59 c. Permanent flooding or impounding; or
60 d. New activities that cause significant alteration or degradation of existing wetland acreage or
61 functions; or

62 5. Discharge stormwater into state waters from Municipal Separate Storm Sewer Systems or land
63 disturbing activities.

64 B. Any person in violation of the provisions of subsection A who discharges or causes or allows (i)
65 a discharge of sewage, industrial waste, other wastes, or any noxious or deleterious substance into or
66 upon state waters or (ii) a discharge that may reasonably be expected to enter state waters shall, upon
67 learning of the discharge, promptly notify, but in no case later than 24 *eight* hours ~~the Board~~, the
68 Director of the Department of Environmental Quality, or the coordinator of emergency services
69 appointed pursuant to § 44-146.19 for the political subdivision reasonably expected to be affected by the
70 discharge. Written notice to the Director of the Department of Environmental Quality shall follow initial
71 notice within the time frame specified by the federal Clean Water Act.

72 **§ 62.1-44.19:6. Citizen right-to-know provisions.**

73 A. The Board, based on the information in the 303(d) and 305(b) reports, shall:

74 1. Request the Department of Game and Inland Fisheries or the Virginia Marine Resources
75 Commission to post notices at public access points to all toxic impaired waters. The notice shall be
76 prepared by the Board and shall contain (i) the basis for the impaired designation and (ii) a statement of
77 the potential health risks provided by the Virginia Department of Health. The Board shall annually
78 notify local newspapers, and persons who request notice, of any posting and its contents. The Board
79 shall coordinate with the Virginia Marine Resources Commission and the Department of Game and
80 Inland Fisheries to assure that adequate notice of posted waters is provided to those purchasing hunting
81 and fishing licenses.

82 2. Maintain a "citizen hot-line" for citizens to obtain, either telephonically or electronically,
83 information about the condition of waterways, including information on toxics, toxic discharges, permit
84 violations and other water quality related issues.

85 3. Make information regarding the presence of toxics in fish tissue and sediments available to the
86 public on the Internet and through other reasonable means for at least five years after the information is
87 received by the Department of Environmental Quality. The Department of Environmental Quality shall
88 post on the Internet and in the Virginia Register on or about January 1 and July 1 of each year an
89 announcement of any new data that has been received over the past six months and shall make a copy
90 of the information available upon request.

91 B. ~~The Board~~ *Department of Environmental Quality* shall provide to ~~a the Virginia Department of~~
92 *Health and local newspaper newspapers, television stations, and radio stations, and shall disseminate*
93 *via commonly used social media platforms and email notification lists,* the discharge information
94 reported to the Director of the Department of Environmental Quality pursuant to *subsection B of*
95 *§ 62.1-44.5, when the Virginia Department of Health determines that the discharge may be detrimental*
96 *to the public health or the Board determines that the discharge may impair beneficial uses of state*
97 *waters within eight hours of receipt of such determination by the Department of Environmental Quality.*
98 *If the Virginia Department of Health determines that the discharge may be detrimental to the public*
99 *health, the Department of Environmental Quality shall provide information regarding such determination*
100 *to the same recipients within eight hours of receipt of such determination.*

101 **2. That the Department of Environmental Quality shall incorporate the provisions of this act into**
102 **any existing, applicable permit upon approval of any renewal or amendment of such permit, and**
103 **that such provisions shall be incorporated into all permits no later than July 1, 2022.**
