.S.C. § 1232g). Provision of such information, records, and reports by a

health care provider shall not be prohibited by § 8.01-399. Criminal investigative reports received from law-enforcement agencies shall not be further disseminated by the investigating agency nor shall they be subject to public disclosure.

B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall, due to the special medical needs of infants affected by substance exposure, include (i) a finding made by a health care provider within six weeks of the birth of a child that the child was born affected by substance abuse or experiencing withdrawal symptoms resulting from in utero drug exposure; (ii) a diagnosis made by a health care provider within four years following a child's birth that the child has an illness, disease, or condition that, to a reasonable degree of medical certainty, is attributable to maternal abuse of a controlled substance during pregnancy; or (iii) a diagnosis made by a health care provider within four years following a child's birth that the child has a fetal alcohol spectrum disorder attributable to in utero exposure to alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included in the report along with the facts relied upon by the person making the report. Such reports shall not constitute a per se finding of child abuse or neglect. If a health care provider in a licensed hospital makes any finding or diagnosis set forth in clause (i), (ii), or (iii), the hospital shall require the development of a written discharge plan under protocols established by the hospital pursuant to subdivision B 6 of § 32.1-127.

C. Any person who makes a report or provides records or information pursuant to subsection A or who testifies in any judicial proceeding arising from such report, records, or information shall be immune from any civil or criminal liability or administrative penalty or sanction on account of such report, records, information, or testimony, unless such person acted in bad faith or with malicious purpose.

D. Any person required to file a report pursuant to this section who fails to do so as soon as possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect, shall be fined not more than \$500 for the first failure and for any subsequent failures not less than \$1,000. In cases evidencing acts of rape, sodomy, or object sexual penetration as defined in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, a person who knowingly and intentionally fails to make the report required pursuant to this section shall be guilty of a Class 1 misdemeanor.

E. No person shall be required to make a report pursuant to this section if the person has actual knowledge that the same matter has already been reported to the local department or the Department's toll-free child abuse and neglect hotline.

**§ 63.2-1515. Central registry; disclosure of information.**

The central registry shall contain such information as shall be prescribed by Board regulation; however, when the founded case of abuse or neglect does not name the parents or guardians of the child as the abuser or neglecter, and the abuse or neglect occurred in a licensed or unlicensed child day center; *as defined in § 22.1-289.02*; a licensed, registered, or approved family day home; *as defined in § 22.1-289.02*; a private or public school; or a children's residential facility, the child's name shall not be entered on the registry without consultation with and permission of the parents or guardians. If a child's name currently appears on the registry without consultation with and permission of the parents or guardians for a founded case of abuse and neglect that does not name the parents or guardians of the child as the abuser or neglecter, such parents or guardians may have the child's name removed by written request to the Department. The information contained in the central registry shall not be open to inspection by the public. However, appropriate disclosure may be made in accordance with Board regulations.

The Department shall respond to requests for a search of the central registry made by (i) local departments, (ii) local school boards, and (iii) governing boards or administrators of private schools accredited pursuant to § 22.1-19 regarding applicants for employment, pursuant to § 22.1-296.4, in cases where there is no match within the central registry within 10 business days of receipt of such requests. In cases where there is a match within the central registry regarding applicants for employment, the Department shall respond to requests made by local departments, local school boards, and governing boards or administrators within 30 business days of receipt of such requests. The response may be by first-class mail or facsimile transmission.

The Department shall disclose information in the central registry to the Chairmen of the Committees for the Courts of Justice of the Senate and House of Delegates for the purpose of determining if any person being considered for election to any judgeship has been the subject of any founded complaint of child abuse or neglect.

Any central registry check of a person who has applied to be a volunteer with a (a) Virginia affiliate of Big Brothers/Big Sisters of America, (b) Virginia affiliate of Compeer, (c) Virginia affiliate of Childhelp USA, (d) volunteer fire company or volunteer emergency medical services agency, or (e) court-appointed special advocate program pursuant to § 9.1-153 shall be conducted at no charge.

**§ 63.2-1700. Application fees; regulations and schedules; use of fees; certain facilities, centers,**

**3749 and agencies exempt.**

**3750** The Board is authorized to adopt regulations and schedules for fees to be charged for processing  
**3751** applications for licenses to operate assisted living facilities, adult day care centers, and child welfare  
**3752** agencies. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations  
**3753** based on the capacity of such facilities, centers, and agencies. Fees shall be used for the development  
**3754** and delivery of training for operators and staff of facilities, centers, and agencies. Fees shall be  
**3755** expended for this purpose within two fiscal years following the fiscal year in which they are collected.  
**3756** These fees shall not be applicable to facilities, centers, or agencies operated by federal entities.

