B. There is created within the Department the comprehensive permitting program (the Program). The Program is established to serve as a single access point to aid entrepreneurs in filling out the various permit applications associated with establishing a small business in Virginia. The Program in no way supersedes or supplants any regulatory authority granted to any state agency with permits covered by this section. As part of the Program, the Department shall coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate for inclusion in the Program as well as the rules governing the submission of and payment for those permits. The website of the Department shall provide access to information regarding the Program. The Department shall have the power and duty to:

1. Create a comprehensive application that will allow an entrepreneur, or an agent thereof, seeking to establish a small business, to create accounts that will allow them to acquire the appropriate permits required in the Commonwealth. The comprehensive application shall:

a. Allow the business owner to choose a business type and to provide common information, such as name, address, and telephone number, on the front page, eliminating the need to repeatedly provide common information on each permit application;

b. Allow the business owner to preview and answer questions related to the operation of the business;

c. Provide business owners with a customized to-do agency checklist, which checklist shall provide

59 the permit applications pertinent to each business type and provide the rules, regulations, and general
60 laws applicable to each business type as well as local licensing information;

61 d. Allow the business owner to submit permit applications by electronic means as authorized by
62 § 59.1-496 and to affix thereto his electronic signature as defined in § 59.1-480;

63 e. Allow the business owner to check on the status of applications online and to receive information
64 from the permitting agencies electronically; and

65 f. Allow a business owner to submit electronic payment of application or permitting fees for
66 applications that have been accepted by the permitting agency.

67 2. Develop and administer a computerized system program capable of storing, retrieving, and
68 exchanging permit information while protecting the confidentiality of information submitted to the
69 Department to the extent allowable by law. Information submitted to the Department shall be subject to
70 the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) as the same would apply
71 were the information submitted directly to the Department or to any permitting agency.

72 3. Issue and renew comprehensive permits in an efficient manner.

73 4. Identify the types of permits appropriate for inclusion in the Program. The Department shall
74 coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with
75 applicable law, what types of permits are appropriate for inclusion in the Program.

76 5. Incorporate permits into the Program.

77 6. Do all acts necessary or convenient to carry out the purposes of this chapter.

78 C. The Business Permitting Center shall compile information regarding the regulatory programs
79 associated with each of the permits obtainable under the Program. This information shall include, at a
80 minimum, a listing of the statutes and administrative rules requiring the permits and pertaining to the
81 regulatory programs that are directly related to the permit. The Center shall provide information
82 governed by this section to any person requesting it. Materials used by the Center to describe the
83 services provided by the Center shall indicate that this information is available upon request.

84 D. Each state agency shall cooperate and provide reasonable assistance to the Department in the
85 implementation of this section.

86 E. The State Corporation Commission and the Department of Small Business and Supplier Diversity
87 shall by January 1, 2020, establish one or more processes by which data or information relevant to the
88 Program can be collected and exchanged electronically.

89 F. Any person requiring permits that have been incorporated into the Program may submit a
90 comprehensive application to the Department requesting the issuance of the permits. The comprehensive
91 application form shall contain in consolidated form information necessary for the issuance of the
92 permits.

93 G. The applicant, if not a veteran, shall include with the application the handling fee established by
94 the Department. An applicant who is a veteran shall be exempt from payment of the handling fee
95 prescribed by this subsection. The amount of the handling fee assessed against the applicant shall be set
96 by the Department at a level necessary to cover the costs of administering the comprehensive permitting
97 program.

98 H. The authority for approving the issuance and renewal of any requested permit that requires
99 investigation, inspection, testing, or other judgmental review by the regulatory agency otherwise legally
100 authorized to issue the permit shall remain with that agency. The Center may issue those permits for
101 which proper fee payment and a completed application form have been received and for which no
102 approval action is required by the regulatory agency.

103 I. Upon receipt of the application, and proper fee payment for any permit for which issuance is
104 subject to regulatory agency action under subsection H, the Department shall immediately notify the
105 State Corporation Commission or the regulatory agency with authority to approve the permit issuance or
106 renewal requested by the applicant. The State Corporation Commission or the regulatory agency shall
107 advise the Department within a reasonable time after receiving the notice of one of the following:

108 1. That the State Corporation Commission or the regulatory agency approves the issuance of the
109 requested permit and will advise the applicant of any specific conditions required for issuing the permit;

110 2. That the State Corporation Commission or the regulatory agency denies the issuance of the permit
111 and gives the applicant reasons for the denial;

112 3. That the application is pending; or

113 4. That the application is incomplete and further information from or action by the applicant is
114 necessary.

115 J. The Department shall issue a comprehensive permit endorsed for all the approved permits to the
116 applicant and advise the applicant of the status of other requested permits. The applicant shall be
117 responsible for contesting any decision regarding conditions imposed or permits denied through the
118 normal process established by statute or by the State Corporation Commission or the regulatory agency
119 with the authority for approving the issuance of the permit.

120 K. Regulatory agencies shall be provided information from the comprehensive application for their

121 permitting and regulatory functions.

122 L. The Department shall be responsible for directing the applicant to make all payments for
123 applicable fees established by the regulatory agency directly to the proper agency.

124 M. There is hereby created in the state treasury a special nonreverting fund to be known as the
125 Comprehensive Permitting Fund, hereafter referred to as "the Fund." The Fund shall be established on
126 the books of the Comptroller. The Fund shall consist of all moneys collected from the handling fee
127 established by the Department pursuant to subsection G and such other funds as may be appropriated by
128 the General Assembly. Interest earned on moneys in the Fund shall remain in the Fund and be credited
129 to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall
130 not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely to
131 administer the Program. Expenditures and disbursements from the Fund shall be made by the State
132 Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the
133 Department.

134 N. Unless otherwise directed by the regulatory agency, the Department shall not issue or renew a
135 comprehensive permit to any person under any of the following circumstances:

136 1. The person does not have a valid tax registration, if required;

137 2. The person is a corporation, limited liability company, business trust, limited partnership, or
138 registered limited liability partnership that (i) is delinquent in the payment of fees or penalties collected
139 by the State Corporation Commission pursuant to the business entity statutes it administers, (ii) does not
140 exist, or (iii) is not authorized to transact business in the Commonwealth pursuant to one of the business
141 entity statutes administered by the State Corporation Commission; or

142 3. The person has not submitted the sum of all fees and deposits required for the requested
143 individual permit endorsements, any outstanding comprehensive permit delinquency fee, or other fees
144 and penalties to be collected through the comprehensive permitting program.

145 O. *The Department shall develop and provide written guidance to businesses with newly approved*
146 *permits regarding responsibilities and requirements for maintaining such business. Such guidance shall*
147 *include information regarding sales tax and unemployment tax requirements, workers' compensation*
148 *insurance requirements, and postings required by the Virginia Department of Labor and Industry and*
149 *the U.S. Department of Labor.*

150 P. The Department may adopt regulations in accordance with § 2.2-1606 as may be necessary to
151 carry out the purposes of this section.