**3757** The Board shall develop training programs for operators and staffs of licensed child day programs.  
**3758** Such programs shall include formal and informal training offered by institutions of higher education,  
**3759** state and national associations representing child care professionals, local and regional early childhood  
**3760** educational organizations and licensed child care providers. Training provided to operators and staffs of  
**3761** licensed child day programs shall include training and information regarding shaken baby syndrome, its  
**3762** effects, and resources for help and support for caretakers. To the maximum extent possible, the Board  
**3763** shall ensure that all provider interests are represented and that no single approach to training shall be  
**3764** given preference.

**3765** **§ 63.2-1701. Licenses required; issuance, expiration, and renewal; maximum number of**  
**3766** **residents, participants or children; posting of licenses.**

**3767** A. As used in this section, "person" means any individual; corporation; partnership; association;  
**3768** limited liability company; local government; state agency, including any department, institution,  
**3769** authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or  
**3770** commercial entity that operates or maintains a child welfare agency, adult day care center, or assisted  
**3771** living facility.

**3772** B. Every person who constitutes, or who operates or maintains, an assisted living facility, adult day  
**3773** care center, or child welfare agency shall obtain the appropriate license from the Commissioner, which  
**3774** may be renewed. However, no license shall be required for an adult day care center that provides  
**3775** services only to individuals enrolled in a Programs of All-Inclusive Care for the Elderly program  
**3776** operated in accordance with an agreement between the provider, the Department of Medical Assistance  
**3777** Services and the Centers for Medicare and Medicaid Services. The Commissioner, upon request, shall  
**3778** consult with, advise, and assist any person interested in securing and maintaining any such license. Each  
**3779** application for a license shall be made to the Commissioner, in such form as he may prescribe. It shall  
**3780** contain the name and address of the applicant and, if the applicant is an association, partnership, limited  
**3781** liability company, or corporation, the names and addresses of its officers and agents. The application  
**3782** shall also contain a description of the activities proposed to be engaged in and the facilities and services  
**3783** to be employed, together with other pertinent information as the Commissioner may require.

**3784** C. The licenses shall be issued on forms prescribed by the Commissioner. Any two or more licenses  
**3785** may be issued for concurrent operation of more than one assisted living facility, adult day care center,  
**3786** or child welfare agency, but each license shall be issued upon a separate form. Each license and  
**3787** renewals thereof for an assisted living facility, adult day care center, or child welfare agency may be  
**3788** issued for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued  
**3789** to child day centers under this chapter shall have a duration of two years from date of issuance.

**3790** D. The length of each license or renewal thereof for an assisted living facility shall be based on the  
**3791** judgment of the Commissioner regarding the compliance history of the facility and the extent to which it  
**3792** meets or exceeds state licensing standards. On the basis of this judgment, the Commissioner may issue  
**3793** licenses or renewals thereof for periods of six months, one year, two years, or three years.

**3794** E. The Commissioner may extend or shorten the duration of licensure periods for a child welfare  
**3795** agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for  
**3796** greater efficiency in staff utilization.

**3797** F. Each license shall indicate the maximum number of persons who may be cared for in the assisted  
**3798** living facility, adult day care center, or child welfare agency for which it is issued.

**3799** G. The license and any other documents required by the Commissioner shall be posted in a  
**3800** conspicuous place on the licensed premises.

**3801** H. Every person issued a license that has not been suspended or revoked shall renew such license  
**3802** prior to its expiration.

**3803** I. *Officers, employees, or agents of the Commonwealth, or of any county, city, or town acting within*  
**3804** *the scope of their authority as such, who serve as or maintain a child-placing agency shall not be*  
**3805** *required to be licensed.*

**3806** **§ 63.2-1702. Investigation on receipt of application.**

**3807** Upon receipt of the application, the Commissioner shall cause an investigation to be made of the  
**3808** activities, services, and facilities of the applicant and of his character and reputation or, if the applicant  
**3809** is an association, partnership, limited liability company, or corporation, the character and reputation of  
**3810** its officers and agents, and upon receipt of the initial application, an investigation of the applicant's

In the case of child welfare agencies and assisted living facilities, the character and reputation investigation upon application shall include background checks pursuant to §§ § 63.2-1721 and 63.2-1721.4; however, a children's residential facility shall comply with the background check requirements contained in § 63.2-1726. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

**§ 63.2-1706.1. Inspections of child welfare agencies; prioritization.**

**§ 63.2-1708. Records and reports.**

Every licensed assisted living facility, licensed adult day care center, or licensed or registered child welfare agency, or family day home approved by a family day system shall keep such records and make such reports to the Commissioner as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Commissioner.

A licensed assisted living facility, licensed adult day care center, licensed child-placing agency, or licensed independent foster home, licensed family day system, registered family day home, or family day home approved by a family day system shall obtain for any compensated employees within 30 days of employment (i) an original criminal record clearance with respect to convictions for any offense set forth in clause (i) of the definition of barrier crime in § 19.2-392.02 or an original criminal history record from the Central Criminal Records Exchange and (ii) in the case of licensed child-placing agencies, or independent foster homes, and family day systems, registered family day homes, and family day homes approved by family day systems, (a) an original criminal record clearance with respect to any barrier crime as defined in § 19.2-392.02 or an original criminal history record from the Central Criminal Records Exchange and (b) a copy of the information from the central registry for any compensated employee within 30 days of employment. However, no employee shall be permitted to

work in a position that involves direct contact with a person or child receiving services until an original criminal record clearance or original criminal history record has been received, unless such person works under the direct supervision of another employee for whom a background check has been completed in accordance with the requirements of this section. If an applicant is denied employment because of information from the central registry or convictions appearing on his criminal history record, the licensed assisted living facility, adult day care center, child-placing agency, *or independent foster home; or family day system, registered family day home, or family day home approved by a family day system* shall provide a copy of the information obtained from the central registry or the Central Criminal Records Exchange or both to the applicant.

J. A licensed assisted living facility shall notify and provide all students a copy of the provisions of this article prior to or upon enrollment in a certified nurse aide program operated by such assisted living facility.

K. A person who complies in good faith with the provisions of this section shall not be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons and agencies required to be licensed under this subtitle, which shall be designed to ensure that such activities, services, and facilities are conducive to the welfare of the children under the custody or control of such persons or agencies.

Such regulations shall be developed in consultation with representatives of the affected entities and shall include, but need not be limited to, matters relating to the sex, age, and number of children and other persons to be maintained, cared for, or placed out, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services, and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department of Education or recognized as a private school by the State Board of Education for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

Such regulations governing orientation and training of child day program staff shall provide that parents or other persons who participate in a cooperative preschool center on behalf of a child attending such cooperative preschool center, including such parents and persons who are counted for the purpose of determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

In establishing such plan, the Superintendent shall work cooperatively across the Secretariats of Education and Health and Human Resources and relevant state agencies and

4118 regulatory boards. Such plan shall incorporate and take into account the priorities, responsibilities,  
4119 and structures needed at the state, local, and regional levels to ensure successful start-up,  
4120 management, and delivery of a cohesive, aligned early childhood care and education system, as  
4121 well as outline phases and a timeline for transitioning from the current state to the envisioned  
4122 state of the system. Such plan shall identify necessary statutory and regulatory changes and  
4123 necessary steps to transfer lead agency authority for relevant federal programs, including the  
4124 Child Care and Development Block Grant and Head Start State Collaboration Office grants, to  
4125 the Department of Education to align with its current administration of the Virginia Preschool  
4126 Initiative and other early childhood programs. The Superintendent shall report on the  
4127 implementation plan to the Chairmen of the House Committees on Appropriations, Education, and

4132 cooperative agreement to ensure a coordinated and seamless transition pursuant to the provisions  
4133 of this act that occurs by July 1, 2021, and that is cost effective and does not interrupt the  
4134 provision of state services or have undue impact on the operation or function of either agency.

4135 6. That the regulations adopted by the State Board of Social Services to administer and implement  
4136 the programs that are to be transferred from the State Board of Social Services to the Board of  
4137 Education pursuant to this act shall remain in full force and effect until altered, amended, or  
4138 rescinded by the Board of Education.

4139 7. That guidance adopted by the State Board of Social Services or Department of Social Services

4141 8. That the initial actions of the Board of Education to adopt, with necessary amendments, the  
4142 regulations implementing the programs being transferred by this act shall be exempt from Article  
4143 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2 of the Code of Virginia. After transfer of the  
4144 programs, if the Board of Education determines that additional amendments to the regulations are  
4145 necessary solely to enable implementation of the programs in accordance with this act, the  
4146 regulatory actions necessary shall be exempt from Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of  
4147 Title 2.2 of the Code of Virginia.

4148 9. That by July 1, 2021, the Department of Education shall be the lead agency for the
